VIKSIT BHARAT @ 2047

Concept Note for Discussion with Universities on Vision for 2047

Introduction

India is at a turning point in its history. The 21st century will be India's century, as the country pole-vaults into the future confident of its capabilities. It is the 5th largest economy in the world today and will be the world's 3rd largest economy by 2027, as its GDP crosses US\$ 5 trillion (IMF estimates). By 2047, India is poised to be a US\$ 30 trillion economy with all the attributes of a developed nation. It will be a Viksit Bharat.

Importance of Transformative Moments

In the histories of nations, there comes a turning point, when a nation grabs the moment and achieves rapid growth. Some of these are:

- Japan:** Post World War II, Japan underwent a remarkable transformation in the 1950s and 60s, a period of rapid economic growth never seen before, often referred to as the 'Japanese Post-War Economic Miracle'. This era propelled Japan into a leading world economy and established it as a global economic powerhouse.
- Germany:** Germany's economic trajectory changed in the 1950s, 60s and 70s, also known as the 'Wirtschaftswunder' or 'economic miracle', a period of rapid economic growth and rising living standards. Germany has since remained among the largest and most competitive economies globally, known for its strong manufacturing base and technological prowess.
- Singapore:** From being a developing country, Singapore transformed itself in the 1960s and 70s, becoming one of the richest nations in the world, and one of Asia's economic powerhouses which is technologically sophisticated.
- South Korea:** From being a war-torn, agrarian and impoverished country in ruins, South Korea transformed its economy dramatically from the 1960s to 90s, a period referred to as the 'Miracle on the Han River' with world leading companies.

These are nations which knew the importance of a turning point and used that occasion to become economic giants. India too is at the cusp of such an opportunity.

India's Opportunity - Its Turning Point

This is India's Amrit Kaal. India has been transformed on many fronts and is ready for take-off. There has been a massive expansion in social and economic infrastructure

Pondicherry University Observes National Pride Events from 13–15 August 2025

Posted On: 15 AUG 2025 6:51PM by PIB Chennai

Link : <https://www.pib.gov.in/PressReleasePage.aspx?PRID=2156979®=3&lang=2>

Pondicherry University observed the nation's 79th Independence Day with great enthusiasm and a series of patriotic events from 13 August 2025 to 15 August 2025. Prof. P. Prakash Babu , Vice-Chancellor, Pondicherry University hoisted the National Flag today (15.08.2025) and delivered the Independence Day speech.

As part of the Government's "**Har Ghar Tiranga**" campaign the university had earlier organized a human chain event on August 13. Students, faculty members, and administrative staff joined hands to showcase national unity and pride.

Additionally, following directives from the University Grants Commission (UGC), the university organized an exhibition and released a video on August 14 to observe Partition Horrors Remembrance Day. The event aimed to honor the victims of Partition and highlight the agony and suffering endured by millions.

Pondicherry University Hon'ble Vice-Chancellor, Prof. P. Prakash Babu inaugurated the Padam Film Festival organized by the Department of Visual Communication, Pondicherry University Community College and delivered the presidential address. He also felicitated the students for their creative work on 21st March 2025.

Workshop on Quantitative Research Methods for Social Science – Department of Electronic Media & Mass Communication on 17th April 2025

https://www.pondiuni.edu.in/university_news/workshop-on-quantitative-research-methods-for-social-science-department-of-electronic-media-mass-communication/

Department of Electronic Media & Mass Communication organized a Workshop on Quantitative Research Methods for Social Science. The workshop aimed to equip students and researchers with essential skills for designing and conducting quantitative research studies in media and communication. Topics covered included survey methodology, sampling techniques, statistical analysis, and data interpretation. Participants also learned to use research software and tools for effective data collection and analysis. The workshop enhanced participants' research capabilities, enabling them to produce rigorous and evidence-based findings. The event supports Sustainable Development Goal 4 (Quality Education) by strengthening research skills critical for academic and professional success in social sciences and media studies.

