MASTER’S DEGREE IN SOCIAL WORK

(CBCS PATTERN)

COURSE STRUCTURE AND SYLLABUS REGULATIONS

DEPARTMENT OF SOCIAL WORK
SCHOOL OF SOCIAL SCIENCES AND INTERNATIONAL STUDIES
PONDICHERY UNIVERSITY

FROM JULY 2014
AIM OF THE PROGRAMME

Vision

To become a leading institution for innovative, interdisciplinary approaches in educating social work practitioners and scholars, conducting research, and serving as a catalyst for positive social transformation.

Programme Objectives:

1. Apply at the MSW level the foundation knowledge, skills, values and ethics of social work practice in the assessment and treatment of individuals, families, groups, organizations, and communities.

2. Develop a professional identity as a social worker by applying professional values and ethics to social work practice.

3. Demonstrate an understanding and appreciation for human diversity, to engage in non-discriminatory culturally sensitive practice that seeks social and economic justice for clients, without regard to age, class, caste, culture, disability, ethnicity, family structure, gender, marital status, national origin, race, religion, and sexual orientation.

4. Use appropriate supervision and consultation to conduct research and disseminate research findings that contribute to enhancement of students' personal and professional development.

TITLE OF THE PROGRAMME

Master of Social Work (MSW)
Ph.D. (Social Work)

The MSW programme offers specializations in Community Development, Family and Child Welfare, Human Resource Management and Medical & Psychiatric Social Work. Apart from classroom teaching, the MSW students shall undergo concurrent and block fieldwork in various settings. This practical training enables the students to acquire professional social work skills, values, and ethics and integrate theory and practice.

DURATION OF THE PROGRAMME

The programme of study shall be for duration of TWO academic years with FOUR semesters

ELIGIBILITY FOR ADMISSION

Bachelor’s Degree in any discipline with a minimum of 50% mark. The basis of selection shall be the marks secured in the entrance examination as per University norms.

Reservation of seats and other concessions will be in line with the University rules and norms.
Admission to the MSW programme will be based on an All India entrance examination conducted by the University.

**LATERAL ENTRY:** Not applicable

**COURSE STRUCTURE:** (Enclosed)

**SCHEME OF EXAMINATION**

This is in accordance with the CBCS Regulations, Pondicherry University, that has come into effect from 2010 and changes effected from time to time shall also become automatically applicable.

**PASSING MINIMUM**

A candidate can be admitted to appear in the M.S.W. degree end semester examinations only if he/she have undergone the course of study as prescribed by Pondicherry University and having put in not less than 70 percent of attendance. The academic calendar comprises of at least 15 weeks or 90 days per semester/term and an annual calendar of at least 30 weeks or 180 days.

The passing minimum is in accordance with the CBCS Regulations, Pondicherry University, that has come into effect from 2010 and changes effected from time to time shall also become automatically applicable.

**CLASSIFICATION OF SUCCESSFUL CANDIDATE**

This is in accordance with the CBCS Regulations, Pondicherry University, that has come into effect from 2010 and changes effected from time to time shall also become automatically applicable.

**DETAILED SYLLABUS** (Enclosed)

**SPECIALIZATION CRITERIA**

The specializations mentioned in this course structure will be offered subject to:

(i) Availability of at least three faculty members in each specialization with subject expertise in the respective specialization

(ii) A minimum of five students opting for the specialization

The students shall be allocated their area of specialization at the end of second semester after scrutiny of students’ options and performances in the two semesters. The decision of the faculty members shall be final in allocation of specialization to the students.

**PATTERN OF QUESTION PAPER:** Descriptive

**MODEL QUESTION PAPER:**
INTERNAL ASSESSMENTS

Each teacher shall organize a continuous assessment of each of the courses assigned to him/her. The internal assessment shall be given as per the following break up:

Internal assessment Tests/Term Papers/Quizzes (two) 2 x 15 = 30
Seminars/assignments/case demos/presentations/write ups/viva etc 1 x 10 = 10

Internal Total 40

PANEL OF EXAMINERS

The panel of examiners shall be decided by the Programme Committee of the Department which consists of a vice-chancellor’s nominee.

INFRASTRUCTURE (this is as per NAAC Manual for Self-Study of Social Work Institutions, October 2005). It is specified in the above document that, the Department of Social Work should have the following:

- Building is well-ventilated and has adequate number of lights and fans.
- A minimum of four classrooms is available
- Faculty members’ offices provide sufficient privacy for individual conferences with students.
- A common/meeting room is available
- An adequate number of clean toilets are provided separately for men and women.
- Separate rooms are available for field action projects, research projects and student counselling.
- A sickroom/restroom with sofa/couch and a medical kit are available, in case of sudden illness.
- Separate common rooms are available for staff and students.
- The building is differently-abled friendly.
- The building is surrounded by open space for outdoor recreation for students and has trees/garden.
- Field practitioners are invited as guest lecturers.
- Blackboards, flipcharts, overhead projector, radio, television, audio and video cassettes, slide shows, LCD projectors, internet and other aids are used for teaching-learning.

**Furniture and Equipment**

- Furniture in the classrooms is easily movable and chairs have support for writing and keeping bags.
- Locker space is available for all students.
- Every faculty member has a chair, a desk to write on and cupboard to maintain files, student records and other relevant academic documents.
- Computer, printer, email and internet access are made available to all faculty members.
- At least one personal computer (PC) with Microsoft (MS) Word, statistical and accounting packages along with printers (Ink Jet and Dot Matrix) is available for the administrative work of the Institution for social work education.
- The administration is fully computerized.

