# PONDICHERRY UNIVERSITY DEPARTMENT OF ELECTRONIC MEDIA AND MASS COMMUNICATION Weekly Enrichment Lecture

# **Pitching Proposals for Documentary Film Funding**

Friday, 19th August 2022 from 3.30 - 5.30 pm

Venue: The Department of Electronic Media and Mass Communication, Silver Jubilee Campus

Public lecture open to all in Puducherry and Tamil Nadu. All are welcome.

As a part of the co-curricular activities organised by the department for its students, this enrichment lecture will be delivered by Anchal and is open to the public. A budding documentary filmmaker and a fact-checker journalist of digital portals, she is a freelance filmmaker who has found ways to treat her films in such a way as to attract funders. Her first independent film includes a documentary on human trafficking that covers the trafficking of labour from Rajasthan to Gujarat. Currently, she is working on another independent film about the education system in the red-corridor region. She is also working on documentaries on Matrimandir in Auroville.

She will screen the film "Freed from Enslavement" (30 min duration) and fundraising videos of her current project (8 min and 2 min duration).

The lecture will be followed with an interactive Q&A session.

For more information regarding our upcoming weekly enrichment lectures, contact: Dr. Radhika Khanna, Head i/c, Department of Electronic Media and Mass Communication, Pondicherry University email: office.demmc@pondiuni.ac.in phone: 0413-2654680

# Quiz: Cosmic Conundrum

# 22<sup>nd</sup> August 2024 @5:30 p.m Venue: Raman Seminar Hall, Department of Physics

"Cosmic Conundrum" is a thrilling quiz that challenges your knowledge of all things 'Space'. From questions about planets, stars, black holes to scientists and space movies, tackle the various rounds to become the 'Space masters' and win exciting prizes. Whether you're a budding astronomer or just fascinated by the cosmos, you are sure to have fun while exploring the wonders that lie beyond our world with your team.

1) The quiz is conducted by the Astronomy Club of Pondicherry University (ACPU), as a part of Space day events.

2) The quiz is open to all.

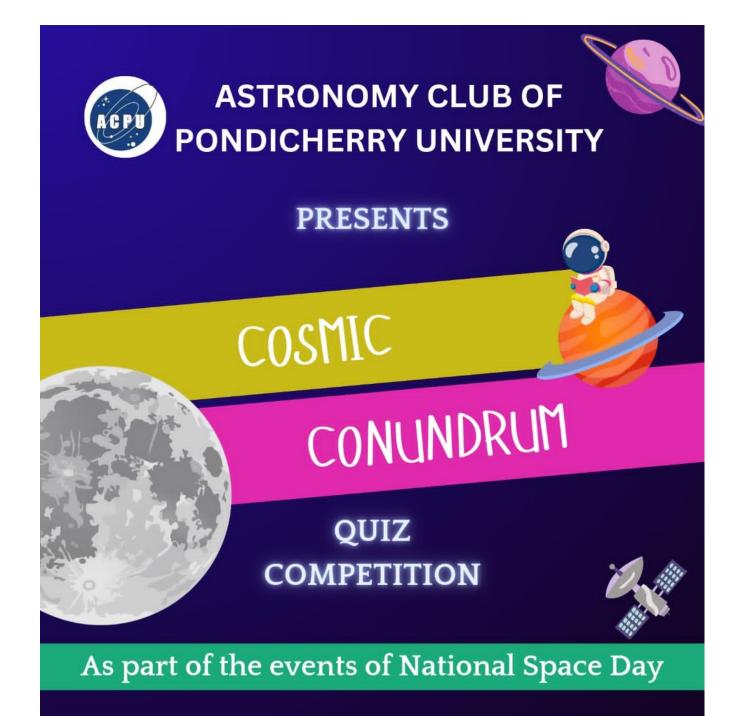

Kindly register yourself in teams of three.

