Advertisement for the JRF (Junior Research Fellow) Position

Applications are invited for the post of one Junior Research Fellow (JRF) position in a project funded by DHR - Indian Council of Medical Research (ICMR), Govt. of India and undertaken at the Dept. of Bioinformatics, School of Life Sciences, Pondicherry University, Puducherry, India-605014

Title of the Project: “Comparative evaluation through kinetic and metabolomic profiling of the identified selective poly (ADPribose) polymerase 1 (PARP-1) inhibitors with clinical inhibitors” with an id GIA/2019/000306/PRCGIA.

Name of positions: JRF, **Number of positions:** One, **Duration of the Project:** 3 years, **Enrolment:** As per ICMR norms

Principal Investigator (PI): Prof. P.T.V. Lakshmi, Head, Dept. of Bioinformatics, School of Life Sciences, Pondicherry University, Puducherry, India- 605014.

Minimum Eligibility: M.Sc/ M.Tech in any branch of Biological Sciences or Life Sciences from a recognized University/ Institute with a minimum of 60% marks. Preference will be given to candidates who cleared ICMR-JRF, CSIR/JRF/UGC-NET/DBT-JRF, GATE or any other qualification recognized by ICMR with prior research experience.

Desirable Qualifications: 1-2 years of prior research experience of working in a cell and molecular biology lab with training to work in cell culture and basic cell biology techniques such as protein/RNA extraction, PCR, western blotting, immunostaining and microscopy is desirable. Basic knowledge of Bioinformatic tools and databases is required

How to Apply: Eligible candidates may apply to the PI, Dr. P.T.V. Lakshmi through E-mail lakanna@bicpu.edu.in with duly filled in application (attached) with all supportive documents (scanned copies of the degree certificates, mark sheets, recent photograph, other academic credentials and experiences if any) as a single PDF to reach on or **2nd March 2022 at 5PM.**

The shortlisted candidates will be intimated by email on the date and time of the interview.
