PU/Dir(S)/2022-23

All the HODs/Centre Heads

Pondicherry University.

Sir/Madam,

Sub: PU-Dir(S) - NIRF Criteria-Publication -reg.

As per the NIRF Criteria of Research and Professional Practice: the No. of Publication and quality of publications, i.e (Citations and no. of citations in the top 25 percentile) in Scopus and Web of Sciences are considered for ranking assessment. Since 2018, our University scored in the range of 10.72 to 12.61 in the combined metric for Publication and 14.97 to 15.30 in the combined metric for Quality of Publications out of scoring 35. A good number of publications and quality of publication in the indexed journal will push the ranking of the University in a better way.

From the Scopus database, we have given the publication details of your department/centre from 2020 to 2022 (upto September) for your reference. If any addition/deletions, please write to the undersigned. I request you to advise each of your faculty members to take initiative to improve the standard of research publication and encourage them to publish in an indexed journal.

In addition, I am requesting each of the humanities and social science departments to publish more research papers in the Scopus and Web of science journals.

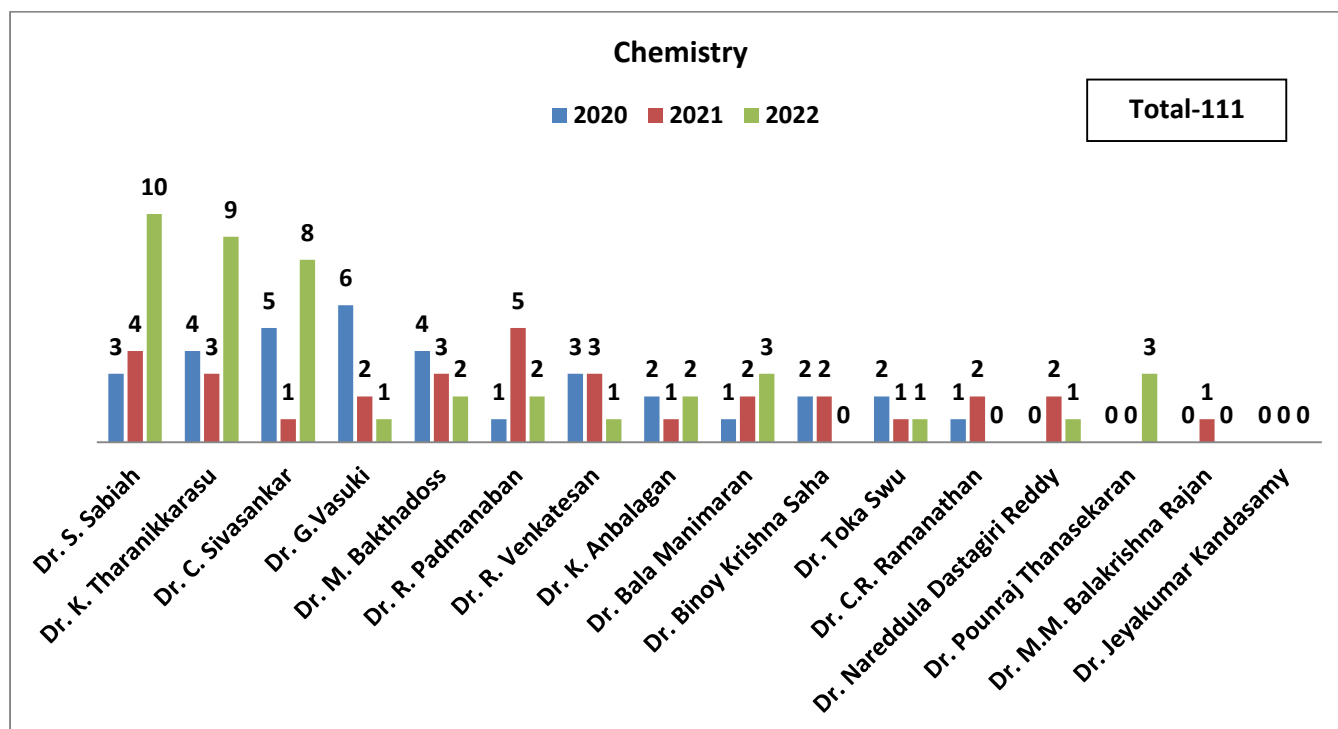

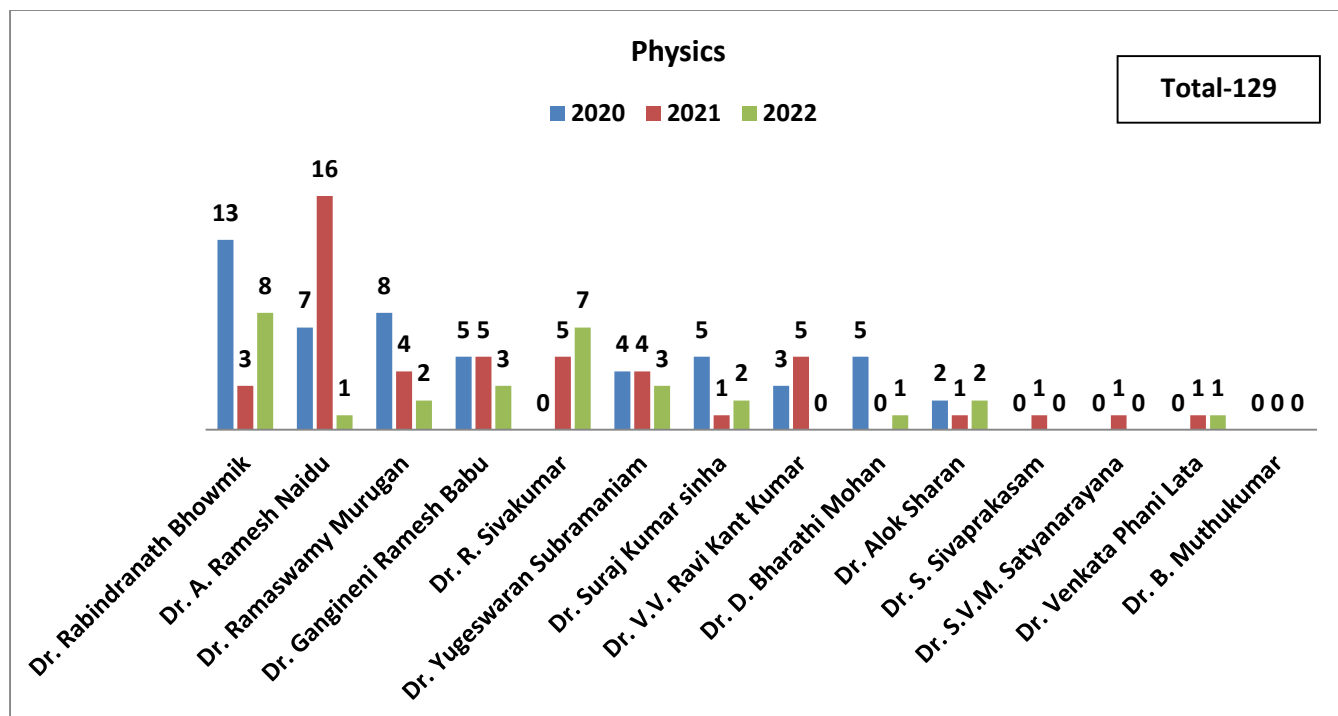

I take this opportunity to thank you for your department's continued support in contributing to the overall NIRF ranking of our University.