**Communication Facilities**

Phone, fax and email facilities are available, especially for communication with the fieldwork agencies.

The institution for social work education has developed a website and regularly updates it.

**Other Facilities**

A vehicle is available for students and staff commuting to fieldwork settings and field action projects in remote areas.

**Library and Learning Facilities**
The library acquires and facilitates retrieval of the following literature in English and regional languages:

- Newspapers and news magazines
- Local, Indian and international encyclopedias related to social work
- A minimum of 1500 books on social work and related subjects
- A minimum of 20 national and international social work and related journals
- Newsletters of social work professional associations
- Census data
- Five year plans
- Reports of other ministries, departments and commissions
- United Nations publications
- Literature developed by voluntary organizations
- Faculty research report and publications
- Student term papers/research reports/dissertations/thesis
- Library catalogue is computerized
- Annual index of acquisition is prepared
- Inter-library exchange/linkages with the Information Library Network (INFLIBNET) are facilitated
- Literature is available on alternate media for visually challenged persons
- Relevant audio-visuals such as slide shows, audio and video cassettes and audio-visual equipment such as overhead projectors, slide projector, television, audio and video cassette players, LCD projector and laptop computer are available for use in class, seminars, and training programmes
- Computer, e-mail and internet facilities are available for students, staff and others
- Photocopy facilities are available for students, staff and others
- Book bank is facilitated
- Archival and out of print reports and books are digitalized
- Library opens at least one hour before the first class and until at least three hours after the classes close, on all the 180 teaching days. Library is open for extended hours, throughout the year
- An advisory committee guides the functioning of the library comprising of the head of the institution for social work education, library staff and select faculty members
- The document also specifies:
  - Field visit expenditure of faculty members is reimbursed.
  - Seminars and training workshops are conducted for research proposals, ethical issues, writing style and so on.
  - Skill workshops are conducted with interactive, participatory and experiential methodology

**FACULTY SPECIALIZATION**

The dissertations/thesis for M. Phil./Ph.D. in Social Work are guided by social work faculty members with a doctorate degree and experience in conducting research and publications. The courses/specializations offered are handled by faculty members with subject expertise in the respective specialization.
STUDENT-TEACHER RATIO

The NAAC Manual for Self-Study of Social Work Institutions, October 2005 specifies that faculty-student ratio is 1:8 or less and not more than 1:10

RATIO OF NON-TEACHING STAFF

The NAAC Manual for Self-Study of Social Work Institutions, October 2005 further specifies that:

The structure of the non-teaching staff is planned adequately for the academic administration, infrastructural planning, purchase and maintenance, staff management, financial management and secretarial support

Adequate secretarial support is available to the faculty members

The ratio of teaching to non-teaching staff is not more than 1:1

**PSYCHOLOGY FOR SOCIAL WORK PRACTICE**

**OBJECTIVES**

- To understand the relevance of Psychology to social work practice
- To develop theoretical understanding of human development across the life span
- To understand the nature and development of human behaviour in socio-cultural context
- To learn about human behavioural processes, personality and theoretical approaches
- To apply the information on human growth and behaviour in social work practice

**COURSE CONTENT**

**UNIT 1:** Psychology - Meaning, Definition, Fields and Methods, Introduction to Schools of Psychology, Relevance of Psychology to Social Work practice

**UNIT 3:** Concept of Human Behaviour, the Concept of Self - Psychological Processes in Behaviour: Needs and Motives, Cognition, Memory, Intelligence: Concept, theories and assessment - Motivation: Meaning, definition, types and characteristics of motives, theories of motivation – Personality: Meaning, Definition, types and factors influencing Personality and structure, Theories of Personality

**UNIT 4:** Human Behaviour Processes – Emotions, Concept of Perception, Characteristics, process and factors influencing perception; Definition, Concept, Nature of attitudes, stereotypes and prejudice, formation of attitudes and attitudinal change, leadership

**UNIT 5:** Concept of normality and abnormality, Mental Health, characteristics of mentally healthy person, factors influencing mental health – Concept of abnormality – basic information on symptoms, causes and treatment of major and minor mental illnesses – role of social workers in promoting mental health
REFERENCES

SOCIAL WORK WITH INDIVIDUALS

OBJECTIVES

- To be introduced to the method of working with individuals
- To understand the various contexts and the dimensions of issues and problems that individuals face and critically analyze them
- To be exposed to the approaches of social work practice with individuals
- To acquire the skills and techniques of working with individuals
- To comprehend the diversity of practice settings

UNIT 2: Approaches and Models - Psycho Social approach, Psychoanalytical, Functional approach, Problem solving approach, task centered approach, person-in-environment, strengths approach and crisis intervention, empowerment approach, eclectic approach – application of these approaches to understand clients and their contexts

UNIT 4: Tools and techniques in casework: listening, observation, Interview – home visits, collateral contacts, referrals – techniques in practice – ventilation, emotional support, action oriented support, advocacy, environment modification, modeling, role-playing and confrontation – Case history taking, Record keeping – Face sheet, Narrative, Process and Summary recording.