A Life on Our Planet
An Oscar-nominated documentary
David Attenborough

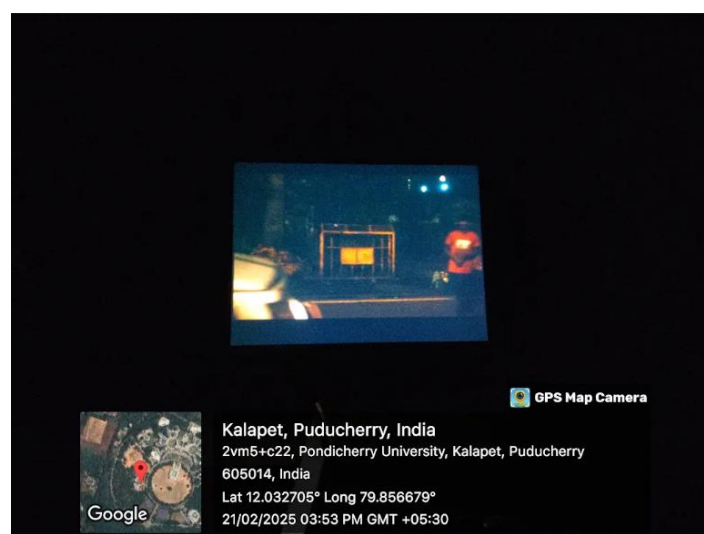

In his 93 years, Attenborough has visited every continent on the globe, exploring the wild places of the planet and documenting the living world in all its variety and wonder. But during his lifetime, Attenborough has also seen first-hand the monumental scale of humanity's impact on nature. One man has seen more of the natural world than any other. This unique feature documentary is his witness statement.

Drishti Film Club - Pondicherry University

A space that

- nurtures ways of seeing, deep listening, empathy and critical thinking
- cultivates focus, vision and appreciation of cinema and artful practices
- offers experiential learning for self-expression and skills development
- encourages interdisciplinary exploration for connectedness, introspection, and well-being of self and the community.

An enrichment lecture on Exploring Film Appreciation in the Digital Age organised by Drishti Film Club, Department of Electronic Media and Mass Communication

Anshika's enrichment lecture on "Exploring Film Appreciation in the Digital Age," organized by Drishti Film Club, Department of Electronic Media and Mass Communication, focused on understanding cinema's language, narrative complexity, and the impact of digital technologies on film consumption and analysis. The lecture introduced students to film theory, genres, cinematic techniques, and historical trends, encouraging critical thinking and appreciation of diverse cinematic forms. Students learned how digital platforms influence film viewing and discussion, fostering a deeper engagement with cinema in today's digital landscape. The Drishti Film Club, Department of Electronic Media and Mass Communication, held an enrichment lecture by Anshika titled "Exploring Film Appreciation in the Digital Age." This event supported Sustainable Development Goal 4 (Quality Education) by promoting media literacy and critical thinking skills relevant to contemporary media.

Invited Talk in hybrid mode on "Stories and the Future of Work" by Kishalay Bhattacharjee organised jointly by DEMMC and EMMRC

The invited talk "Stories and the Future of Work" by Kishalay Bhattacharjee, organized jointly by DEMMC and EMMRC in hybrid mode, examined the evolving nature of work through compelling narratives. This activity is relevant to the United Nations Sustainable Development Goals (SDGs), especially SDG 8, which promotes decent work and economic growth. By exploring how stories shape understanding of future work trends such as inclusivity, skills development, fair wages, and flexible working, the talk highlights the critical role of sustainable employment. It also connects education, gender equality (SDG 4 and 5), and social protection to transforming workplaces for economic resilience and well-being.

1. It enhance understanding and spark meaningful conversations about the changing nature of work in the context of global challenges.
2. The event successfully engaged participants in reflecting on the role of storytelling in shaping perspectives on future work scenarios, emphasizing sustainable employment, inclusivity, and skills development.

