2023 – 10-04-2023, 11-04-2023, 15-05-2023, 17-05-2023

Final Findings of Inquiry Authority on Article I :-

The Inquiry Authority concluded from the witnesses statement, document and facts, that it is clear that the incident of aggression was committed by Shri P. Kasirajan on Prof. Bhalla in an attempt to recover the pen drives from him. The pen drives were issued by the University and contained his personal information. While the Inquiry to Prof. Bhalla's hand may not have been grievous, it is clear that there had been a scuffle.

This charge is held proved.

Final Findings of Inquiry Authority on Article II :-

The inspection began smoothly and the committee was also provided with hospitality, but subsequently the atmosphere changed and Shri P. Kasirajan did not cooperate with the Audit Team, on the other hand he became aggressive and also tried to get the help of employees to prevent the team from proceeding. In fact, the Audit Team had to hurriedly escape from the scene due to fear of being harmed.

This charge is held proved.

Final Findings of Inquiry Authority on Article III :-

The Final findings are that the Committee unanimously recommended that based on the explanation submitted by the concerned employees and since no further

PU-EAJAC activities were carried out by them, appropriate action may be taken by the Administration in this regard.

While the Charged Officer states that he had submitted a reply containing his apology and assurance to dissolve the PU-EAJAC on 10-09-2020 and reiterated in his letter dt. 30-09-2020, the Committee stated that based on the explanation further action may be taken by the Administration. Therefore, this issue may be resolved by the Administration as to whether his apology can be considered and accepted or not.

This charge is **not proved**.

Final Findings of Inquiry Authority on Article IV :-

Final finding – It is clear that the call for the meeting was given by all the Associations and therefore, there is no evidence to show the singular involvement of Shri Kasirajan in the issuing or distribution of the pamphlet and also his role in organising the gate meeting during working hours.

This charge is **not proved**.

Final Findings of Inquiry Authority on Article V :-

The final conclusion is that since the pamphlet has not been signed by any person but brought out in the name of PU-EAJAC, Shri Kasirajan's sole involvement in this cannot be proved; it was a joint action by all the members. Further, there is no witness of his role in preventing any staff members from attending this New Year meeting.

Therefore, this charge is **not proved**.

Final Findings of Inquiry Authority on Article VI :-

The final finding is that Shri P. Kasirajan has wrongfully restrained the VC alongwith the others while he was emerging from his office to leave the premises. They indulged in heated arguments inspite of the VC trying to placate them that he would discuss the issue with Dr. Jerome the following day. They have forcibly stopped him and not allowed him to reach his car as they were in an aggressive mood.

Hence, this charge is proved.

Inquiry Report has been supplied to Shri P. Kasirajan, vide PU/ESTT/NT3/T.O.-II/2024-25/56, dt. 31.07.2024. **(ENCLOSURE-X)**

Shri P. Kasirajan has submitted his explanation dt.22.08.2024 (**ENCLOSURE-XI**). Wherein he has stated that in the Enquiry Report, the Enquiry Officer has held Article No.3, 4 and 5 as not proved. Therefore, he is not dealing with those charges. Further, stated that the findings of the Enquiry Officer as if Article No.1, 2 and 6 as proved is perverse and contrary to evidence on record and denied the charges framed against him that he has stated lengthy comments/explanations.

His explanation in brief on Articles I & II :-

He has submitted his lengthy explanation, Wherein he has stated that since both the charges are interlinked, he has stated that he has been suspended only on 17.03.2020 after the incident happened on 04.02.2020 without specifying the name of Dr. Bhalla in the suspension order and the medical prescription were created. The Association along with him tried to meet the VC in connection to the appointment of the then Registrar Incharge and in this backdrop, the aged 72 years retired Prof. G.L. Bhalla had been nominated as member in several policy making bodies/Committees. Further, non-cooperation to the Audit Committee is also denied by him stating that one of the Professor of Chemistry also confirmed that the inspection had done smoothly and further confirmed that Dr. G.L. Bhalla had taken his pen drive and it was not returned by him and apart from that there is no other incident. Further stating some reasons, he has stated that the Charges I and II are liable to be quashed.

