

TECHNICAL FEST/ACADEMIC FESTS

National science day celebration, 2023 Organized by the Department of Biochemistry, Pondicherry University Community college

The Department of Biochemistry, Pondicherry University Community College organized a two day “National Science Day celebration”

Intercollegiate competitions viz. oral presentation and quiz were held. Dr. Madhu Dyavaiah, Associate Professor of Department of Biochemistry and Molecular biology, Pondicherry University was the Judge-cum-moderator for the oral presentation. Around 35 students from various colleges at Pondicherry viz. Achariya Arts & Science College, Sri Manakula Vinayagar Arts & Science College, Indira Gandhi College of Arts & Science, Idhya College of Arts & Science and Pucc students actively participated in the competitions. In the oral presentation, K. Sangeetha, III B.Sc., Biochemistry of Pucc won first prize, Indira Gandhi College and Idhya College students won second and third prizes respectively. In the quiz competition, Sri Manakula Vinayagar Arts & Science College students won first prize, Idhya College and I B.Sc., Biochemistry of Pucc won second and third prizes respectively.

The National science day started with the University Anthem followed by a Welcome Address by Dr. M. Tharahaswari Assistant Professor of Department of Biochemistry. The Presidential address was delivered by Prof. Lalitha Ramakrishnan, Principal (i/c) of this college. The resource persons Dr. P. Kalaiselvi, Professor and Head, Department of Medical Biochemistry, Dr ALM PG Institute of Basic Medical Sciences, Taramani campus and Dr.S.Sudharani, Professor, Department of Biochemistry and Molecular Biology, Pondicherry University delivered inspiring invited talks. In the valedictory function, III B.Sc., Biochemistry students performed a mime followed by prize distribution to the prize winners and the participants. Dr. D. Varalakshmi, Assistant Professor, Department of Biochemistry, Pucc rendered vote of thanks. The program ended with National anthem.

DAY 1

Intercollegiate Competitions

Judge cum Moderator : **Dr. Madhu Dyavaiah**
 Associate professor
 Department of Biochemistry and Molecular biology
 Pondicherry University

10.00 am : Oral Presentation (2 Students/college)

12.15 pm : Quiz (3 Students/team/College)

DAY 2

Inauguration **10.30 am**

Welcome address : **Dr. M. Tharاهشwari**
 Assistant Professor, HOD (i/c)

Presidential address : **Prof. Lalitha Ramakrishnan**
 Principal (i/c), PUCC

Session I **11.00 am Virtual mode**
<http://meet.google.com/shw-szjt-ndh>

Resource person : **Dr. P. Kalaiselvi M.Sc., Ph.D.**
 Professor and Head
 Department of Biochemistry
 Dr.ALM PG Institute of Basic Medical science, Chennai.
Topic : "Budding Biochemists as the Pillars of Science"

Session II **2.00 pm**

Resource person : **Dr. S. Sudharani**
 Professor
 Department of Biochemistry and Molecular biology
 Pondicherry University
Topic: "Evolution of Vaccines - From Jenner to Genetic Engineering"