REFERENCES

SOCIAL WORK WITH GROUPS

OBJECTIVES

- To understand of group work as a method of professional social work
- To learn theoretical approaches that inform group work practice
- To gain insight into dimensions of group processes and group work practice
- To develop competencies for working with groups in diverse settings

COURSE CONTENT

UNIT 1: Social groups – Definition, Characteristics, and Importance – Classification of Groups – Cooley, Sumner, MacIver & Page, Toseland & Rivas – Theories of Group formation – Social Group Work – Concept, Historical development of Group Work, Values and Skills, Principles and Purpose of Group work

UNIT 2: Theoretical approaches of group work practice – Psychoanalytic, Learning, Field, Social Exchange, Systems theories. Stages of Group Development – Tuckman, Klien, Garland, Jones & Kolodny; Models of social group work – Social goals, Remedial, Reciprocal models, Programme development process, Programme Media

UNIT 3: Basic Group Processes – Sub-group, Group conflict, Group decision making, Leadership in groups. Group dynamics – Concept, and Areas – Communication and Interaction Patterns, Group Cohesion, Social Control Dynamics and Group Culture

UNIT 4: Stages or Phases of Group work – Pre group formation, Beginning phase, Middle/Working phase and Termination phase, Follow-up, Facilitation Skills and Techniques used in these Phases.

UNIT 5: Group Work Practice in diverse settings – Disaster victims, Substance abusers, Alcohol Anonymous and elderly care – Role of group worker – Group psychotherapy, Group work Recording, Monitoring and Evaluation.
REFERENCES

SOCIAL WORK WITH COMMUNITIES

OBJECTIVES:

- To gain knowledge about the primary method of social work practice with communities.
- To understand the techniques and approaches of social work practice with communities.
- To acquire the skill of working with communities.

COURSE CONTENT:

UNIT 2: Models of community organization – locality development, social planning, social action – Skills in community organization – Communication, Training, Consultation, Public relations, resource mobilization, liaising – Approaches to community organization – General content, Specific content and Process objective

UNIT 3: Methods of community organization – Awareness creation, Planning and Organizing, Education, Networking, Participation, Leadership – Community organization with vulnerable communities – Migrants, Refugees, Slum dwellers and transgender

UNIT 4: Social Action in Community Organization - Concept, Purpose, Strategies and Tactics in Social Action – Social Action as a method of social work – Approaches to social action – Paulo Friere, Saul Alinsky, Mahatma Gandhi and Ambedkar

UNIT 5: Concept of advocacy as a tool, Strategy for advocacy – Campaigning, Lobbying, Use of media and public opinion building in advocacy – Coalition and Network building, linking up protest movements with development work.
REFERENCES

SOCIAL WORK RESEARCH AND STATISTICS

OBJECTIVES

- To comprehend the importance of research as a social work method
- To be familiar with various research designs, methods, statistical tools and techniques relevant to social work research.
- To cultivate research abilities through appropriate application

COURSE CONTENT

UNIT 1: Importance of research in social work – intervention research and practice based research – Difference between social science research and social work research – Ethical Issues in social work research

UNIT 2: Meaning – Scientific Social Surveys – Experimental study design, Descriptive, Explanatory, Exploratory, Participatory Action Research - Quantitative and Qualitative Research and basic distinction, grounded theory, narrative, case study, ethnography

UNIT 3: Purpose of sampling – Concepts related to sampling – population, universe, sampling frame and sampling unit – Meaning and types of probability and non-probability sampling – techniques and procedures in sample selection – Methods and tools of data Collection – interview, questionnaire, observation – guidelines in framing of questions

UNIT 4: Levels of measurements – nominal, ordinal, interval and ratio, Scaling – Likert, Thurstone – Problems and tests of Reliability and Validity – Hypothesis – meaning, types, formulation and uses – Coding, Master sheet, tabulation plan – Univariate, bivariate, trivariate and multivariate analyses of data – Measures of central tendency (mean, median, mode) and dispersion - Inferential Analyses: correlation – tests of significance (chi square, t-test) analysis of variance (ANOVA), use of SPSS

UNIT 5: Writing a research report - Social work research report content and formats - Literature Review and Literature Survey - Problem Identification - Specification of Research Questions - Rationale and Study Objectives – operational definitions. Interpretation of results and discussion

MENTAL HEALTH

OBJECTIVES:

- To be inspired and use inner wisdom to work in the field of mental health
- To learn about the concepts related to mental health and mental illness and theoretical underpinnings related to it
- To understand concepts related to psychopathology, diagnosis and treatment
- To plan psycho-social interventions in preventive, promotive and curative services that work towards enhancing the dignity of persons living with mental illness and for social justice.

COURSE CONTENT

UNIT 1: Concepts related to mental health, well-being and mental illness, notions of mental health, models of mental health – bio-psycho-social model, structural model and social determinants model, strengths perspective, recovery models. Activating inner wisdom to understand and intervene in the area of mental health

UNIT 2: Introduction to psychopathology (signs and symptoms), classification and diagnostic systems in mental health, differential diagnosis, history taking

UNIT 3: Information on mental disorders of adults (severe - Schizophrenia, Biploar Affective Disorder, Acute Psychosis, Obsessive Compulsive Disorder; Common mental illnesses – Anxiety disorders, depression, somatoform disorders), etiology, prevalence, psychosocial factors, prognosis and management of mental illness, pharmacology and psychosocial interventions; suicide, substance abuse, dementia and sexual disorders; Emotional, behavioural and developmental problems of children and adolescents as mentioned in the DSM and ICD

UNIT 4: Community Mental Health: Concept, Models of community mental health and development, formation of groups of persons living with mental illness, mental health advocacy, working with stakeholders in the field of community mental health through the process of consultation.