He has mentioned that “I was also threatened and he asked me not to have any issues with the then Vice-Chancellor as otherwise I will end up with the same fate which one Jayaraman, Data Entry Operator ended up with (Jayaraman was murdered and the Investigation is now with the CBI).”

His explanation in brief on Article VI :-

Wherein he has stated that all the Associations jointly had given several representation with regard to the unresolved issued concerning its members. Several Office bearers were there for a common cause, but he was the only person charge sheeted in this regard. The finding rendered by the Enquiry Officer in respect of this charge has to be ignored.

Thus he has stated that none of the charges levelled against him were proved by the University in the enquiry. Hence, he has requested to drop all the charges and relieving him from the mental agony and anguish to which he is subjected to all these years and settle all his dues and render justice.

FACTUAL POSITION :-

The lengthy explanation contains statements which are either irrelevant to the charges or do not appeal to the reason. For instance, he has mentioned that “I was also threatened and he asked me not to have any issues with the then Vice-Chancellor as otherwise I will end up with the same fate which one Jayaraman, Data Entry Operator ended up with (Jayaraman was murdered and the Investigation is now with the CBI).”

Thus, explanation furnished is wholly irrelevant to the proven charges.

Final Conclusion of the Inquiry Report :

In view of the evidence of the documents, prosecution and defence witnesses, the submission of the charged official and the final report of the Presenting Officer it is very clear that the Charged Official had not attended New Year Meeting called by the Vice Chancellor.

By his own admission he himself did not attend the meeting and called for others not to attend the meeting as a means to draw the attention of the Authorities to the demands of the Association. His direct involvement in issuing and circulating the pamphlet cannot be proved as it is an unsigned pamphlet issued in the name of the Association. While it is not proved that he is directly responsible for its issuing or circulating, it is implied as he is a member of the Association by whom the pamphlet was purportedly issued and circulated.

The second charge regarding the incident at the VC Secretariat is proved through the documentary and CCTV evidence that the Charged Official was initially present. However he left the office and returned later where he was present at the steps in the portico where he confronted the VC as he was about to get into his car.

The Presenting Officer has provided the Charged Officer with a copy of her “Brief”, but he has not furnished his final explanation. However, he has submitted an unconditional apology regarding the charges levelled against him.

Thus it is proved that the Charged Official boycotted the New Year meeting and also obstructed the VC during the discharge of his official duty. Suitable disciplinary action may be initiated against him which will act as a deterrent to him personally and also to others to refrain from such acts of indiscipline in future.

Dated- 25.01.2016

OFFICE MEMORANDUM

Subject:- Promotion of Govt. Servants exonerated after retirement – Procedure and Guidelines to be followed - Regarding.

The undersigned is directed to invite reference to the Department of Personnel and Training Office Memorandum No. 22011/4/91-Estt(A) dated 14th September, 1992 regarding procedure and guidelines to be followed by DPC in respect of Government servants against whom disciplinary/court proceedings are pending or whose conduct is under investigation. In case the Government servant is covered under any of the three conditions as mentioned in Para 2 of OM dated 14.09.1992, the recommendations of the DPC are to be kept in 'sealed cover' and subsequent action regarding opening of sealed cover will depend on the outcome of the disciplinary/criminal proceedings.

2. If on conclusion of the disciplinary/ criminal proceedings, the Government servant is exonerated, the procedure prescribed in para 3 of the OM dated 14-9-1992 is to be followed. This provides as under:-

“On the conclusion of the disciplinary case/criminal prosecution which results in dropping of allegations against the Govt. servant, the sealed cover or covers shall be opened. In case the Government servant is completely exonerated the due date of his promotion will be determined with reference to the position assigned to him in the findings kept in the sealed cover/covers and with reference to the date of promotion of his next junior on the basis of such position. The Government servant may be promoted, if necessary, by reverting the junior most officiating person. He may be promoted notionally with reference to the date of promotion of his junior. However, whether the officer concerned will be entitled to any arrears of pay for the period of notional promotion preceding the date of actual promotion, and if so to what extent, will be decided by the appointing authority by taking into consideration all the facts and circumstances of the disciplinary proceedings/criminal prosecution. Where the authority denies arrears of salary or part of it, it will record its reasons for doing so. It is not possible to anticipate and enumerate exhaustively all the circumstances under which such denials of arrears of salary or part of it may become necessary. However, there may be cases where the proceedings, whether disciplinary or criminal, are, for example delayed at the instance of the employee or the clearance in the disciplinary proceedings or acquittal in the criminal proceedings is with benefit of doubt or on account of non-availability of evidence due to the acts attributable to the employee etc. These are only some of the circumstances where such denial can be justified.”