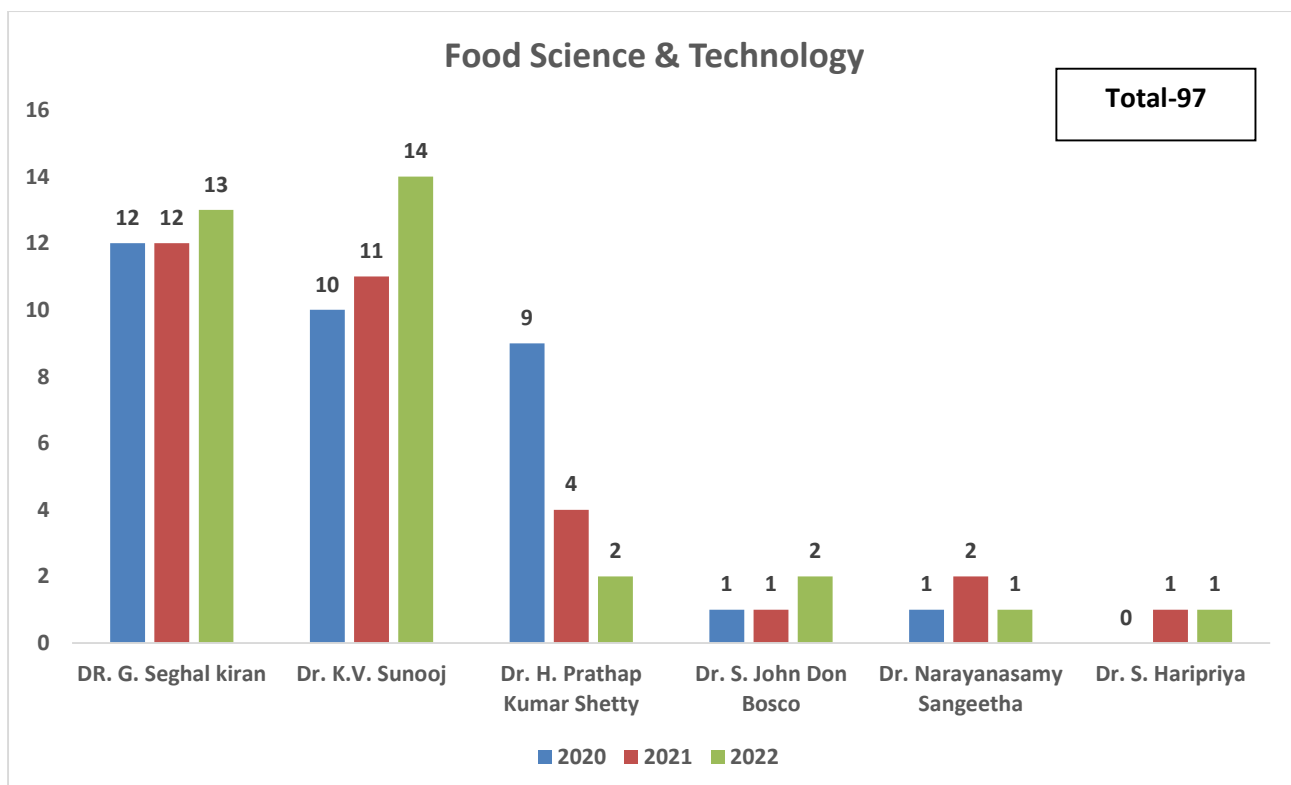

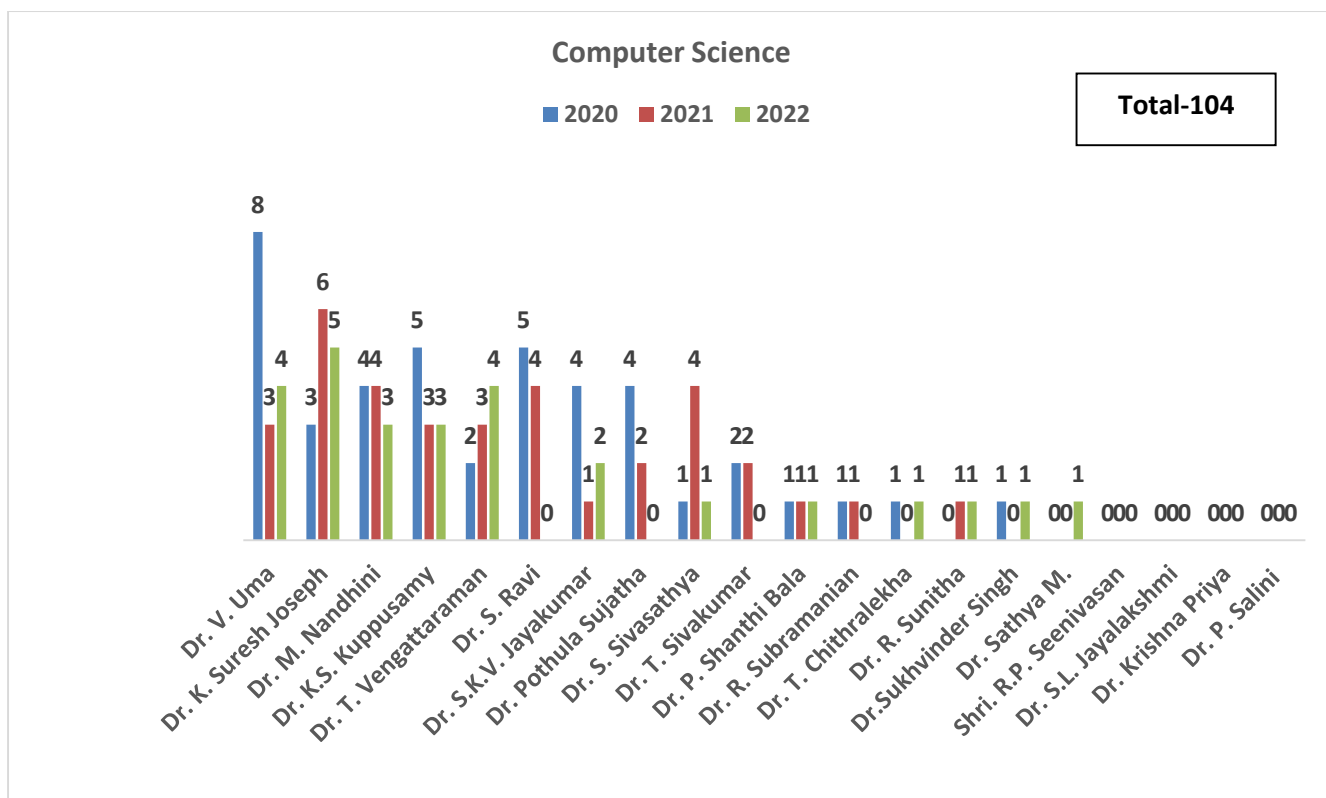