UNIT 5: Social work interventions, role of the multi-disciplinary team with emphasis on the psychiatric social worker in providing psychosocial care to prevent mental ill health and promote mental health and well-being

RURAL COMMUNITY DEVELOPMENT

OBJECTIVES

- To gain knowledge about rural realities and problems in rural communities
- To gain knowledge about theories and approaches of community development and experiments about rural community development
- To understand the local self administration of rural development and various development agencies working for rural development
- To learn about community development programmes in India and polices
- To acquire skills of social work intervention with rural communities

COURSE CONTENT

UNIT 1: Rural Community Meaning, Characteristics: Types of Villages: Scope of studying the rural community and its relation to social work: Rural community Problems: Poverty, Illiteracy, financial exclusions, Unemployment, Problems related to agriculture, health and problems related to energy and water.

UNIT 2: Community Development Concepts, Definition, Objectives, Principles, Theories of Community Development: System theory, Micro-Macro community development theory - Methods and approaches of community development- Role of community development worker: Application of social work methods in rural development - Early experiments of rural development-sriniketan, Morthandam, Gurgaon, rural reconstruction, Firka development, Nilokheri and Etawoh pilot project and Ghandhian approaches to rural development.

UNIT 3: Community development programmes across various sector in India: ICDS, MGNREGS, Accelerated Rural Water Supply Programme (ARWSP) National Livelihood Mission, IRDP, Pradhan Mantri Gramodaya Yojana, PMGSY, NSAP, DIKSHA, NRHM, Indra Awas Yojana (IAY) and PURA - Role of Voluntary agencies in Rural Development and others

UNIT 4: Rural community Administration Administrative structure and functions for Rural Development – Central and State level, Planning Commission, Rural development in five year plans and other welfare Ministries and Departments. Rural local bodies and power structure - Administrative pattern of community development and Panchayat raj system at local, block and district level, Functions of Panchayat Raj: Civic amenities, social welfare activities and Development work. National and state level agencies supporting Rural Development: Council for Advancement of Peoples Action and Rural Technology

REFERENCES

URBAN COMMUNITY DEVELOPMENT

OBJECTIVES

- To understand urban social systems and their problems and the change processes in these communities
- To gain knowledge on the issues and their implications in urban communities
- To acquire skills of interventions by the community workers

COURSE CONTENT

UNIT 2: Basic Concepts: History and Theories of Urbanization, Process of Urbanization, Patterns of Urbanization, Urbanization Policy, Voluntary Sector & People’s Participation. Compulsory land accusation Act, SEZ and urban habitat and policy

UNIT 4: Urban Community Development: Urban Community Development - Definition, Objectives and Historical Development, Principles, Process and methods - Urban Development indicators. Administration: National, state and local levels; Structure and functions of urban local bodies and its administration – Agencies; Metropolitans, Corporations, Municipality, Town Panchayats; Townships and Cantonments board

UNIT 5: Urban Community Development policies and Programmes: Ministry of urban affairs, five year Plans, Origin, structures, Acts, policies and programmes of Housing Board-Housing and Urban Development Corporation (HUDCO) and JNNURM. Problems in Implementation of Urban Community Development Programmes – Role of Community Development Worker: Application of Social Work method in Urban Development

UNDERSTANDING FAMILIES AND CHILDREN

OBJECTIVES

- To understand the family structures and family dynamics
- To develop a theoretical understanding of families and children
- To apply the skills of theory in practice with families and children

COURSE CONTENT

UNIT 1: Defining Families, Common characteristics, Family Rituals, Family Traditions, Family Routines, Family Functions, Family Structures and Family Dynamics, Family Conflicts, Family Violence; Diversity of families: Nuclear family, Joint family, Extended family, Working Parents, Single parents, Younger parents, Foster families

UNIT 3: Definition, Types of Marriage, Working parents, Division of labor in Families, Factors that influence Family Dynamics, Marital Dynamics, Socialization of Children, Feminist and Gender Perspective on Families, Impact of Urbanization / Modernization on marriage stability and Parenting

REFERENCES

FAMILY CENTERED INTERVENTIONS

OBJECTIVES

- To develop an understanding of the concepts and contexts of families
- To apply methods and models of social work intervention to promote change in families
- To develop knowledge about the institutions working for families

COURSE CONTENT

UNIT 3: Methods and Models of Social Work Interventions: Genogram of the family, the Flow Chart, Eco Map, Pathways plans, Diary Sheet, Home Visits. Psychosocial Life model, Problem Solving approaches, Crisis intervention and the Cognitive Behavioural model, Integrative models

UNIT 4: Interventions with Families: Structural family therapy, Problem solving therapy, Milan systems therapy, Solution Focused Therapy, Psychodynamic Family Therapy, Cognitive Behavioural Family Therapy, Narrative therapy, Experiential Family Therapy, Advocacy, Crisis intervention, Self-help, Social support and Networking.

