CONVERSION OF GRADE INTO PERCENTAGE

(APPLICABLE TO STUDENTS ADMITTED UPTO THE ACADEMIC YEAR 2009-10
UNDER CBCS REGULATIONS)

Pondicherry University is following the Choice Based Credit system with relative grading for its Master's Programmes. Under this system the students are not given any marks in any course. They are awarded letter grades based on their performance in relation to those of other students in a seven point system with a maximum possible point value of 10.0. These letter grades do not correspond to any specific marks. However for purpose of comparison etc., the Cumulative Grade Point Average (CGPA) of the student which is a weighted average of the performance may be used. This CGPA is reported out of a maximum of 10.0 the minimum CGPA required for pass is 5.0/10.0 and for a First Class it is 7.0/10.0. For Conversion CGPA 7.0/10.0 is equal to 60% in the Conventional System and 5.0/10.0 is equal to 50%.

A conversion table showing the equivalent percentage for the CGPA is enclosed.