Ek Ped Maa Ke Naam – Plant for Mother (Tree planting) on 7th November 2025

The objective of Tree planting activity (Plant 4 Mother) is to honor mothers by planting trees as a symbol of love and gratitude, while simultaneously promoting environmental conservation.

The aim of this tree planting activity is to promote environmental responsibility and honor the nurturing role of mothers by symbolically dedicating a sapling to them. It emphasizes the message that just as a mother nurtures her child, individuals must nurture nature in return. The activity is aligned with the holistic approach of Poshan Maah 2025, which promotes not only nutrition and health but also sustainability and environmental well-being. This activity is relevant to the SDGs primarily through SDG 15 (Life on Land) by combating land degradation and deforestation, and also supports other goals like SDG 13 (Climate Action), SDG 6 (Clean Water and Sanitation) by improving water quality, and SDG 11 (Sustainable Cities and Communities) by creating healthier urban environments.

1. Protect and improve the environment
2. Responsibility for environmental protection and sustainability development among citizens
3. Create healthier ecosystem
4. Improve air quality
5. Increase forest cover

Drawing, Slogan and Quiz competition to PM SHRI Kendriya Vidyalaya No. 2, Pondicherry University Campus school students on awareness among children through creativity and interactive learning on **13.10.2025 and 14.10.2025**

The objective of this event is to raise nutrition awareness among children through creativity and interactive learning.

Different competitions with different themes were conducted, drawing competition (Fight against Obesity), Slogan writing competition (Eat Rightfully) and Quiz competition (Food and Nutrition). Students enthusiastically showcased their creativity and knowledge through colorful illustrations, catchy slogans, and quick-thinking quiz rounds. The competitions promoted healthy eating habits, mindful food choices, and awareness of balanced diets. These activities are highly relevant to **SDG 5: Quality Education** as they transform abstract concepts into engaging, educational, and actionable activities. These competitions promote awareness, critical thinking, creativity, and a sense of responsibility toward creating a more sustainable future.

Report / Outcome

1. Creative and intellectual growth of participants
2. Build confidence and self-esteem to the participants
3. Helps participants to learn new facts and information about a topic
4. Helps to showcase the talent and creative skills
5. Awareness about the event

Men-Streaming - Active involvement of men in nutrition awareness and care giving roles

The objective of this event is to improve overall family health by promoting shared household responsibilities and challenging traditional gender roles

Men streaming focused on promoting men's participation in nutrition, caregiving and also highlighted the need for shared family responsibilities in ensuring better health outcomes. It breaks the traditional gender norms by encouraging men to actively engage in meal planning, healthcare decisions, child nutrition and daily caregiving routines. This activity is relevant to Sustainable Development Goals (SDGs) through its environmental impacts and its potential to reinforce or change gender dynamics.

1. Promoting equitable nutrition practices at household and community level.
2. Nutrition is a shared responsibility
3. Breaking gender norms
4. Family involvement – improve nutritional status, emotional well-being and supportive home environment
5. Normalizing men's participation in family nutrition and caregiving.

Career Development Programme for Fresher's 2025 on 17th July 2025

To guide freshers on effective time management, goal-setting, and career planning, enhancing their professional skills, academic readiness, confidence, and well-being, while fostering future opportunities in food science and allied fields.

The Career Development Programme for Fresher's 2025 focused on time management, goal setting, professional skills, and career planning, supporting SDG 3: Good Health and Well-Being by promoting personal growth, stress management, and balanced academic life. It aligns with SDG 4: Quality Education by enhancing knowledge, skills, and employability, and complements SDG 8: Decent Work and Economic Growth by preparing students for meaningful careers and professional development.

- The programme guided freshers on time management, goal setting, and career planning, enhancing their academic and professional preparedness.
- Students learned about essential skills, internships, and industry opportunities in food science and allied fields.
- The session emphasized stress management, personal growth, and well-being, supporting SDG

The activity improved students' confidence, motivation, and clarity regarding future career pathways, aligning with SDG 4 and SDG 8

Kick Start Programme by the Department of Food Science and Technology
On 17th July 2025, our Department of Food Science and Technology organized an inspiring motivational lecture for the I and II year PG students, delivered by [Dr. Riasudeen S](#), Professor, Department of Management, Pondicherry University, at UMISARC Auditorium.

