MINUTES OF THE MEETING OF THE PRELIMINARY ALUMNI MEETING HELD ON 11.05.2024 AT 3:00 PM IN THE EXECUTIVE HALL, Dr. B.R. AMBEDKAR ADMINISTRATIVE BUILDING, PONDICHERRY UNIVERSITY.

Members Present:

University Officials : The Vice Chancellor (i/c)
The Director (Culture & Cultural Relations)
The Registrar (i/c)
The Finance Officer (i/c)
The Chairperson & members of Alumni Drive Committee

Alumni Members : **Online: 20 Members; Offline: 14 Members**

The Alumni Drive Committee constituted by IQAC initiated the Pondicherry University Alumni association preliminary meeting on 11.05.2024.

The Chairman of the Alumni Drive Committee welcomed the gathering and commenced the meeting. Dr. R. Vishnu Vardhan, Deputy Coordinator, IQAC briefed about the scope of having alumni association and the purpose of the meeting.

Prof. K.Tharanikkarasu, Vice-Chancellor (i/c), Pondicherry University delivered the Presidential address in which he highlighted the significance of alumni contribution towards the institution and indicated that the Alumni Meet can be organized on the Foundation Day of Pondicherry University and appreciated the committee members.

Prof. Clement S Lourdes, Director (Culture & Cultural Relations) shared his nostalgic experiences in Pondicherry University as alumnus and stressed upon the mutual cooperation among the members to strengthen the Alumni association and its activities.

Prof. Rajneesh Bhutani, Registrar (i/c) felicitated the alumni drive committee for taking up the initiative for the growth of the institution. Prof. D. Lazar, Finance Officer (i/c) mentioned that social media and technology leverage can be key factor in disseminating the information and pooling the alumni together. Mr. Vijaya Kumar, Librarian and Prof. Y. Venkata Rao, Dean, Students' Welfare were present among the gathering.

The Alumni Drive Committee proposed the name of Alumni Association as **"PONDICHERRY UNIVERSITY ALUMNI VIRUKSHAM (PUAV)"** and the same was resolved to approve and to register in the same name.

The Alumni Drive Committee encouraged the alumni to volunteer and nominate the final official role of Alumni Office Bearers like President, Vice President, Secretary, Joint Secretary, Treasurer and few Executive members as Office Bearers. Accordingly, with the consent of members the elected body of the office bearers is constituted.

President : Prof. Clement S Lourdes
Vice-President : Mr. Amritanshu Shekhar
Secretary : Dr. N. Vijayakumar
Joint Secretary : Dr. Arularasi
Treasurer : Dr. Vadivelu Arjunan
Executive Members :

1. Dr. Gurjeet Kaur
2. Dr. Velmurugan
3. Dr. Enoch Rayappan
4. Ms. Uttaradevi
5. Dr. Nidheesh
6. Dr. A. Saravanan
7. Dr. Sukhvinder Singh

The designated officer bearers expressed their ideas to take up the PUAV for registration & Bylaws and to take it to a greater heights in terms of membership drive, fund mobilization etc., at the earliest. The members are appealed to take up initiatives of registration with both letter and spirit at the earliest and make the PUAV to sustain & grow longer and deeper.

The elected office bearers can convene the full-fledged meeting in a month's time so as to gear up the actions of PUAV.

The Alumni Drive Committee felicitated and greeted the elected office bearers. The meeting came to an end by Vote of Thanks by Dr. Kamalaveni.