....2/-

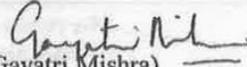

3. The applicability of above provisions in so far as it relates to cases where the Government Servant, who has retired by the time he is exonerated of all the charges has been considered in respect of the following cases:

- i. Where the promotion order pertaining to the relevant DPC has been issued and the officers empanelled have assumed charge prior to the date of superannuation of the retired Government Servant; and
- ii. The retired Government Servant would have been in service and assumed charge of the post had the disciplinary proceeding not been initiated against him/her.

4. It has been decided in consultation with the Department of Expenditure, Department of Pensions & Pensioners' Welfare and the Department of Legal Affairs that notional promotion and payment of arrears of pay, if any, for the period of notional promotion till the date of retirement, to such a retired Government servant if found fit on opening of the sealed cover is to be decided by the appointing authority in terms of Para 3 of OM No.22011/4/91-Estt.(A) dated 14/9/1992.

5. A retired Government employee who is considered for notional promotion from the date of promotion of his next junior after opening of the sealed cover would also be entitled to fixation of pension on the basis of such notional pay on his notional promotion.

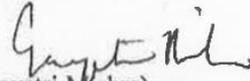

6. The provisions contained in this Office Memorandum shall become operational from the date of issue of this Office Memorandum. Past cases settled in accordance with the earlier provisions shall not be reopened.

PONDICHERRY UNIVERSITY
102nd Meeting of the Building Committee

MINUTES OF THE 102nd MEETING OF THE BUILDING COMMITTEE BY CIRCULATION

Sl. No.	Subject
102-01	TO CONSIDER AND APPROVE THE PROPOSAL FOR RELAYING THE EXISTING ROADS IN THE MAIN CAMPUS OF THE UNIVERSITY WITH AN ESTIMATE COST OF RS. 5,93,28,000/- INCLUDING 3% CONTINGENCY SUBMITTED BY THE CPWD, PUDUCHERRY CENTRAL DIVISON IN THE PHASED MANNER DUE TO NAAC TEAM VISIT TO THE PONDICHERRY UNIVERSITY.

Approved.

TO CONSIDER AND APPROVE THE PROPOSAL FOR APPOINTMENT OF INTERNAL AUDIT OFFICER ON CONTRACT BASIS

The University is having an Internal Audit Wing which is presently not manned by any Internal Auditor as the repeated attempts of the University to engage Internal Auditor has not borne any result so far. Under the latest advertisement, the scrutiny result for the post of Internal Audit Officer (IAO) has also resulted into no candidate being found eligible. The EOI was invited for the contract position of Additional IAO multiple times, however, no suitable retired official could be found.

In the meantime, University continued facing serious inconveniences due to vacancy on Internal Auditor's post as detailed under:

- (1) The CAG audit has been objecting and pointing out in every audit about non-conduct of Internal Audit in the Pondicherry University. Due to vacancy on Internal Auditor's post, University is not being able to attend to these audit objections.
- (2) The Ministry of Education has been sending pressing reminders on action taken on Internal Audit requirements as pointed out in the Parliamentary Standing Committee (PSC) report, which the University is unable to attend due to vacancy on Internal Auditor's post.
- (3) Considering the size and scale of University's operations, having a functional Internal Audit Wing is an essential requirement. Due to large number of vacancies in officers' cadre, a number of critical issues are not getting the desired attention resulting into scope for financial loss and administrative complications. A functional Internal Audit wing can avert this kind of situation.
- (4) A number of Lok Sabha queries in the past have sought data on functioning of the Internal Audit in the University.
- (5) Internal Audit is an essential and important component of the overall Internal Controls, Checks and Balances of the University. Especially, large value proposals are not passing through the requisite scrutiny of Internal Audit.
- (6) The hundreds of sponsored projects running in the University are also required to be attested by the Audit as per conditions of the sponsoring/funding agencies.

