The committee further felt that the above lists of Journals are not exhaustive. So, the above lists can be updated periodically, based on the suggestions received from the faculty members and experts in the field.

Research publications by the faculty members in Philosophy discipline shall satisfy the following criteria:

1. Should be original work
2. Should have relevance for philosophy
3. Should make substantial contribution to the field of philosophy and
4. Should have logical rigor, wider readability, and interdisciplinary in approach.
5. If the same article/title is published in two different Journals, the later version must be revised at least 40% compared to the earlier version.