Department	Department of Computer Science

School	School of Engineering and Technology														
Title of the event	Footprints ’24 – Alumni Meet														
Venue	Auditorium, Cultural-cum-Convention Centre, Pondicherry University														
Duration	26/01/2024 (no of days: 1)									No of Participants: 197 National: 170 International: 27					
Main SDG and goal-specific target	Alumni-sponsored projects, student-alumni interactions and general body meetings can all play a significant role in advancing sustainable development by promoting education, fostering partnerships, empowering communities and addressing social and economic inequalities.														
Other SDGs complemented (Pls ✓)	1	2	3	4 ✓	5	6	7	8 ✓	9 ✓	10	11	12	13	14	15
Objective/ theme of the event (Max 30 words only)	Help the department in its pursuit for academic excellence. To guide and assist alumni who have recently completed their courses to obtain employment and engage in productive pursuits useful to society. To organize reunion activities of the Alumni.														
About the activity and its relevance to Sustainable Development Goals	Alumni-sponsored projects can support education initiatives by providing resources, mentorship, and opportunities for students to gain practical experience. This can enhance the quality of education and promote lifelong learning. Interactions between students and alumni provide valuable learning opportunities outside the classroom. Alumni can share their experiences, insights, and knowledge, contributing to the holistic development of students. General body meetings serve as platforms for alumni to come together, exchange ideas and collaborate on initiatives aligned with sustainable development. By fostering partnerships and collective action, alumni can contribute to achieving various activities.														
Report / Outcome (Bullets – Max 5 sentences) of the event	1. Enhanced alumni engagement and community cohesion within the department, fueled by the generous financial contributions of alumni towards vital departmental needs such as scholarships, student support services, and infrastructure enhancements. 2. Enhanced networking opportunities for alumni, current students, faculty, and staff. 3. Increased awareness of the department's achievements, programs, and research initiatives among alumni. 4. Facilitated mentorship and career development opportunities for students through alumni interactions. 5. Explored avenues for collaboration and partnership between alumni, industry stakeholders, and the university for mutual benefit and advancement.

First ERASMUS alumni meet in Pondicherry University

The Department of Management Studies (DMS), Pondicherry University has an active Memorandum of Understanding (MoU) with Koblenz University of Applied Sciences (RheinAhr Campus), Germany since 2020. This has so far supported 21 MBA students to do a semester abroad with an Erasmus scholarship from the European Union, covering all their expenses, including flights. During their exchange semesters in Germany, these students participated in GreenErasmus projects to promote sustainable and environmentally responsible businesses, completed internships in very international teams and even went on study tours to other European countries. Prof Laurence Borgmann, Director of International Affairs at Koblenz University of Applied Sciences, Germany had visited Pondicherry University from January to March 2024 to deliver special lectures on intercultural communication and also to promote '*Study in Germany*' opportunities through this MOU.

The 'Returnees' who had benefitted from the Erasmus-funded 'semester abroad' opportunity met in DMS, Pondicherry University on February 24, 2024 for the first-ever Erasmus alumni meet. It turned out to be a

memorable homecoming for the alumni who spoke about how their semester abroad had prepared them for their current professional challenges and how it had opened up unique career opportunities to work with international teams. Learning to be independent, letting go of inhibitions, training to be decisive, adding new skills to their skill set, experiencing the German way of life and traveling around Europe were highlighted as key takeaways and memorable moments from the exchange semesters.

Speaking on the occasion, Prof Borgmann urged the alumni not to 'rest on their laurels' but to continue their personal internationalization journey which started during their semester abroad in Germany. He expressed immense satisfaction with this 'privileged partnership' with Pondicherry University that has sent the maximum number of exchange students to his German university till date. He also unveiled a "Roll of honour" board listing the names of all the 42 exchange students during 2019-2024 from DMS, Pondicherry University to international partner universities such as University of East Paris – France, Koblenz University of Applied Sciences – Germany and School of Management Fribourg, Switzerland.

After listening to the heart-warming success stories of the alumni, Prof Kasilingam, Head, Department of Management Studies thanked Prof Borgmann for the opportunity extended to the students and pointed out how their experience at his university has demonstrably enriched their personalities and career prospects. Prof Victor Anandkumar, the MOU Coordinator attributed the success of this Indo-German student exchange to the robust selection process to identify the right candidates who would benefit the most from this fully-funded international opportunity. He also mentioned that in a next step, the German partner university proposes a double-degree undergraduate program in the near future. Internationalization is a key thrust area for DMS, Pondicherry University and this Indo-German partnership has contributed to expanding the global footprint of Pondicherry University and to providing students with a fully-funded semester abroad opportunity in Germany.

Dear Alumni, Greetings!

Department of Banking Technology is happy to inform its valuable Alumni the Department organizes **"SANGAMAM 2023",** the Annual Alumni Meet on **28.01.2023.** Alumni meet is considered to be an important event for the development of Department as it effectively conneacts the Academic Institutions with Industry which will enhance the relationship with industry and bring the rich experiences of the Industry back to the alma matter. In the past, the junior students have immensely benefited from your interaction, experience sharing, and industry leads. The Department proudly shares with the alumni that it has floated another flagship programme namely MBA – Financial Technology from the Academic year 2020-2021 onwards.

Hence, the Department cordially invites all the Alumni to grace the function on 28.01.2023 (Saturday) in large number and help the Department in its endeavour in creating sucessful industry leaders.

