

Health Centre:

The University Dispensary started functioning from August 1989 with a view to give the medical cover to university students, staff and their dependants. It is rendering medical aid to Teaching, Non-Teaching staff and their dependants and Students.

The University Dispensary has been converted into Health Centre from December 2002 with in-patients facility and with an idea to provide with investigation and radiology facility to the university employee, their dependants and students. The University Health Centre is functioning from 9.30 A.M to 5.30 P.M on all days in a week with the following existing staff. The Health centre is situated near the Residential and Hospital areas. It is handling all routine out-patients. Medical examinations followed by injections, dressing and minor surgical procedure are carried out here. The necessary medicines are issued free of cost.

The Health centre is equipped with all kinds of emergency medicines and injections. Emergency cases are attended to and after providing first line of treatment they are referred to Government Hospital or JIPMER for further treatment and management.

For the in-patient, major surgical intervention, for expert opinion patients are referred to Government Hospital, Maternity Hospital, JIPMER, Pondicherry. The necessary laboratory investigations to be done are carried out by referring them to Government Hospital or private laboratories and follow up of the cases are done by the University Medical Officers.

The medical examination of the University employees at the time of appointment is carried out by the University Medical Officers and medical examination of the students is also carried out whenever it is necessary.

Medicines were procured from Government sector companies but medicines which were not available in Government sector were procured from private sector by calling quotations through purchase and store section till February 2019. Now the University authority is purchasing the generic medicines through purchase and store section for the University Health centre as per the Health committee meeting held on February 2020.

Since 4th September 2006, the university Authority has set up a centre of Pondicherry Institute of Medical sciences (PIMS) in the Health Centre, Pondicherry University. It is a private institute which provides medical facilities round the clock to the students, staff and their dependants. The Centre has laboratory facilities too. The patients who attend there also get free medicines from the Health Centre Pondicherry University, Pondicherry, from 9.30 A.M to 5.30 P.M as per direction of the University Authority.

One Siddha Medical service unit by Siddha Regional Research institute (SRRI) has started at Pondicherry University Health centre since 26/04/2017. It is functioning on every Thursday from 1.30pm-4.30pm

World Oral Health Day :

Department of Management at Pondicherry University Community College (PUCC) in collaboration with other national programs NTCP, RSSK, colleges and organizations partnered with National Oral Health Programme – the NOHP Cell Puducherry to celebrate the **“World Oral Health Day”** with a **“Walkathon” – Be proud of your mouth”**. The “Walkathon” was flagged off by **Dr. O. Kavipriya**, State Nodal Officer for the National Oral Health Programme, Puducherry from Gandhi Statue & the walkathon went via Bussy Street, M.G. Street, J.N.Street, Mission Street, St. Ange Street & ended at Gandhi Statue on the Beach Road.

Twenty five students from the Department of Management (PUCC) accompanied by faculty members Dr.A.Bharathy & Dr.R.Venkatajalapathy participated in the “Walkathon”. The aim was to spread the message for the year 2023 **“Focus on the importance of caring for your mouth at every stage of life”**. The students participated with full energy and enthusiasm carrying placards with the messages to spread awareness on the event of the **“World Oral Health Day”**.

Blood Donation Camp

A blood donation camp was organised by the Directorate of Distance Education of Pondicherry University, in collaboration with Indira Gandhi Government General Hospital and Postgraduate Institute. This event saw almost 300 people come forward to donate blood on campus. This included students, faculty and even the most security personnel of the university. This event had begun in the morning and went on almost till afternoon.

The OSD of Culture and Cultural Relations, Prof. Rajeev Jain, inaugurated the camp and said "Blood donation is the best gift one can give to the mankind. It should help the younger generation to develop their social values." Dr Diana Sharmila, Chief Medical Officer, Department of Transfusion Medicine of Indira Gandhi Government General Hospital who was instrumental in this collaboration said that "there was a good response by the officials, teaching staff and students of the university to donate blood and a large number of blood bags were collected in the camp. The interested donors were physically examined before donation. It is a great initiatives taken by Pondicherry University".

"It is a hectic task to organise the event however it gives me great satisfaction that I can do something for the society. Every person who is fit and well to do should donate blood. I feel great that I am able to contribute for this noble cause," said Dr Arvind Gupta, the Director of the DDE of Pondicherry university.

The students after the donation of blood were treated with juice, biscuits and Donors Certificates were advised to consume fluids in order to make up for the loss of fluids from their body.

We were overwhelmed to see the response of the students and the other members of the university for this camp," said the doctors from the blood bank. Understanding the moral and social responsibility of the institution in view of the huge demand for life saving blood in the city, the vice chancellor of Pondicherry University, Prof Gurmeet Singh took the initiative of conducting this blood donation camp, said Dr Gupta. He further said "We are hoping that by conducting these camps students will be aware of the benefits of blood donation and how a unit of blood can save four lives."

Leading our generation to a healthy, peaceful, and happy Drug Free - Puducherry

Posted On: 06 JUN 2023 1:48PM by PIB Chennai

The community-based student peer educators' sentiments for a healthy Puducherry echo the objectives of the project "Towards a Drug Free Puducherry District" – a community-based project jointly undertaken by the Department of Social Work, Pondicherry University and Ministry of Social Justice and Empowerment (MoSJE), Government of India under Nasha Mukta Bharat Abhiyaan, Launched on 6th April 2022, over a period of 12 months, the project sensitized faculty and students from higher educational institutions in Puducherry against substance abuse and alcoholism in Puducherry District. As part of the project, students from 10 higher educational institutions in Puducherry were trained as peer educators to mobilize women, youth, and at-risk groups in local communities to address the substance use-related issues faced by community members and to aid them in accessing psychosocial support services.

The villages of Periyakalpet, Solainagar, Keezhparikalpattu, Kottaimedu, Melthirukanchi, Sivaranthagam, and Kezhoor were selected for peer-led interventions in this phase of the project. Between December 2022 and April 2023, the students organized a series of activities in these communities such as awareness programmes, focus-group discussions with women, youth and self-help group (SHG) members, health awareness sessions, sports and rangoli competitions, and household KAP (knowledge, attitude, and practice) surveys.

The student peer-educators were felicitated by Prof. Gurmeet Singh, Hon. Vice-Chancellor of Pondicherry University and Prof. B.B. Mohanty, Dean, School of Social Sciences and International Studies, Pondicherry University. Prof. R. Nalini, Principal Investigator provided a brief summary of the project's major achievements. Professor Gurmeet Singh, Hon. Vice-Chancellor, Pondicherry University delivered the presidential address and tabled the project report for the period April 2022-March 2023. Felicitations were offered by Professor B. B. Mohanty and Dr. K. Anbu, Head (i/c) Department of Social Work, Pondicherry University.

The dignitaries distributed the certificates and medals to the student peer educators in recognition of their work and achievements in their communities. Dr. Iftekhar Alam, Assistant Professor and Co-Principal Investigator offered the vote of thanks. The felicitation programme was organized to recognize and commend the potential of youth in Puducherry under the Nasha Mukta Bharat Abhiyaan campaign towards reducing the demand for drugs, especially among children and youth for the creation of a healthy and youthful Puducherry.
