17. Case study:

You are just one week young in your job as a treasury executive in a leading laptop trader/supplier in India. Earlier your company was sourcing assembled laptops from China, but with the incentives provided in the Budget by the Finance Minister of India, your company is planning to enter assembly/manufacturing market in India. Now your company is planning to source components and sub assembles from Taiwanese firms. This will involve a lot of foreign exchange trading and contracts. Since you are from a leading university in India, your CFO has asked you to make presentation to the top management on various possibilities relating to forex market in India.

Question for Discussion:
What is all that you would like to tell the top management so as to establish your credibility?