REFERENCES
### CHILD-CENTERED INTERVENTIONS

#### OBJECTIVES

- To develop an understanding of the changing contexts of Children
- To apply the skills in practice with children in various settings
- To develop knowledge about the institutions working for Children

#### COURSE CONTENT

**UNIT 1:** Changing Context of Children: Bio-psychosocial needs of children - Child Development, Stages of Development: Pre-natal Period, Infancy, Toddler, Early Childhood, Middle Childhood, Late Childhood, Early Adolescent; Demographic characteristics, Status of Children some Facts

**UNIT 2:** Children in difficult circumstances, vulnerable children, Children in conflict with laws and contact with laws. Children in need of care and protection: Infanticide; Female Feticide; Street child; Destitute; Abandoned; Orphaned; Sexually abused; Neglected; Violence; Armed conflict; Refugee; Child Marriage; Child Labour; Socially Excluded; Delinquent; Child trafficking; Missing children; Natural calamity affected children; HIV-AIDS affected and infected children; Tribal children; Beggary; Child prostitution; Pornography; Gender discrimination; War victims; Migrant; Alcoholism; Drug abuse; Adolescent pregnancy; Run way children; Others

**UNIT 3:** Well-Being of Children: Physical: Health, Nutrition and Exercise, Social Inclusion, Environment, Security and Protection, Shelter, Water and Sanitation, Planning Spaces and identifying materials for play and joyful learning; Mental: Leisure and Recreation, Love, Care and affection, Parenting, Family and Neighbourhood, Peer Group, Social Networking, Sleep and Rest, Relaxation, Outings

**UNIT 5:** Awareness and advocacy on Services for children: Statutory and Non-statutory services: Central Adoption Resource Agency Reproductive and Child Health Programme, Operation Blackboard; Supportive services: Nutrition Programme for Adolescent Girls (NPAG); Developmental services (for example, non-formal education); Remedial services (for example, residential care, child guidance clinic); Monitoring and Evaluation of children’s Programmes, Skills in advocacy and campaigning for children

CORPORATE SOCIAL RESPONSIBILITY

OBJECTIVES

- To understand the scope and complexity of corporate social responsibility (CSR).
- To gain knowledge on the impact of CSR implementation on corporate culture, particularly as it relates to social issues
- To acquire skills to frame CSR policies and practices appropriate to the Indian workplace

COURSE CONTENT

UNIT 2: Stakeholders and perspectives - interest Groups Related to CSR – Tools of CSR – Business Benefits of CSR

UNIT 5: CSR in India: Legal provisions and specifications on CSR – TCCI (Tata Council for Community Initiatives), Tata Model on CSR – National CSR HUB, TISS Mumbai – Success and failure with CSR initiatives – CSR Awards in India – role of social workers in CSR
REFERENCES

ORGANISATIONAL BEHAVIOUR

OBJECTIVES

- To gain knowledge about organizational behavior
- To understand the functions and activities of organizational behavior
- To acquire skills of working with organized sectors

COURSE CONTENT

UNIT 1: Organizational Behaviour – Meaning, importance, challenges, opportunities, models and contributory behavioural science disciplines. Contributions of Hawthorne studies

UNIT 2: Foundations of Individual behaviour – Physical and intellectual ability, emotional intelligence – Attitudes-job satisfaction, job involvement and organizational commitment – Personality, Perception and decision making. Motivation – Definition and theories- Transactional analysis – Johari window

UNIT 3: Foundation of group behaviour – Group structure, group decision making, team work – Communication - Concept, process, types and effectiveness. Leadership-concept, styles, finding and creating effective leaders – Conflict in organizations-nature, level, sources, effects and resolution strategies

UNIT 4: Functions of organization structure – Organization structure- concept, work specialization, departmentalization, Span of control, Centralization and decentralization. Organizational culture-Definition, types, creating a ethical Organizational culture – Organizational values, Organizational Climate

SOCIAL WORK PRACTICE WITH FAMILIES AND CHILDREN

OBJECTIVES

• To strengthen the professional competence of Social work Practice with families and children
• To gain understanding of type of practice settings working with families and children
• To understand the role of the profession and the stakeholders in the welfare of families and children.

COURSE CONTENT

UNIT 4: Role of the Social Worker while working with children and families: Case worker, Group Facilitator, Community Organizer, Case Manager, Enabler, Reformer, Project Manager, Researcher, Activist, Advocacy and Lobbying, Sensitisation, Campaigning, Social Audits, Trainer, Monitoring and Evaluation, Documentation, Fund Raising, Resource Mobilisation, Policy Planning, Catalyst, Change maker, Role Model, Community Organiser, Coordinator, Enabler, Reformer, Facilitator, Volunteer.

UNIT 5: Stakeholder’s Participation: State, Global Community, NGO’s, Institutions of National Importance, Judiciary, Bureaucrats, Policy Makers, Social Activist, Educational Institutions, PRI’s, Self Help Groups, Community Leaders, Religious Institutions, Gram Panchayats, Police, Health Workers, Grassroot Level workers, Anganwadi Workers, ASHA’s, Donors, Volunteers, Youth, Civil Society Organisation, Community Based Organisations.

REFERENCES
FIELD INSTRUCTION IN SOCIAL WORK

Practical training is a distinct feature and an integral part of social work education. The specific requirements of the fieldwork training will be made available to the trainee social workers. This practical training is given to the students during the two years of study through various programmes such as orientation programme, observation visits, concurrent fieldwork, block placement training, study tour and mini research.

General Objectives of fieldwork

1. To gain an understanding of social realities and problems as they play out in society and the civil society’s response to it.
2. To understand, appreciate and develop ability to critically evaluate the programmes and policies in the developing context.
3. To acquire skills of systematic observation, critical analysis and develop a spirit of inquiry.
4. To learn and implement social work interventions.
5. To develop skills of recording.
6. To imbue values and ethics of social work profession through field practicum.
7. To develop an appreciation of social work intervention in these programmes by recording:
   a) Relevant and factual information about the client system and the problem/concern
   b) The selection of programmes/strategies for solving the problems, and their relevance to the client system and the problem concern or the issue.
   c) The role of the social worker and the relevance of social work intervention for the client, needs and the problem.
   d) The relationship between the micro problems observed and the macro situation, the appropriateness of the organization’s resources and nature of intervention
   e) To integrate theory and practice while recording.
   f) To develop ‘self” as an agent effecting change and transformation in the society.