The session was highly motivating, energetic, and truly inspiring. Dr.Riasudeen encouraged the audience to engage in self-reflection and evaluate their own potential. A key highlight was the insightful discussion on building skills and achieving goals through gamification — a concept that resonated deeply with everyone present. The interactive and engaging nature of the talk kept the entire audience captivated throughout. It was a wonderful initiative to ignite passion and drive within our students!

Fresher's Orientation Programme 2025 on 16th July 2025

To welcome freshers and familiarize with the department's academic structure, laboratories, research culture, and academic expectations of the department, fostering motivated learning, scientific curiosity, responsible practices, and a supportive environment for personal and professional growth.

The Fresher's Orientation Programme introduced students to the department's academic structure, learning resources, and support systems, ensuring a smooth transition into higher education. The activity directly supports SDG 4 (Quality Education) by enhancing learning readiness, promoting academic competence, and creating an equitable learning environment. It also aligns with SDG 3 (Good Health and Well-Being) by emphasizing student wellness, mental health awareness, safety practices, and access to support services essential for a healthy academic journey.

1. The orientation programme successfully introduced freshers to the department's academic structure, curriculum, faculty members, and available learning resources.
2. Students gained awareness about essential academic procedures for the upcoming semester.
3. The session highlighted student support services, wellness initiatives, and campus facilities that promote a healthy and productive learning environment.
4. Freshers were motivated to engage in academic, research, and extracurricular activities aligned with SDG 4 (Quality Education) and SDG 3 (Good Health and Well-Being).
5. Overall, the programme fostered confidence, clarity, and a sense of belonging among new students, ensuring a smooth transition into university life.

INTER-COLLEGE AND INTER-UNIVERSITY IDEA CONTEST “FIGHT AGAINST OBESITY on 4th November 2025

On the topic "Innovative Ideas for a Healthier Tomorrow" — A Creative Approach to Fighting Obesity.

The competition invited participants to submit their ideas on strategies, campaigns, or interventions to combat obesity, focusing on areas such as diet, physical activity, awareness programs, and technology-driven solutions. Entries were assessed based on creativity, feasibility, impact, and relevance to the theme “Fight Against Obesity.” The contest witnessed enthusiastic participation from students across different academic institutions, fostering a collaborative platform for sharing innovative concepts and actionable solutions. This initiative supports SDG 2 (Zero Hunger) by advocating for food and nutrition security, and SDG 3 (Good Health and Well-Being) by promoting dietary awareness to prevent illness. It aligns with SDG 4 (Quality Education) by using student-driven outreach as a learning tool, and SDG 12 (Responsible Consumption and Production) by encouraging informed food choices. Additionally, the collaborative nature of the event reflects SDG 17 (Partnerships for the Goals).

1. The Idea Contest successfully highlighted the importance of youth engagement in health promotion and encouraged participants to think critically about lifestyle-related challenges.
2. It reinforced the overarching objective of Poshan Maah 2025 to spread awareness on nutrition and healthy living, while inspiring creative solutions for building a healthier, more informed community.

Radio Jiggles - Puduvai Vaani – Community Radio Station, Pondicherry University on 13th October 2025.

The radio segments focused on two key themes relevant to present-day dietary habits and sustainability. The first theme, “Millets and Lifestyle”. The second theme, “Valorization of Food and Agricultural Wastes,”

Pondicherry University launches community FM Puduvai Vaani 107.8MHz. The initiative strengthened the campaign’s outreach by promoting key messages on healthy eating, sustainability, and responsible consumption in a clear, relatable, and community inclusive manner. It not only enhanced listener awareness on nutrition and eco-friendly food practices but also provided students with hands-on experience in communication and public engagement. Serving as an effective extension of the campaign, the Radio Jingles and Talk Shows reinforced the importance of making informed food choices and adopting sustainable habits, contributing to the larger goal of building a nutrition-aware and health-conscious community. This initiative strongly aligns with SDG 2 (Zero Hunger) by promoting food security innovations, SDG 3 (Good Health and Well-Being) through improved nutrition, and SDG 12 (Responsible Consumption and Production) by supporting sustainable food systems. By fostering collaboration and knowledge sharing, the event also contributes to SDG 17 (Partnerships for the Goals).

