From the Vice-Chancellor's Desk

It is a matter of great pride and privilege to be a part of Pondicherry University fraternity as its Vice-Chancellor. I consider that students are fortunate to get a quality education under the mentorship of worthy teachers at Pondicherry University, where the curriculum is regularly upgraded to meet the challenges of the 21st century. I am happy to welcome all the students joining this University for various Post-Graduate and Doctoral programmes for the academic year 2023-2024.

My vision is to encourage a transparent culture in all fields that will enthuse in teamwork amongst all the members of the University and bring out the best out of faculty and students. The aim is to reinforce the vein for exploration to achieve global distinction and excellence. The quality of education disseminated in the University churns the vibrant young minds with the major skill-sets required for the industry. The courses offered are very carefully designed keeping the functionality of output to bridge the gap between higher education and employment. We kindle the passion in students and churn them out as a brigade of enterprising leaders.

The publication of our in-house research journals with high academic visibility and impact factor, various Memorandums of Understanding and collaboration with international and national universities for various programmes, research projects and conferences, specially designated 'Chairs', for academic excellence, distinguished faculty, and enthusiastic students are taking our University to incredible heights.

In addition to the green campus, excellent architecture, state-of-the-art infrastructure, well-equipped laboratories, cosy workrooms for research and teaching, facility of online admissions, Credit-Based Evaluation System, more than twenty thousand learners in various disciplines, two off-campuses, one located in Port Blair (Andamans) and another at Karaikal, with two constituent colleges, one at Puducherry and another at Mahe add credit to Pondicherry University. Further, the campuses off the University are ICT enabled and provide an e-learning and e-connect environment, along with class coordination system, document management system as well as virtual class rooms.

I am confident that the Pondicherry University fraternity will produce excellent scientists, technocrats, visionary leaders, competent researchers and teachers in the fields of science, engineering, humanities, management and social sciences, who will not only bring laurels to the University but also make the nation proud.

PROF. GURMEET SINGH
VICE-CHANCELLOR