Field work comprises of the following:

- Social Work skill labs/ workshop
- Observation visits
- Concurrent field work
- Block fieldwork
- Rural camp/study tour

Students are involved in intervention during emergency situations like riots, cyclone and earthquake and specific time-bound, issue-based campaigns (this is as per NAAC Manual for Self-Study of Social Work Institutions, October 2005)

Semester I

Fieldwork in Semester I shall comprise of:
1. Orientation Programme
2. Observation visits
3. Skill labs/workshops for fieldwork supportive
4. Rural Camp

Mandatory Field Orientation

- The I MSW students will be oriented to the social work profession soon after their admission. Duration of the programme shall be of ten days. Attendance in the orientation programme is compulsory. This programme shall comprise of speakers drawn from practitioners, professional social workers from the field and from academia. A student who has missed this orientation programme is not eligible for admission/continuing this course.

- The MSW programme includes concurrent and block fieldwork, rural camp, study tour, extension work as part of the curriculum which is compulsory for all the students. The students have to bear the expenses of the above mentioned field activities.

Observation Visits

Six observation visits for the I MSW students is mandatory. For the I M.S.W. (semester I) agency visits related to all the fields of social work will be conducted.

- Soon after the completion of orientation/observation visits, a student workshop on “Orientation to fields of social work” will be conducted to share the orientation visit experiences and learning.
- Students should submit observation visit report to the concerned faculty supervisor.

Orientation to Social Work theory:

- Theoretical code, norms, ethics and expectations of this teaching-learning opportunity.
- This orientation may be through a large group meeting to share and discuss place of practice learning as an integral part of curriculum.
- Requirements of working like days, hours, agency timings and other such details of practice learning.
- Nature and tasks of initial phase and involvement of learner and instructor.
- Learner’s responsibility towards setting agency and the institution of learning.
- Details regarding records and their submission should be maintained.
- Practice learning instruction: individual conferences—one hour per week, group conferences once a fortnight.

Orientation to social work setting/agency of placement on:

- Nature of setting/agency—its objectives, services, programmes, structure, and general environment.
- Contact person in the setting/agency, management, staff and ongoing activities.
- General introduction setting/agency its programmes and beneficiaries. Information of other similar services.
- Policies supporting the service agency both local, national.
- Learners may make a local directory to include emergency numbers of hospitals/primary health centres, police, ward of panchayat office, and network agencies, along with reference to other developmental and welfare services in the location.

**Skill Labs/Workshops**

The Department faculty members shall decide on appropriate, need based skill labs/workshops for the students. The theme, duration, external experts and budget shall be decided by the faculty members in the Department meeting and executed accordingly.

**Rural Camp**

In the beginning of the semester students should attend 10 days rural camp. Expected learning during rural camp should be with the following aspects:

- Rural camp for 8 to 10 days is compulsory for the I M.S.W. in a village or tribal area
- Micro-planning activity and Participatory Rural Appraisal (PRA) activity shall be the part of social work camp.
- Students should prepare a social work camp report and submit it to their respective faculty supervisor.

**Objectives of the Rural Camp:**

a) Understand the social system with the dynamics within.

b) Analysis of the regional social system, the approaches, and the strategies of intervention used by the government and non-government organisations.

c) Understand the nature of government intervention in relation to various groups (caste, tribe etc.) in the region, and the related structures of decision-making and intervention.

d) Develop the capacity to critique the interventions of both the voluntary organisations and the government agencies in relation to the specific group.

e) Through experience in group-living the student should learn to appreciate its value in terms of self-development, interpersonal relationships, sense of organisation, management and taking on responsibility.

f) Acquire skills in planning, organising, implementing through the camp for example: conscious use of time, communication skills, team spirit, handling relationships, conflicts and differences of opinion, decision making, evaluation, appreciation, sharing of resources, tasks, coping skills in problem situations, cooperation and coordination.

g) Learners are fully involved in planning, implementing the plans and presenting their experience in a workshop on return from the camp.
h) The learners should be encouraged to take on concrete tasks towards meeting basic/civic needs of the people.
i) Learners should integrate classroom learning with their interventions in the rural camp.

**Preliminary Pre-Camp Visit**

For finalizing the rural campsite, a preliminary visit shall be undertaken to villages or other suitable rural areas in and around Puducherry, Karaikal etc. The team visiting shall consist of at least two faculty members and two student representatives of I MSW. The team shall undertake at least one such visit to (i) understand the learning objectives (ii) find out the feasibility of conducting the camp in terms of infrastructure facilities (accommodation, water, toilets, electricity etc), support systems, resources (people and material resources) and scope for effective social work intervention. A convenient vehicle can be hired for this purpose and incidental expenses shall be reimbursed.

