

**PONDICHERRY UNIVERSITY
DEPARTMENT OF CHEMISTRY**

Ph.D. ADMISSIONS 2020-21

Instructions to Candidates

1. Candidates shortlisted from the university entrance examination or through NET/GATE examinations (see below) are requested to submit their details through a web form <https://forms.gle/ticN6oo4KVwJAyt48> on or before 06.01.2021. You may be asked to sign-in with your Gmail id to fill the form. Please create a new Gmail id if you do not have one.
2. Only candidates who have filled their details in the web form above can participate in the interview.
3. Department will conduct an online interview for the registered candidates between 11-01-2021 and 13-01-2021. Department will send information about the meeting URL and other instructions later.
4. All candidates must upload all relevant documents through the webform only. The webform will process the attachments and deliver them to the concerned official automatically. Therefore, candidates need not send copies to the e-mail address of the department. Also, no additional documents other than those requested through the web form are needed to attend the interview.
5. The following documents are mandatory during web form submission:
 - A. Degree/Provisional certificate of B.Sc. degree or equivalent UG program
 - B. Degree/Provisional certificate of M.Sc. degree or equivalent PG program
 - C. Consolidated mark sheet of M.Sc. degree or equivalent PG program
 - D. Relevant certificates under different reserved categories issued on or before January 1, 2020, by a competent authority
 - E. All uploaded documents must be self-attested by the candidate.
 - F. In case of non-availability of any of the above documents, an undertaking may be uploaded to that effect.
6. Admission to the Ph.D. program will be considered for the candidates who appear for the interview.
7. The department selection committee will draw a merit/selection list for Ph.D. admission by considering 70% from the entrance examination and 30% from the interview and previous academic performance. The selected candidates will be informed through e-mail/mobile and displayed in the university/department portal.
8. In the case of candidates exempted from writing the University entrance examination, the department selection committee will draw a merit/selection list for Ph.D. admission by considering the candidates' interviews and previous academic performance.
9. Attending the interview alone does not guarantee admission to the Ph.D. program in chemistry.
