About the University
A central university, established through an Act of Parliament in 1985. The campus is covered over 780 acres of land with lush green tropical vegetation and its entire campus is Wi-Fi enabled. It has about 5000 students representing 33 states of the country and abroad and over 450 highly qualified faculty members from across the country. It has the state of the art library with remote access to over 31000 digital information resource through a dedicated library portal. Pondicherry University was the first university to adopt the CBCS and Semester system which easily facilitates the mobility of the students with credit transfer both in India and abroad. The university is growing with a cardinal principle of expansion with excellence and equity remains connected globally. More than 27 MOUs have been signed with National institutions and International universities for exchange of faculty and students.

About the Department
The Department of Management Studies (DMS) bears the sole pride of establishing the first management program in Pondicherry. Since its inception in 1986 it has been catering to the needs of aspiring management and research students with highly competent team of faculty members. DMS serves as a boon to the ardent students who have the striving thrust to learn and practice management. DMS functions as University department with unique importance. The department has been rated high by rating agencies such as NAAC, Star News, Indian Express, CSR-GHRD etc.

About the Conference
Businesses are facing the challenge of how to respond to the ever changing competitive business environment. Accordingly, many companies are forced to look beyond their traditional measures of performance such as company’s core capabilities and the structure of the industry in which the company competes. The success in the current global business environment is significantly affected by the external factors and the management of the companies or business enterprises is forced to gain a deeper understanding of the external forces and trends that affect the business operations. In this context 3i’s viz., Intelligence (Business intelligence), Innovation and Inclusion has become the buzz word and plays a vital role for an organization’s success and sustained growth.

Call for Papers
Original unpublished papers are invited from researchers, academicians and practitioners to be presented in the 3i conference. The papers will be selected after plagiarism check (15%) using Turnitin. The abstract and full paper will undergo double blind Review Process by the Expert Reviewers committee before selection. The selected papers will be published in the edited volume with an ISBN Number. Exceptional papers will be published in reputed journals with ISSN Number at extra cost subject to the publishers.