Encl: As Above

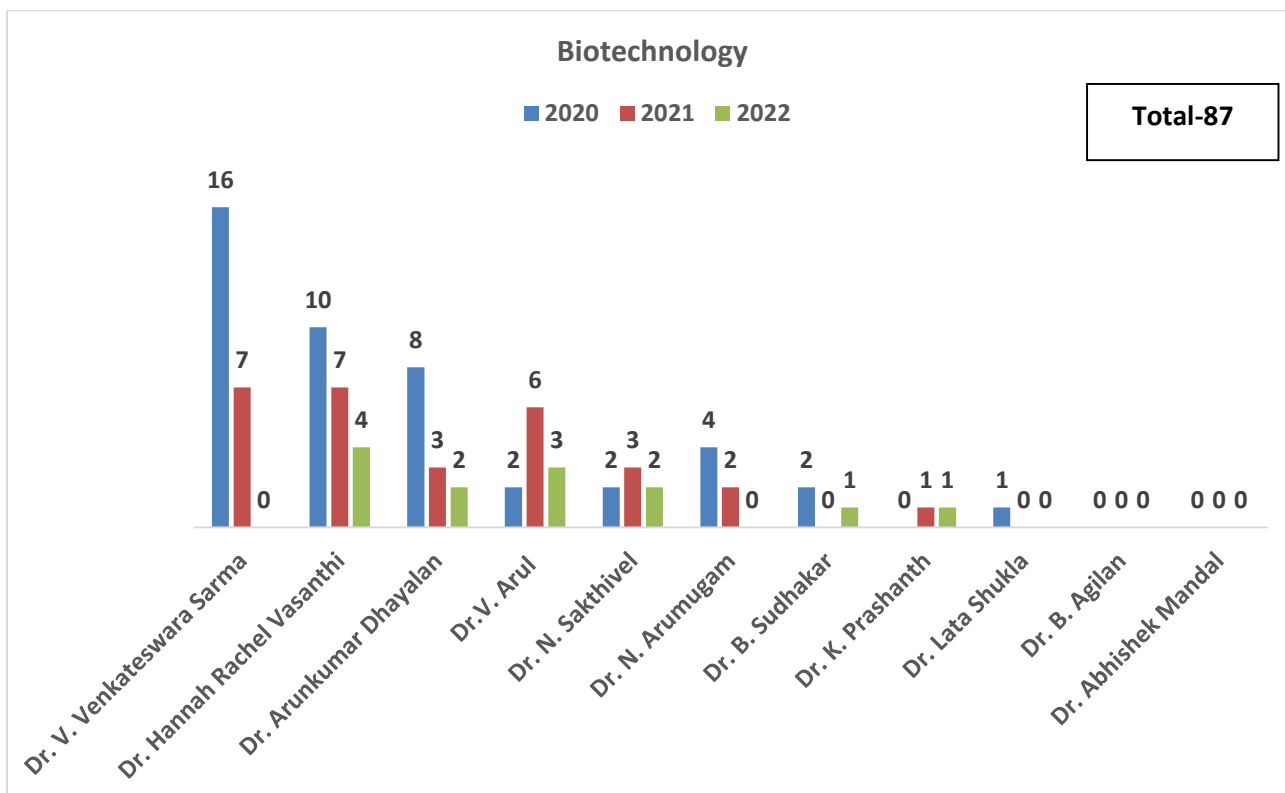