Valediction **3.30 pm**

Mime

Prize Distribution

Vote of thanks : **Dr. D. Varalakshmi**
 Assistant Professor

AKANKSHA'23 – Invitation & Schedule – Department of Tourism Studies

Department	TOURISM STUDIES																
School	MANAGEMENT																
Title of the event	Akanksha' 24																
Venue	SCHOOL OF MANAGEMENT AUDITORIUM																
Duration	From ...March 8..... to March 8..... (no of days.....)										No of Participants: National 25...../ International:.....8.....						
Main SDG and goal-specific target																	
Other SDGs complemented (Pls ✓)	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17
	✓	✓	✓	✓	✓	✓	✓	✓	✓	✓	✓	✓	✓	✓	✓	✓	✓
Objective/ theme of the event (Max 30 words only)	SKILL SETS DEVELOPMENT FOR TOURISM INDUSTRY LEADERS AND LABOUR FORCE DISCUSSED IN THE INSTITUTE INDUSTRY INTERFACE EVENT																
About the activity and its relevance to Sustainable Development Goals	<p>The collaboration between the Department of Tourism Studies at Pondicherry University, Vidzeme Institute in Latvia, and the Bureau of Indian Standards (BIS) for the Akanksha event is highly relevant to several Sustainable Development Goals (SDGs). Firstly, it contributes to SDG 8 (Decent Work and Economic Growth) by focusing on skill development for the tourism industry, which enhances employment opportunities and economic growth. Secondly, by emphasizing women's participation in tourism entrepreneurship and discussing gender-related challenges in the industry, the event aligns with SDG 5 (Gender Equality). Thirdly, discussions on sustainable tourism marketing and the importance of setting standards for adventure and nature-based tourism support SDG 12 (Responsible Consumption and Production) by promoting sustainable practices within the tourism sector. Overall, the Akanksha event serves as a platform for advancing sustainable development in the tourism industry by addressing key issues and fostering collaboration among stakeholders</p>																
Report / Outcome (Bullets – Max 5 sentences) of the event	<ul style="list-style-type: none"> • Skill Development: The Akanksha event prioritized skill development for the tourism industry, addressing the need for digital, technical, and entrepreneurial skills among tourism leaders and labor force. • Industry-Academia Collaboration: The collaboration between Pondicherry University, Vidzeme Institute, and BIS facilitated meaningful exchanges between industry practitioners, experts, and students, fostering a bridge between theoretical knowledge and practical industry requirements. • Women Empowerment Focus: Discussions on International Women's Day highlighted the role of women in tourism entrepreneurship, shedding light on challenges faced and opportunities available, thus contributing to gender empowerment objectives. • Sustainable Tourism Advocacy: The event underscored the importance of sustainable tourism marketing, setting standards for adventure and nature-based tourism, aligning with global sustainability goals and promoting responsible consumption and production practices. • Cultural Enrichment and Networking: Through cultural performances, panel discussions, and networking opportunities, Akanksha provided a platform for cultural enrichment, knowledge sharing, and fostering professional connections within the tourism industry.

Department of Tourism Studies, Pondicherry University in association with Equitable Tourism Options (Equations), Bengaluru organized two day National Technical Consultation on Coastal Tourism during 24 & 25, January, 2024 in the School of Management Auditorium.

<https://www.pondiuni.edu.in/events/department-of-tourism-studies-pondicherry-university-in-association-with-equitable-tourism-options-equations-bengaluru-organized-two-day-national-technical-consultation-on-coastal-tourism-during-2/#:~:text=Events-Department%20of%20Tourism%20Studies%2C%20Pondicherry%20University%20in%20a,sociation%20with%20Equitable,the%20School%20of%20Management%20Auditorium>

Department	TOURISM STUDIES															
School	MANAGEMENT															
Title of the event	NATIONAL TECHNICAL CONSULTATION ON COASTAL TOURISM															
Venue	SCHOOL OF MANAGEMENT AUDITORIUM															
Duration	From ...Jan 24..... toJan 25..... (no of days.....)										No of Participants: National 25...../ International:.....3.....					
Main SDG and goal-specific target																
Other SDGs complemented (Pls ✓)	1 ✓	2 ✓	3 ✓	4 ✓	5 ✓	6 ✓	7 ✓	8 ✓	9 ✓	10 ✓	11 ✓	12 ✓	13 ✓	14 ✓	15 ✓	16 ✓
Objective/ theme of the event (Max 30 words only)	Revisiting the Coastal Commons															
About the activity and its relevance to Sustainable Development Goals	The National Technical Consultation on Coastal Tourism, organized by Pondicherry University and Equitable Tourism Options, highlighted pressing issues and solutions pertaining to coastal communities and tourism. This event holds significant relevance to several Sustainable Development Goals (SDGs), particularly SDG 14 (Life Below Water) and SDG 15 (Life on Land). By addressing concerns such as environmental degradation, displacement of communities, and loss of traditional livelihoods, the consultation aimed to promote sustainable coastal development. Discussions emphasized the need for holistic approaches that integrate sustainability principles, community participation, and environmental conservation into coastal tourism policies and practices. Additionally, the event advocated for education and awareness initiatives to foster a better understanding of marine ecosystems and promote responsible tourism behaviors. By aligning with these SDGs, the consultation aimed to contribute towards the broader agenda of achieving sustainable development and safeguarding coastal ecosystems for future generations.															
Report / Outcome (Bullets – Max 5 sentences) of the event	<ul style="list-style-type: none"> • Identification of Critical Issues: The consultation successfully highlighted critical issues affecting coastal communities, such as displacement due to development projects, environmental degradation, and loss of traditional livelihoods. • Call for Holistic Approach: Participants emphasized the need for a holistic approach to coastal tourism development, integrating sustainability principles, community participation, and environmental conservation. 															