Look forward to meeting you all on 28.01.2023.

E-CIRCULAR

To

All Deans/Heads of Department/Centre/Chair/Heads of Administrative Sections.
Pondicherry University.

In order to enhance our University's standing in the NAAC, NIRF, QS World University, QS Sustainability, QS Asian, Times Higher Education World University/Impact Rankings and AQAR to enrich the content of our Annual Report, we are in need of information concerning alumni support and their connection with the University.

To facilitate this, we kindly request all academic Departments and Centres, as well as administrative Sections and Wings, to provide details on alumni relations for the period from January 1, 2022, to June 30, 2023, categorized under the following headings:

Sl.No	Alumni University Interface	Details of Alumni and their contribution
1.	Inclusion as an Expert in the Board of Studies /Projects/Dissertations	
2.	Support in Placement & Internships	
3.	Catalysing University's Relationship with Diverse Stakeholders/ External Actors (National/International)	
4.	Industry-Institution Alumni Interface	
5.	Financial Support from Alumni	
6.	Administrative Support from Alumni	
7.	MoU or MoA or Others with Alumni based organization	
8.	Social Media Connect	
9.	Notable Alumni	
10.	Alumni as Resource Person	
11.	Alumni as Field Expert	
12.	In-kind Contribution from Alumni	
13.	Department/ Centre/ Wing specific purpose related to Alumni	
14.	Alumni addressing Climate Change Adaptation	
15.	Innovations of Alumni	
16.	Alumni involved in Public (Govt.) and Third Sector (NGO & Charities)	

Kindly provide your feedback in a Google Form (https://forms.gle/GyVerj2HmJxDJ8Dc6) to IQAC on or before 30.09.2023 to improve alumni connections and relations.

Yours faithfully,

(K. THARANIKKARASU)

First ERASMUS alumni meet in Pondicherry University

The Department of Management Studies (DMS), Pondicherry University has an active Memorandum of Understanding (MoU) with Koblenz University of Applied Sciences (RheinAhr Campus), Germany since 2020. This has so far supported 21 MBA students to do a semester abroad with an Erasmus scholarship from the European Union, covering all their expenses, including flights. During their exchange semesters in Germany, these students participated in GreenErasmus projects to promote sustainable and environmentally responsible businesses, completed internships in very international teams and even went on study tours to other European countries. Prof Laurence Borgmann, Director of International Affairs at Koblenz University of Applied Sciences, Germany had visited Pondicherry University from January to March 2024 to deliver special lectures on intercultural communication and also to promote '*Study in Germany*' opportunities through this MOU.

The 'Returnees' who had benefitted from the Erasmus-funded 'semester abroad' opportunity met in DMS, Pondicherry University on February 24, 2024 for the first-ever Erasmus alumni meet. It turned out to be a

memorable homecoming for the alumni who spoke about how their semester abroad had prepared them for their current professional challenges and how it had opened up unique career opportunities to work with international teams. Learning to be independent, letting go of inhibitions, training to be decisive, adding new skills to their skill set, experiencing the German way of life and traveling around Europe were highlighted as key takeaways and memorable moments from the exchange semesters.

Speaking on the occasion, Prof Borgmann urged the alumni not to 'rest on their laurels' but to continue their personal internationalization journey which started during their semester abroad in Germany. He expressed immense satisfaction with this 'privileged partnership' with Pondicherry University that has sent the maximum number of exchange students to his German university till date. He also unveiled a "Roll of honour" board listing the names of all the 42 exchange students during 2019-2024 from DMS, Pondicherry University to international partner universities such as University of East Paris – France, Koblenz University of Applied Sciences – Germany and School of Management Fribourg, Switzerland.

After listening to the heart-warming success stories of the alumni, Prof Kasilingam, Head, Department of Management Studies thanked Prof Borgmann for the opportunity extended to the students and pointed out how their experience at his university has demonstrably enriched their personalities and career prospects. Prof Victor Anandkumar, the MOU Coordinator attributed the success of this Indo-German student exchange to the robust selection process to identify the right candidates who would benefit the most from this fully-funded international opportunity. He also mentioned that in a next step, the German partner university proposes a double-degree undergraduate program in the near future. Internationalization is a key thrust area for DMS, Pondicherry University and this Indo-German partnership has contributed to expanding the global footprint of Pondicherry University and to providing students with a fully-funded semester abroad opportunity in Germany.