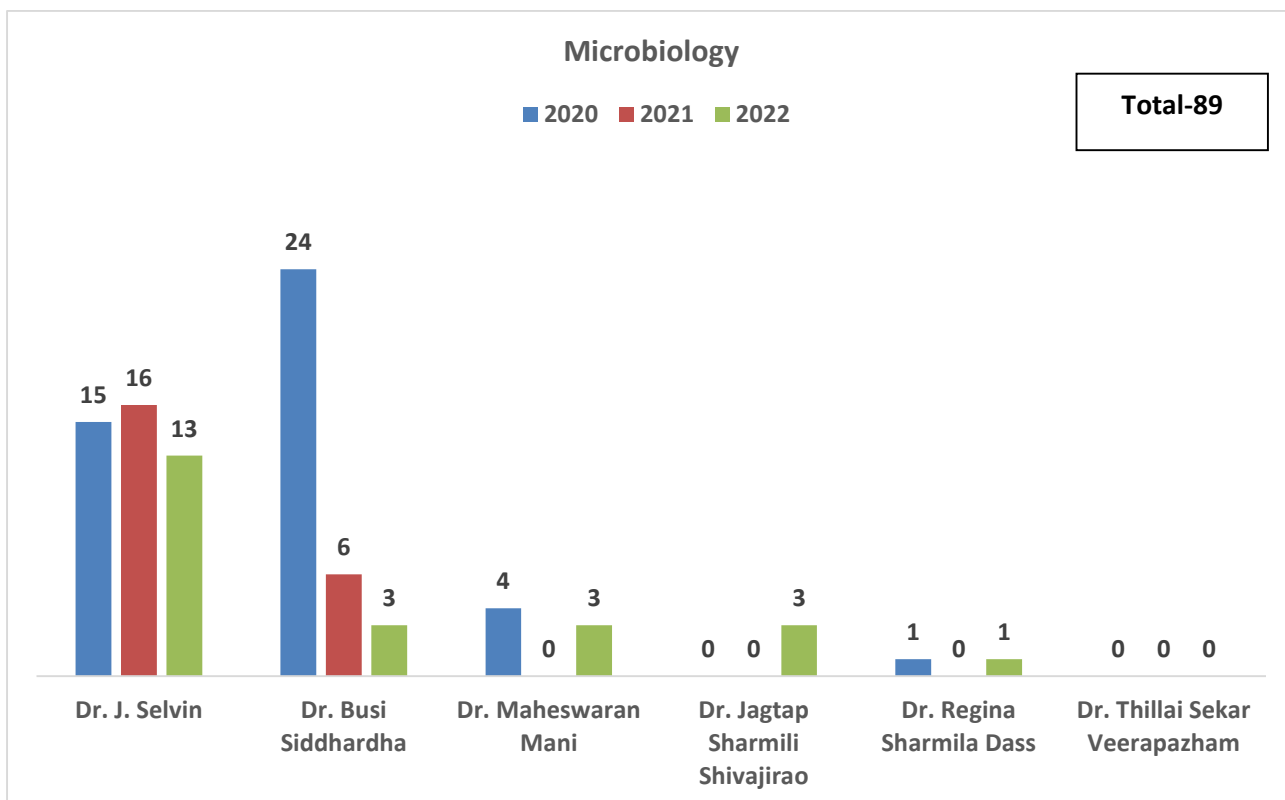

Yours faithfully,