1. Campaign reach beyond the campus by delivering nutrition awareness messages to the wider community through an accessible audio platform.
2. Practical ways to incorporate them into daily meals to prevent lifestyle-related disorders were discussed
3. Importance of reducing food waste and transforming food and farm by-products into value-added products
4. Community awareness increased about nutrition, food safety, and health

Flash mob on the importance of Nutrition Month at Open Air Theatre, Pondicherry University on 24th September 2025.

“Right Nutrition, Healthy Life”, the flash mob creatively promoted the importance of healthy eating and nutrition among the university community.

The program featured a lively and energetic dance sequence conveying messages on healthy living, followed by a display of informative placards carrying compelling nutrition messages and food facts. Some of the key messages included: “Choose Smart, Eat Smart,” “Healthy Food = Healthy Mood,” “Cut Down Sugar—Choose Healthier Alternatives,” and “Right Nutrition, Healthy Life.”

This initiative supports SDG 2 (Zero Hunger) by advocating for food and nutrition security, and SDG 3 (Good Health and Well-Being) by promoting dietary awareness to prevent illness. It aligns with SDG 4 (Quality Education) by using student-driven outreach as a learning tool, and SDG 12 (Responsible Consumption and Production) by encouraging informed food choices.

1. Audience learned the importance of eating a balanced and healthy diet.
2. Students gained experience in spreading awareness and taking social responsibility.
3. Community awareness increased about nutrition, food safety, and health
4. Support for global goals like ending hunger and improving health was promoted
5. Stronger partnerships were built between students, faculty, and the community

Traditional Organic Farmers Festival 2.0 by the Department of Food science and Technology, Pondicherry University on 11th September 2025 with 500 students as participants.

To promote traditional organic farming, sustainable agriculture, and eco-friendly entrepreneurship while enhancing soil health, biodiversity, and resilient food systems for environmental sustainability and rural livelihoods.

The Traditional Organic Farmers Festival 2.0 served as a platform to promote organic farming, traditional crops, and sustainable agri-entrepreneurship. By supporting green livelihoods, value addition, and rural entrepreneurship, the activity aligns with SDG 8 (Decent Work and Economic Growth), along with SDG 2 (Zero Hunger), SDG 12 (Responsible Consumption and Production), SDG 13 (Climate Action), and SDG 15 (Life on Land), contributing to inclusive economic growth and environmental sustainability.

1. The festival witnessed active participation from over 500 attendees, including farmers, students, researchers, and entrepreneurs.
2. More than 70 stalls showcased organic produce, millets, traditional crops, and value-added products, enhancing market visibility for local farmers.
3. The event increased awareness on sustainable organic farming, soil health, and biodiversity conservation.
4. It promoted green entrepreneurship and decent livelihood opportunities (SDG 8) through networking and incubation support.
5. The program strengthened collaboration between academia, farming communities, and sustainability organizations for resilient agri-food systems.

