INFORMATION BROCHURE

Applicants must go through the Instructions carefully before filling the application form and enter correctly the course code and name of the programme

Pondicherry University, located in Puducherry, the capital city of the Union Territory of Pondicherry, is one of the fastest growing Central Universities of India. The University spread over 800 acre lush green campus on the sea shore of Bay of Bengal is an ideal place for Academic and Research pursuits. The University has retained its preeminent position in offering various job oriented academic programs and by entering frontier areas of study like green technology, nano technology, bio informatics, etc.

Conscious of its role and responsibilities as a Central University, besides offering innovative on-campus programs, the university, in order to reach out to the students who could not realize their dreams in the on-campus stream, forayed into the field of Distance Education in the academic year 1995-96. Ever since, Pondicherry University has established a mark of its own in the national map of Distance Education.

The fact that more than 2,00,000 students have enrolled in various Distance mode programs over the years bears testimony to the quality of the programs of the Pondicherry University. The student mix includes those who are already employed and prefer to enhance their academic credentials, those who missed out the privilege of on-campus learning for a variety of reasons, those who don't have access to higher education, and various categories of disadvantaged groups and segments of the Society.