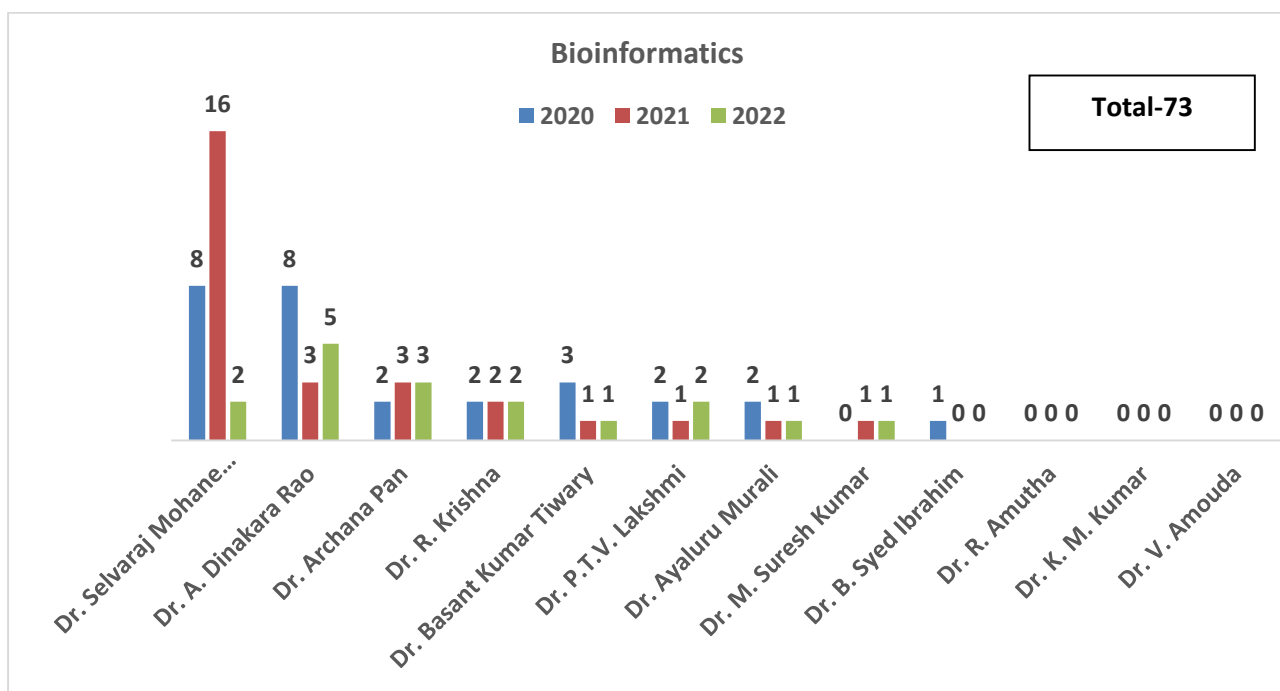

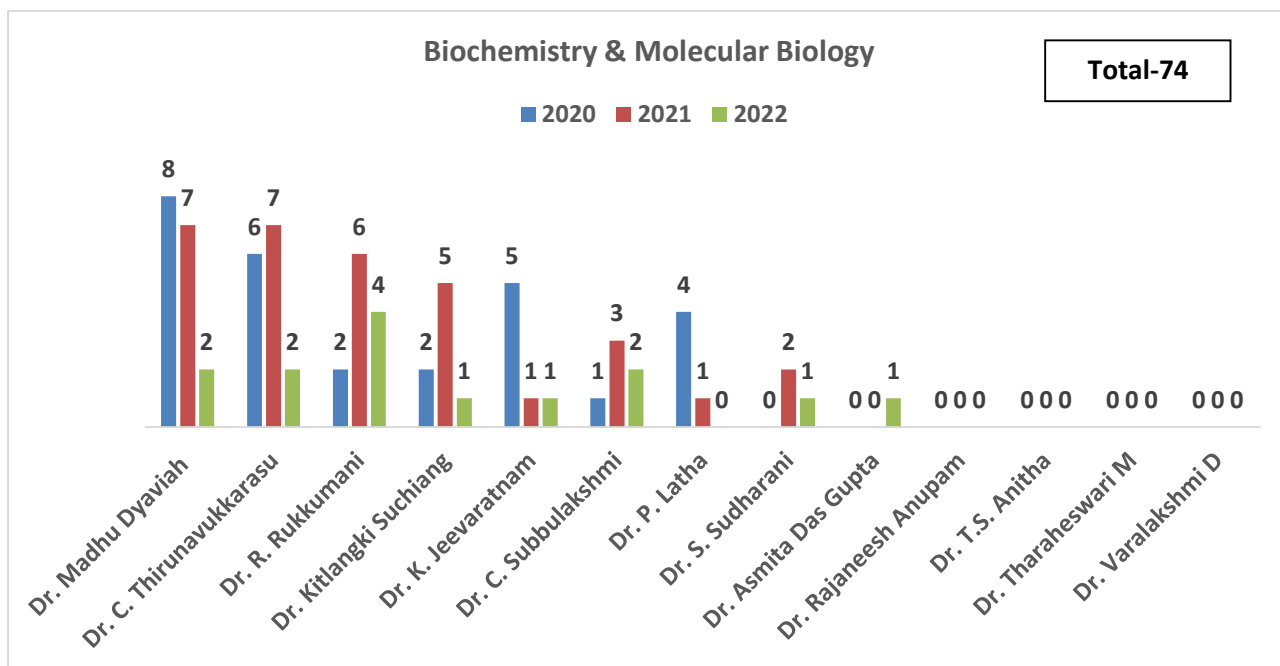

(K. THARANIKKARASU)
DIRECTOR-SEI&RR
& COORDINATOR, IQAC