Traditional Organic Farmers Festival 2.0 @ Pondicherry University 🌿
Puducherry Natural Organic Farmers & Local Farmers Cooperative Society, in collaboration with Pondicherry University (ACIC-PUSH, Startup Club, Dept. of Food Science & Technology, Office of Green Campus) and APSCC, hosted the Traditional Organic Farmers Festival 2.0 at the University's Cultural-cum-Convention Centre on 11th September 2025. Students from various colleges, farmers, entrepreneurs, industry persons, and researchers participated in this event. Focus on sustainable agriculture, organic practices, green entrepreneurship. Emphasis on millets, traditional crops, waste recycling, value addition & food innovation. A highly motivating and energetic session was delivered by Mr. [Dhinesh Mani](#), Founder & CEO, [Dhaanyas Natural Products](#), Madurai, who shared his journey on 'Tradition to Enterprise: The Farmer Startup Story', and Dr R. Shankaran, Managing Director, [Frigoscan](#) Postharvest Technologies Pvt. Ltd., Chennai, who spoke on 'Startup Struggles to Startup Success: Lessons from Entrepreneurs', inspiring participants with their real-world experiences in agri-entrepreneurship. The festival concluded with a call for stronger academia–industry–community collaboration to build a resilient and eco-conscious agri-food system. 🌿

Francophonie 2025 – Français sans frontières – Inter-collegiate Fest by the department of French on 17-20 March 2025.

From March 17 to March 21, 2025, the Department of French at Pondicherry University hosted Francophonie Week 2025, celebrating the richness of the French language and culture. A variety of events were organized for master’s students, including Le Grand Éveil, L’Art de Parole, the French Film Festival, Masterchef Pondicherry, Les Affiches Adorables, and Image en Vers, culminating in a valedictory ceremony. Alongside these activities, Francophonie en Pixel ran from March 17 to March 20, providing a creative digital platform for students to engage with Francophone themes.

For the first time, the department also organized an Inter-Collegiate Francophonie Fest on March 20, 2025, welcoming undergraduate and honors students from Sri Manakula Vinayagar Engineering College, Bharathidasan Government College for Women, and Tagore Government Arts and Science College. The students enthusiastically participated in competitions such as Quiz, Elocution, and Les Affiches Adorables, fostering a spirit of linguistic and cultural exchange. On the same day, the department proudly unveiled its official newsletter, marking a significant milestone in academic and cultural engagement

Students Selected for Prestigious English Language Assistant Program in France on June 2025

The Department of French is delighted to announce that nine students from the M.A. French Batch (2023–25) have been selected for the English Language Assistant Program (2025–26) in France. This esteemed program, managed by the Embassy of France/Institut Français in India and offered by the French Ministry of Education, provides a valuable opportunity for intercultural exchange and hands-on teaching experience. Selection is based on a competitive and rigorous screening process.

M.A French Students (Batch 2023-25) Selected for the English Language Assistant Program

Department of French is extremely proud to announce that 9 students have been selected for the English Language Assistant program (2025-26) in France.

This program, offered by the French Ministry of Education, is managed by Embassy of France/Institut Français in India and aims at providing intercultural exchange and teaching experience to international students. The candidates are selected based on a rigorous screening and selection process.

 Anu Shailesh Patil (Amiens)	 Heena Damji Bhanushali (Grenoble)	 Hephzibah James (Amiens)
 Megha Arora (Grenoble)	 Najwa Aboobackar P K (Montpellier)	 Priyanka A (Nice)
 Svaha Myvannan (Dijon)	 Vincy Hena D (Montpellier)	 Willard Bonalin RD (Montpellier)

