SECTION C — (1 × 20 = 20 marks)
Compulsory.

17. Mrs. Kalpana has taken life insurance policy from Tata-AIG Life Insurance Company in Ahmedabad. The insured was hospitalised for Gynaecological problems including Dysmenorrhoea and pain in abdomen requiring treatment and surgery. The life assured argued that since surgical procedure was performed the claim for critical illness rider should be payable. As per the policy conditions, critical illness covered under the policy were cancer, stroke, heart attack, CABG surgery, kidney failure and major organ transplant. Since the surgery performed was not coming under any of the six items stated above, the decision of the insurance company is upheld.