Under such scenario of acute requirement, the expression of interest was called one more time for the position of Additional Internal Audit Officer (AIAO), on contract basis and on consolidated pay. Upon scrutiny of the applications received, only one candidate was found to be eligible. Hence, offer of appointment was given to him at monthly consolidated pay of Rs. 40000/-. However, the candidate refused the offer on the ground that the offer given to him is not in consonance with his status as a retired Deputy Accountant General- DAG (an Indian Audit and Accounts Service – IA&AS official) who retired from pay level- 12. He further expressed his willingness to re-consider the offer if higher pay as per Government norms is considered.

Considering all the above facts, it is under consideration to appoint him as Internal Audit Officer (IAO) on contract, instead of as an AIAO, as he is otherwise eligible for the post of IAO, so as to tide the gap until regular recruitment happens on the sanctioned post of IAO. Upon appointment on contract, he will be allowed the pay as provided in the extant Office Memorandum dt. 09th December, 2020 of Ministry of Finance, Department of Expenditure.

Hence, above is for consideration and approval of the Council.

Dr. N. Ravi, Assistant Registrar was served a Chargesheet Memorandum dt.19.06.2023 (**ENCLOSURE-III**). He has submitted his explanation dt. 06.07.2023 (**ENCLOSURE-IV**) wherein he has denied all the charges.

Articles of Charges	Enquiry Report
<p>Article – I That the said Dr. N. Ravi Assistant Registrar (Under Suspension), Pondicherry University Community College has misused the TVS 50 (Reg.No. PY01AS7753) attached to the Pondicherry University Community College meant for the service of the college for his personal work and the vehicle was kept in his friend’s house for seven days before it was brought to the attention of the Principal (i/c), Pondicherry University Community College.</p>	<p>There is a misrepresentation of the dates during which the office vehicle (TVS 50, Reg. No. PY 01 AS 7753) was misused by the said Dr. N. Ravi. The complainant, in her complaint letter dated 18.11.2022, has mentioned that the said office vehicle was taken out by Dr. N. Ravi without making an entry in the vehicle movement register of PUCC on 1st July 2022 which was reportedly brought back by an attender on 15th July 2022. The fact finding committee, in its report dated 14.12.2022, had mentioned that the said office vehicle was taken out by Dr. N. Ravi without making an entry in the register of PUCC on 12th July 2022, and brought back by a staff on 18th July 2022. As per the vehicle movement register maintained in PUCC, the said office vehicle was taken out by Dr. N. Ravi with a proper entry in the register (Sl. No. 66) on 11th July 2022 and brought back by one Mr. Siva Segar, Attender (Sl. No. 26 in the register) on 15th July 2022.</p> <p><u>Needless to mention that the incident happened in July 2022 and, after proper explanation, the issue was amicably settled. The complaint of the settled issue raised in November 2022 after four months is unwarranted.</u></p>

<p>Article – II That the said Dr. N. Ravi Assistant Registrar (Under Suspension) along with Shri N. Pajanissamy, Horticulture Attendant(Under Suspension), Pondicherry University Community College had indulged in sexually colored remarks and physically brushing against women Canteen workers demeaning their modesty causing awkwardness or embarrassment to the women workers in the canteen premises of the Community College.</p>	<p>As per the written complaint submitted by one Ms. Gnanapoongothai (Canteen Contractor) to the Principal of Community College on 15.11.2022, it was noted that the misbehavior of the charged employee with the women workers in the canteen was happening, as reported, from July 2022 onwards. It was not brought to the notice of the authorities then and there. Moreover, the victims had not given their written complaint and the owner of the canteen represented on their behalf.</p> <p>Further, it was observed that a fact finding committee consisting of a female member was constituted to enquire about the matter. But the female member (external member) of the fact finding committee was not physically present when the said committee visited the Pucc campus on 7th December 2022 to personally interact with the victims to know about the nature of issue created by the charged employee. It is also learnt on personal interrogation with the same employee that Dr Ravi had not directly indulged in sexually colored remarks against women canteen workers rather the other staff (his subordinate) accompanying him had done it. But Dr Ravi, being a controlling officer, failed to advise him not to do such things.</p> <p>The women working in the canteen of Pucc categorically denied the charge against Dr Ravi with regard to the sexually colored remarks by him. Further the Pucc staff, Smt. Sarala who is named as witness of the whole episode asserted that she does not know anything about the issue. <u>Hence the charges could not be substantiated against Dr Ravi.</u></p>
---	---

