Varsity inks MoU with govt. on social media internships

Pondicherry University has signed a Memorandum of Understanding (MoU) with the government on social media internships and communication outreach of various welfare schemes. The MoU was signed recently by the Community College of the University and the Department of Information and Publicity in the presence of Chief Minister N. Rangasamy and Pondicherry University Vice-Chancellor P. Prakash Babu. Under the MoU, a social media internship and communication wing will be established by the Department of Information and Publicity to disseminate information about welfare schemes and government events through social media. Rajneesh Butani, Registrar (In-Charge), and R. Mounissamy, Director of Information and Publicity, were signatories to the agreement.