**Semester II**

Fieldwork curriculum in Semester II shall consist of:

1. Concurrent fieldwork placement of two days a week
2. Skill labs/workshops as fieldwork supportive

The Placement of students during Semester II should be purely in community setting. The guidelines for fieldwork practice are as follows:

<table>
<thead>
<tr>
<th>OBJECTIVES</th>
<th>TASKS</th>
</tr>
</thead>
<tbody>
<tr>
<td>To understand the agency, its philosophy and goals.</td>
<td>To prepare a complete document on the agency, covering specific details on - The agency profile - Its objectives - Area of work - Administrative hierarchy - Staffing pattern - Funding pattern - National / International networking pattern - Activities implementation strategy - Monitoring / Evaluation pattern</td>
</tr>
<tr>
<td>To analyze the agency’s structure, functioning and its networking strategies at the international and national level.</td>
<td></td>
</tr>
</tbody>
</table>

To identify the agency’s geographical areas of intervention.
To draw up a community profile
To analyse the problems of communities through “Need Based Assessment Strategies”

<table>

SEMESTER III

The second year MSW field work is related to the chosen fields of specialization of the students. The field work will fulfill the following objectives:

1. To be exposed to social realities related to the fields of specialization
2. To develop a critical understanding of the needs of people and their concerns in their field work setting
3. To understand and critique structural and systemic factors that influence service users
4. To undertake social work interventions in the field of specialization
5. To imbue ethics and values of the Social Work profession in their fields of specialization.

The guidelines for fieldwork practice, specialization wise, are as follows:

FIELD WORK GUIDELINES ACCORDING TO SPECIALIZATIONS

SPECIALIZATION I – HUMAN RESOURCE MANAGEMENT

1. History and administrative set up of the organization
2. Plant visit
3. Time office activities
4. Statutory and non statutory welfare benefits
5. Procedures relating to PF, ESI and labour welfare fund
6. Procedures relating to gratuity, compensation, insurances etc.,
7. Employee problems (absenteeism, indebtedness, labour turnover etc.,)
8. Maintenance of different registers and records in the HR/Personnel Department
9. Provisions relating to safety, accident prevention, leave holidays, hours of work
10. Trade union activities
11. Standing orders of the organization
12. Industrial disputes (strikes, lock out, layoff, retrenchment, closure, termination etc)
13. Dispute solving machinery (mediation, arbitration, conciliation and adjudication)
14. Grievance handling procedure
15. Disciplinary Procedure of the organization
16. Various settlements (wage, work load, bonus)
17. Activities of different committees (canteen, works etc)
18. Human resource planning, recruitment and selection process, induction and orientation

19. Training and development programmes of the organization

20. Promotion and transfer, VRS option, separations

21. Performance management, career planning and development

22. Compensation management (wage and salary administration)

23. Organizational intervention programmes

24. TQM and ISO certification

25. HR policies and corporate social responsibility

26. Role of HR managers

27. Employee counseling

28. Presence and development of special groups in the organization – women, disabled etc

29. Documenting good practices of the agency

30. HR audit – types and process

31. Role of social worker in the workplace

**SPECIALIZATION II – MEDICAL AND PSYCHIATRIC SOCIAL WORK**

1. Understand the agency- its functions, activities, services rendered.

2. Gain knowledge in subjects pertaining to physical and mental illnesses.

3. Applying social work theories, knowledge and skills/techniques in the field placement.

4. Get acquainted with the intervention strategies available to cater the needs of the clients.

5. Gain an understanding of the allied services offered to the clients and their families.

6. Understand and work in multi-disciplinary teams

7. Work in community health settings

8. Get oriented to the legislations pertaining to the field of Practice of Case Work (minimum of five cases) - actively involved in history taking, home visits, assessment, intervention, referrals and follow up activities.
9. Practice of Group Work
10. Practice of community organization.
11. Practice of Social Welfare Administration—gain knowledge about the administrative responsibilities of social work professionals in your organization.
12. Practice of Social Work Research—undertake a mini project pertaining to your area of work
13. Practice of Social Action whenever required.
14. Collaborate with the agency personnel in building public relations.

**SPECIALIZATION III – COMMUNITY DEVELOPMENT**

1. History and administrative set up of the organization
2. Project area visit
3. Project activities
4. Discuss interests, goals, and potential fieldwork placements
5. Practicing the community organization method
6. Project formulation
7. Project Execution, monitoring and evaluation
8. Rapport with the target group
9. HR practices in human service organization

20. To learn to practice ethics and values of Social Work in field settings
21. To develop skills in liasoning with other stakeholders and seek their participation towards family and child well-being
BLOCK PLACEMENT TRAINING (BPT)

BPT is arranged at the end of third semester. This is of twenty five days duration including travelling. The block placement gives an opportunity for the students to develop professional preparedness for job situations. It is also an opportunity for them to build their career. Professional behavior and skills are developed during the block placement. Industries, hospitals, agencies and movement settings have to be given priority in block placement. The purpose of the block placement is to give the students professional internship cum pre-employment experience.

Objectives:

- To understand the role of the agency in addressing current social realities.
- To gain an experience of working as a trained social worker in an agency for a continuous period of time.
- To acquire and consolidate skills relevant to the profession
- To consolidate the learnings over the semesters through the process of continuous engagement in the field of specialization.
- To foster an appropriate attitude and professional development at work.

Rules and Regulations:

On joining the placement agency, the students are expected to work out details of assignments in consultation with the agency supervisor and should forward the same to the Department within seven days of reporting to the agency.

During the block placement, the students are required to submit fortnightly reports date-wise and also in detail of the work done. The first fortnightly report should be sent to the faculty supervisor and second fortnightly report should be brought by the students at the time of joining date, and submit it on the same date to the college. The reports should be signed by the student and countersigned by the agency supervisor.

A student has to join the block placement agency on the specified date and time decided by the Department.

All the expenses in connection with block placement shall be entirely borne by the student.

On the conclusion of the block placement, the agency supervisor will send an evaluation report about the learning and performance of the student to the Department in the prescribed form which is sent to the agency by the Department.

