"Come explore the boulevards and rues (the French word for streets) of the Pondicherry that will ultimately take you down to the gorgeous seaside promenade, where the Bay of Bengal playfully splashes the shores of the famous Rock beach."

Pondicherry

Pondicherry, officially known as Puducherry, and commonly referred to as just Pondy, is one of the seven Union Territories of India. This former French colony is a perfect amalgamation of the traditional Indian sensibilities and French architecture, making it a dreamy escape that offers the best of both worlds.

The streets of the French Quarter of Pondicherry, also known as White Town, are dotted with charming mustard-yellow colonial structures with bougainvillaea laden walls. These are interspersed with cosy cafes and chic boutiques that offer delectable French cuisine and beverages. Simply strolling down these streets, can give the traveller an insight into the fairytale charm of Pondicherry.

Pondicherry University was documented under an act of parliament in the year 1985 as a central hub for learning and first-rareness. The centrepiece is being occupied by the management education which is superior to other universities.

The university is located just 12kms away from Pondicherry city on the east coast road. The campus is spread over 800 acres and surrounded by natural landscaping and peaceful environment that provides an ideal location for education and research activities. At present, the university has 15 schools, 39 departments and 11 centres offering 175 PG and integrated programmes.

Teaching and research are its primary functions of the University. It has 200 affiliated colleges located in Union Territory of Puducherry (Pondicherry in Tamil Nadu, Karaikal in Tamil Nadu, Mahé in Kerala and Yanam in Andhra Pradesh), Union Territory of Lakshadweep, Union Territory of Andaman and Nicobar Islands.Pondicherry University reached the pinnacle of its growth during the XI plan when Prof J. A. K. Tareen was the Vice Chancellor. It is India's fastest growing central university with effective and efficient all round growth and development in Students, Faculty, Infrastructure, Teaching programmes, Research projects, and students seeking admissions. The Faculty are from 28 states and 8 union territories.

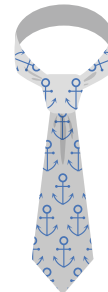

The whole campus is equipped with Wi-Fi connectivity. The university has been accredited by NAAC with A grade. Among 2995 institutions in MHRD NIRF, our university stands on the 48th position. The library with remote access to over 31,000 digital information resources. provides enough materials for them to enhance their knowledge.

School of Management

The school of Management, accredited by the UGC, AICTE, NAAC was established in the year 1986 and has been showing an outstanding accomplishment since the inception. The school comprises of six Departments: the Department of Management Studies, the Department of Commerce, the Department of Economics, the Department of Tourism Studies, the Department of Banking Technology, and the Department of International Business (in Puducherry and Karaikal campuses) that offers Masters and Doctoral programs in the stream of,· General management· Functional areas like Finance/HR/Marketing Systems· Interdisciplinary areas like Banking Technology / Data Analytics/Financial Technology /Tourism/ Insurance and International Business,· Corporate Accounting, Taxation and Business Finance. Basic and Applied areas of Economic Theory.

HOD'S MESSAGE

Dear Recruiter, Greetings from Department of Banking Technology, It is a great pleasure for me to welcome you to placement activities of our Institute. Through the pages of this brochure you will get a broad overview of our programmes, activities and the placement process. We have designed the post Graduate Programme very carefully to develop our students into Global Technology leaders who can create and manage best Technology required for their organizations. Once they successfully complete the first year, they undergo two-month internship to various Banks learn more practical banking operations. After completing their internships, these students are allowed to choose a variety of electives in their second year.

Many students choose electives to pursue their industry-specific and/or disciplinary interests. Besides academics, students also learn from their vibrant community life on campus. They manage and take part in a number of co-curricular and extra-curricular activities which provides them opportunities to grow beyond classrooms. Over the last few years we have taken several initiatives to enhance the global flavor of our flagship program. In order to enrich the programme, presently Department of Banking Technology has academic association with Institute for Development and Research Banking Technology, Hyderabad and Madras Management Association, Chennai. We have also introduced an appropriate amount of global component in the curricula and started offering more electives in the areas of Banking, Finance and Technology with National and International business perspectives to make students aware of the global Technology Management in Banking business environment.

Pondicherry University received higher accreditation from NAAC recently. Through accreditation, Department of Banking Technology has not only met specific standards of excellence, but has also made a commitment to ongoing improvement to ensure that the institution will continue to deliver high quality higher education to its students. I am confident that with the inputs gained from the courses taken as a part of this programme the students would be able to play leadership roles and contributes significantly to the growth and development of their organizations. I welcome you to read this booklet to know more about MBA Banking Technology Programmes. I would also like to take this opportunity to thank you for the invaluable support you have extended to us over the years. We look forward to nurture and grow old relationships and welcome new recruiters for a long-lasting and mutually beneficial relationship.

Looking forward to meeting you at our Campus!