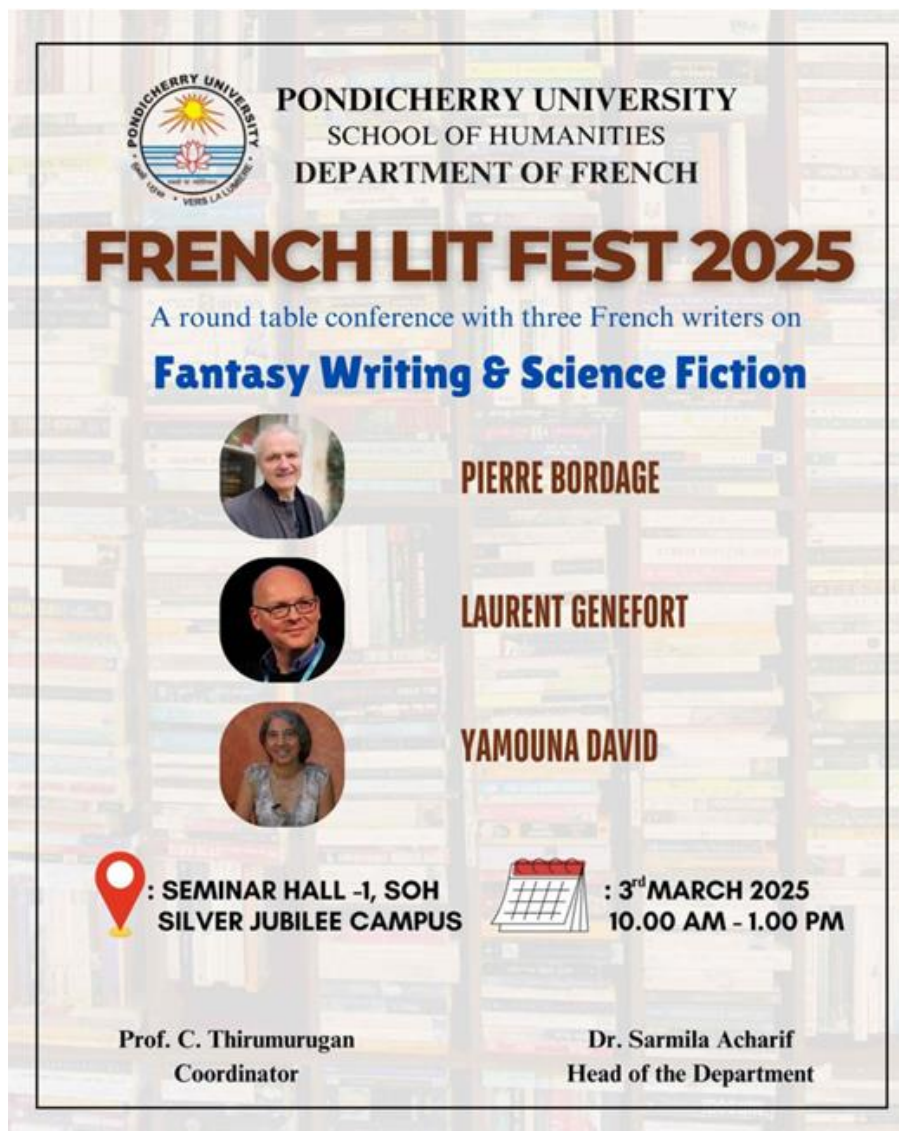

Congratulations to the selected students!

Dr. SARMILA ACHARIF
Head of the Department

As part of the program, the selected students will serve as English Language Assistants in French schools from October 2025 to April 2026. They will work with students across different age groups, depending on their placement and preferences. This unique experience will not only enhance their language and teaching skills but also provide cultural immersion and pave the way for a range of academic and professional opportunities in the future.

French LIT Fest by the Department of French on 3rd March 2025.

On 3rd March, a Literary Festival was organized, featuring three renowned French authors: Pierre Bordage, Laurent Genefort, and Yamouna David. The event took the form of a round table conference, where the authors discussed the genres they write in and how they make their stories feel realistic. Through this insightful discussion, students gained valuable knowledge on writing techniques, helping them understand the steps involved in crafting a compelling narrative.

Datamark Placement Drive by the Department of French on 28th February 2025.

On 28th February, Datamark, a leading Business Process Outsourcing (BPO) company that serves Fortune 100 companies, conducted a placement drive for students aspiring to work in the corporate sector. The process began with an orientation session, followed by a group discussion (GD) and an English proficiency test 28 February, 2025 Datamark Placement Drive (AMCAT). After undergoing training, candidates were assessed through a French proficiency test to evaluate their language skills. With its headquarters in the US, Datamark offers exciting opportunities for professionals in multilingual outsourcing and corporate services.

Awareness Programme to Students on Corporate Work Culture by the department of French on 10th February 2025.