ROLE OF FIELDWORK SUPERVISORS (FACULTY MEMBERS):

Role of fieldwork supervisors include the following: (this is as per NAAC Manual for Self-Study of Social Work Institutions, October 2005)

- Hold individual conferences of at least 30 minutes’ duration per student, per week.
Check students’ recordings on a weekly basis, make written comments on them and discuss the same in the individual conferences.

Hold at least one group conference in a month wherein each student is given the opportunity to make at least one presentation in a year.

Make regular visits to the fieldwork settings for discussion of the students’ plans and progress.

Faculty fieldwork supervisors are actively involved in the fieldwork setting.

Field supervisors are reimbursed commuting expenses to fieldwork agencies

Written/audio/video recordings of students’ fieldwork are used for classroom teaching.

**Semester IV:**

Activities need to be carried out during semester IV should be in accordance with semester III. The students’ professional development has to be sharpened during this semester.

**STUDY TOUR**

Study tour need to be arranged during the third / fourth semester. The purpose of study tour is to expose the students to a wide range of organizations across specializations in different parts of the country. This enables them to acquire information about new strategies and trends practiced in various organizations in relation to different issues. Study tour also aims at providing information about employment opportunities and conditions in various places. A theme will be identified by students and faculty and relevant organizations and location will be chosen by the faculty and students. It is arranged and planned by the students with support from the faculty members. The tour can be completed within/outside the state. Students should prepare educational tour report and submit to the faculty supervisor within a week of return from the tour. The presentation and study tour viva-voce are conducted for the assessment of students. The following are important aspects of the study tour:

- Duration is 8 to 10 days and is compulsory for the II M.S.W. (semester III/IV)
- The study tour shall be planned in urban areas
- Visits to organizations appropriate to specializations offered by the Department in the academic year

**EVALUATION:**

External examiners (both from the academia as well as practitioners from the field) should be the members of the viva-voce board along with the internal examiners. Agency supervisor’s suggestions need to be used for fieldwork evaluation process.

Self evaluation is compulsory before final fieldwork evaluation. Students are expected to make their own assessment and their expected percentage of marks. In the second step of evaluation supervisor shall make detail assessment and award marks/grades. Field work viva-voce should be conducted at the end of semester in presence of external expert academician / practitioner of the respective specialization. Given below are the criteria for fieldwork evaluation:

*Plan of action shall be presented by the fieldwork student on completion of five visits to the fieldwork agency. It may be done as a classroom presentation or to the faculty supervisor in the individual conferences

# Each student shall take up a mini project or organize a programme or prepare a concept paper based on his fieldwork placement and interest

FIELDWORK RULES AND REGULATIONS

Concurrent Fieldwork is the core curricular activity of the M.S.W. course. Hence, 100% attendance of the student is mandatory. In case of absenteeism on any count, additional fieldwork needs to be planned and scheduled. Work hours should be completed.

Working days: A student has to work on two days a week for concurrent fieldwork. The students shall be in their respective agencies every Wednesday and Thursday for 7.5 hours per fieldwork day. Every week 15 hours of concurrent fieldwork (7.5 hours + 7.5 hours) on the said two days is mandatory. Compensation of fieldwork is admissible only on the grounds of prolonged illness/disability/reasonable cause, as decided by the members of the faculty in a department meeting.

Work Hours: Total work hours of concurrent fieldwork 15x15=225 hours in a semester. These work hours should be completed in about 28 to 32 visits. Work hours of 225 are mandatory for the assessment. In calculating the fieldwork hours the time spent by students in
writing the fieldwork reports may also be taken into consideration. However time spent on travelling will not be included in the total time spent in the field.

The University’s academic calendar shall be communicated to the fieldwork agency well in advance. If the fieldwork agency is working on a holiday declared by the University, the students shall follow the agency schedule. The list of holidays, working hours of the fieldwork agency has to be followed strictly by the students on fieldwork days.

During I M.S.W. (Semester II) 100% work hours should be completed in the community setting (rural & urban). In case agency work is in community setting 100% work hours may be completed in the agency itself. Ultimately institutional/agency and community setting experiences are mandatory for students.

Fieldwork records: Students should document their fieldwork recording in fieldwork diary and fieldwork journal separately. Time, tasks and work hours should be maintained in the diary. Detailed work record should be given in journal. Separate special reports based on fieldwork experiences and activities of students may be generated.

Fieldwork conference: Fieldwork conference should be the part of time-table. Faculty needs to conduct fieldwork conference every week for all the students (Individual conferences – half an hour per week, group conferences once a month). Faculty needs to maintain fieldwork conference report and concurrent fieldwork attendance report of each trainee student separately.

**Code of Conduct:**

A student should be regular and punctual in fieldwork, attendance in fieldwork is compulsory.

No student should use alcohol, drugs, tobacco etc. in the fieldwork agency.

Students should behave in the agency in a way that will bring honour, dignity and credit to the Department.

The students should wear formal dresses in the agency.

No courtesy visits to other agencies are permitted.

Students should be punctual in submitting their fieldwork journal to their respective fieldwork supervisor.

Students shall be punctual and regular for individual and group fieldwork conferences.

**Rules, Regulations and syllabi of Fieldwork curriculum for all specializations:**

Three orientation visits to be arranged according to the specializations offered to the students.

Group of students should not exceed two, maximum three per agency.
Care should be taken that students are placed in an agency throughout the semester and the placement considers interest of the students.

Students shall make a thorough study on issue which they are dealing in the field. All the documents related to issue should be compiled and documented.

Students are expected to learn primary social work intervention method, during the placement, irrespective of their specialization.