<p>Article – III That the said Dr. N. Ravi, Assistant Registrar (Under Suspension) along with Shri N. Pajanissamy, Horticulture Attendant(Under Suspension), Pondicherry University Community College had not paid money for the teas/ coffees they had in the canteen. Dr. N. Ravi and his team had a balance of Rs.740/- and only a partial amount was paid to the Canteen owner.</p>	<p>The issue of paying dues of Rs.740/- to the Canteen by the charged employee along with the other charged employee, namely Shri Pajanissamy, was settled and the Principal i/c endorsed the settlement and excused the charged employee as recorded in her own words in the letter of explanation of Shri Pajanissamy. <u>Hence, the allegation is not sustained.</u></p>
<p>Article – IV That the said Dr. N. Ravi, Assistant Registrar (Under suspension) had tried to keep all the attendance registers on his table in order to gain access to non-consensual communication</p>	<p>It was observed that the attendance registers of the PUCC employees were kept with the Assistant Registrar for marking leave details, and to compile the attendance particulars of the guest faculty for official purposes. The fact finding committee has also stated in its report that the keeping of attendance with the charged employee did not work for a long time. <u>Hence, there was no evidence found that the charged employee kept the registers with him to gain access to non-consensual communication with the employees.</u></p>
<p>Article – V That the said Dr. N. Ravi, Assistant Registrar (Under suspension) has been encouraging some men belonging to various associations and suspended employees in his office during office hours.</p>	<p>The recorded CD containing the CCTV footage of visits made by some men belonging to various associations and suspended employees, as mentioned by the fact finding committee in its report, could not be traced either by the Presenting Officer or the Petitioner. However, Dr Ravi admitted that a few employees of the university and the office bearers of our associations made a courtesy visit to his office since he was sick due to cardiac arrest. <u>Courtesy visits by the fellow employees on health ground could not substantiate the allegation that Dr Ravi with the people visiting him was strategizing against the administration of the University.</u></p>

<p>Article – VI That the said Dr. N Ravi, Assistant Registrar (Under suspension) had recommended to the Head of the Department for issue of Attendance Certificate to a student viz., Mr.Thuyanenjan who was involved in a criminal case for the dates of his absence from classes which was refused by the Head of the Department.</p>	<p>As customary in any academic department, the attendance registers of the students are under the direct control of the faculty and the respective HODs concerned. As referral officer, he has directed the student (allegedly involved in a police case) to meet HOD concerned in the matter of attendance which was misinterpreted as if Dr Ravi had sent the student to get attendance from the faculty concerned. Knowing about the background of the student is not a necessary obligation of the non-teaching staff. <u>Hence knowingly Dr Ravi had impressed the HOD to give attendance could not be proved. On verification, it was found that the certificate also was not issued. Hence involvement of Dr Ravi in issuing an attendance certificate to the student, who was absent and indulged in some crime, does not arise.</u></p>
<p>Article – VII That the said Dr.N. Ravi had created stagnation in the smooth functioning of the administration in the movement of files.</p>	<p>The request for a separate room with attached toilet made by Dr. Ravi, being an A Grade Officer with more than thirty years of service and suffering from diabetic, seems to be genuine. <u>Since the request was not entertained, the allegation does not sustain.</u></p> <p>In view of the above charges, the committee is of the opinion that all the allegations framed against Dr. N. Ravi, Assistant Registrar, Academic Section have almost been settled. <u>On inquiry and observation, it was found that indulging in charges I and II is quite unbecoming of a Senior Officer. Therefore, the committee suggests that the charged employee may be given warning for not repeating the same in future. Repeating of any such incident(s) by Dr.N.Ravi in future may be viewed seriously.</u></p>