	<ul style="list-style-type: none"> • Policy Recommendations: The event led to discussions on formulating policies that prioritize coastal security, sustainable livelihoods, and the preservation of cultural heritage, underscoring the importance of incorporating local perspectives in policy-making processes. • Awareness and Education: There was consensus on the importance of raising awareness and integrating ocean education into school curricula to foster a better understanding of marine ecosystems and promote responsible tourism practices. • Advocacy for Community Engagement: Stakeholders stressed the significance of empowering coastal communities by giving them consultative powers and ensuring their active participation in development initiatives, to safeguard their rights and preserve their way of life.

ABOUT BANCQUEST

It is the annual event of Department of Banking Technology which aims to fulfill the objective, to provide an opportunity for the students to showcase their talents through organizing events and to connect the department with the banking, finance and IT industry. It is also aimed to update knowledge on emerging issues in the field of finance, banking and information technology.

ABOUT THE DEPARTMENT

Department of Banking Technology is established to develop the future managers in banking, finance and IT domain with a strong technology background to meet the growing managerial and technological challenges in banking and financial service sector. It offers specialized M.B.A. programme in Banking Technology and MBA programme in Financial Technology. The Department is also offering an interdisciplinary Ph.D. Programme in the area of Management and Computer Science & Engineering.

OBJECTIVES OF BANCQUEST

- To showcase the students curricular and co-curricular skills
- To update knowledge on contemporary developments and emerging issues in the field of finance, banking and information technology
- To expand the brand of MBA BT and MBA FT to the industry for possible collaboration, internship and placement.

Subject: Celebration of National Mathematics Day 2023

Dear Faculty, Students, and Staff,

We are delighted to announce that the Department of Mathematics is celebrating **National Mathematics Day 2023**, which is celebrated on December 22nd each year. The department is hosting one day national seminar which aims to commemorate the **birth anniversary of the legendary Indian mathematician Srinivasa Ramanujan** and promote the significance of mathematics in our society.

Event Details:

- Seminar Title: **National Seminar on Recent Advancement of Mathematics**
- Date: **December 20, 2023**
- Venue: Seminar Hall, Department of Mathematics
- Duration: One full day
- Theme: **"Exploring the Beauty and Relevance of Mathematics"**
- Coordinator: Dr. Pankaj Sharma
- Agenda: The seminar will include keynote addresses from renowned mathematicians, interactive workshops for students, and panel discussions on the importance of mathematics in various fields such as science, technology, biology, finance, and industry.

Students of Pondicherry University are welcomed to present their innovative ideas.

Thank you!

(Dr. JOSEPH KENNEDY)

RECURSION 2024

ABOUT RECURSION

Annual Industrial Interface hosted by Computer Science Department at Pondicherry University is an extraordinary amalgamation of technology and culture brought to us by students who are not only passionate about coding and algorithms but also the diverse tapestry of human cultures, we are proud to present an event that celebrates both realms.

Recursion Theme

"SPECTRUM OF INNOVATION"

Purpose

Recursion 2024 aims to foster a deeper understanding and appreciation of cultural diversity within the tech community. Our goal is to bridge the gap between technology enthusiasts and cultural aficionados, creating a space where individuals can learn, share, and collaborate across disciplines. Through a series of engaging talks, workshops, and interactive sessions, we aspire to empower attendees to embrace technology as a tool for cultural preservation, exchange, and celebration.

It is not just about lines of code; it's about breaking barriers, fostering inclusivity, and exploring the beauty of our interconnected world.

Join Us

Recursion 2024 invites you to embark on a journey of discovery, collaboration, and celebration. Whether you're a seasoned developer, a culture enthusiast, or simply curious about the fusion of tech and tradition, this event promises something for

ABOUT DEPARTMENT OF COMPUTER SCIENCE (PUDOCs)

The Department aims at imparting quality education in Computer Science & Engineering and Information Technology through various post-graduate programmes. It also offers an atmosphere conducive for research scholars for pursuing research in various advanced areas of Computer Science, Engineering and Information Technology. The department has the largest student intake among all the departments of the University. There are four postgraduate and Ph.D. programmes. The department has four well-equipped computer laboratories namely- General Computing Lab, Multimedia Lab, Grid Computing Lab and Research Lab.