However, in the case that you cannot find your squad, please do register individually - We will find a team for you.

Are you ready to crack the Cosmic Conundrum?

# Mr MAHENDAR PAL SINGH

Head R&QA Mechanical Integration & Testing at UR Rao Satellite Centre, ISRO Bengaluru, Karnataka, India

Title of the online talk:

# Indian Space Missions and Opportunities for Students & Entrepreneurs

# (Venue: Sir C V Raman Seminar Hall, Department of Physics on 23<sup>rd</sup>Aug24@4:30p.m)

### Brief Biodata about the Speaker:

Mahendar Pal Singh, is a distinguished Senior Space Scientist, a true pioneer in the field of space science and engineering. With a remarkable career spanning over three decades. Born in 1965 in Karanpur, Uttarakhand, Mr. Singh pursued his primary and secondary education in his village before becoming a Mechanical Engineer.

Mr. Singh joined the Indian Space Research Organisation (ISRO) in 1985 and has since been an integral part of numerous prestigious missions, including Chandrayaan-1, Chandrayaan-2, Chandrayaan-3, Mars Orbiter Mission (Mangalyaan), and Aditya-L1.

A recipient of two Gold Medals for his technical papers presented at the Indian Engineering Congress, Mr. Singh has also received the ISRO Team Excellence Award and an Appreciation Certificate for his contributions to the Mars Orbiter Mission.

# Mr R Shashi Shekar R

Group Director (Rtd) Bi-propellant and Propellant Management Group (BPMG) ISRO, Bengaluru, INDIA

# Title of the Talk

# "Rocketry & Spacecraft - operation, application and Challenges". (Venue: Earth Science Seminar Hall, on 26<sup>th</sup> Aug24@5:00p.m)

### About the Talk

I am a propulsion scientist, more on propulsion and mission operations are being discussed which directly connects the physics faculty. Discussion is on general purpose technology related to the above subject and doesn't call for any equation or problem solving. Things which are not found in the text book are discussed through pictures and video

### Biodata about the Speaker:

**Shashi Shekar R** graduated in Mechanical Engineering from Mysore University (NIE) with distinction in the year 1983. Obtained his Master's degree in Heat Power Engineering from Karnataka Regional Engineering College (present NIT).

Held various positions in ISRO since 1986. To mention a few are,

- 1. Project engineer at SDSC, SHAR between 1986-2001
- 2. Manager, Satellite operations at MCF, Hassan between 1992-2001
- 3. **Deputy Divisional Head**, Bi-propellant Systems Division at LPSC, Bengaluru between 2001-2005
- 4. **Divisional Head**, Bi-propellant Systems Division at LPSC, Bengaluru between 2005-2012
- 5. **Divisional Head**, Propellant Management Systems Division in addition to Bi-propellant Systems Division at LPSC, Bengaluru between 2012-2015
- 6. **Group Head**, Bi-propellant and Propellant Management Group(BPMG) between 2015-2017
- 7. **Group Director**, Bi-propellant and Propellant Management Group(BPMG) from 2017-2021(superannuated in 2021)

As **Project manager** of propulsion system, responsible for realization and delivery of the propulsion system for GSAT-2 satellite.

He was assigned the responsibility of **Deputy Project Director** (Propulsion) of major projects and was responsible for realization, integration, testing and delivery of propulsion systems to ISRO's successful missions like INSAT-4A, GSAT-6 and India's very own **Mars Orbiter Mission (MOM)**. Demonstrated successfully propulsion system capability **to reach Mars in a novel way**. Also, designated as **Deputy Project Director (Propulsion)** for India's very own **Human Space Program** 

Holds a unique distinction of taking part in all the ISRO satellite missions of Bi-propellant systems including Chandrayaan-1, Satellite Recovery Experiment and Mars Orbiter Mission (more than 50 Bi-propellant missions)

Recipient of the prestigious ISRO Team Excellence award for the year 2014-15