Our esteemed alumna, Thamizhvendhi S (Batch 2015-17), returned to campus to guide second-year students as they prepare to step into the job market. Drawing from her corporate experience, she provided valuable insights on how to excel in job interviews and shed light on companies that work with French speakers.

She also emphasized the importance of corporate values, helping students understand what employers look for beyond technical skills. Her session offered practical knowledge, equipping students with a clearer understanding of career opportunities in the corporate world.

International Day of Forests – 2025 Contests by the department of Centre for Pollution Control and Environmental Engineering on 21st March 2025.

On the occasion of International Day of Forests, to bring in awareness and involvement of the young students on the importance and significance of forests, various competitions/ contests were conducted.

Forests are vital part of our global ecosystem and critical towards achieving sustainable development goals as they provide food, timber, fuel, medicine etc. hence they are important in eliminating poverty, hunger, and manage natural resources sustainably.

Forests mitigate climate change through carbon sequestration, contribute to the balance of oxygen carbon dioxide, and humidity in the air and protect watersheds, which supply 75% of fresh water.

1. Competitions such as quiz, monoact/ group act, drawing/ painting, photography, story telling/poetry, games on the theme 'Conservation of forests and water resources' were conducted
2. Certificates for the winners and all the participants were distributed
3. Active and enthusiastic participation of the students especially from the NEP I Year students and III MA/MSc Integrated students registered for the Value added course Environmental Science offered by the Centre

Alumni Talk Series by Prof. P. Sankar Ganesh from BITS, Hyderabad campus on ‘The Novel Integrated Aerobic and Anaerobic (IAAN) Reactor System for Landfill Leachate Valorization’ by the department of Centre for Pollution Control and Environmental Engineering on 20st March 2025.

The talk is on the important technology on integrated aerobic and anaerobic reactor system for treating landfill leachate effectively. The topic is relevant for the MTech and PhD students as they study in curriculum and do research project on wastewater treatment.

Closed landfill leachate contains hazardous pollutants that are difficult to treat. Current systems lack efficient integration for aerobic and anaerobic processes to achieve optimal treatment, risking environmental damage. This technology deals with wastewater treatment, renewable energy, sanitation etc., connected to SDGs 6, 7, 11, 12 and 13.

1. Exposure of MTech and PhD students to latest technology in landfill leachate treatment
2. Get motivated by listening to the alumnus of the Centre who is doing very well in the field

Lighting patterns in Photography session at Pondicherry University Community College on 6th March 2025 with 75 students as participants.

A two-day workshop on Lighting Patterns in Photography provided students with practical exposure to studio and outdoor lighting techniques essential for professional photography. Participants engaged in hands-on sessions that enhanced their technical knowledge and creative skills in capturing high-quality images. The workshop bridged theoretical learning with industry practices, thereby improving student confidence and employability in the creative sector. This activity supports the Sustainable Development Goals by contributing to SDG 4: Quality Education through skill-based training, SDG 8: Decent Work and Economic Growth by preparing students for careers in the media and creative industries, and SDG 9: Industry, Innovation, and Infrastructure by encouraging innovation in visual communication practices.

1. A two-day workshop on *Lighting Patterns in Photography* provided hands-on training in studio and outdoor lighting techniques.
2. Students gained practical skills in handling equipment and applying different lighting setups for professional-quality photography.
3. The sessions enhanced creativity, technical knowledge, and confidence in visual communication.
4. The workshop strengthened career readiness by aligning classroom learning with industry practices.
5. It supported **SDG 4 (Quality Education), SDG 8 (Decent Work and Economic Growth), and SDG 9 (Industry, Innovation, and Infrastructure)** through skill-based learning and innovation in creative industries.

Awareness Program on Media Entrepreneurship in the Digital Age – Department of Visual Communication – Pucc, Lawspet on 25th March 2025.

The poster features a textured, parchment-like background with a dark border. At the top, there are six circular logos: Pondicherry University, a book icon, the 'Developed India Mission' logo, a gear icon, a bar chart icon, and another university logo. Below these logos, the text reads 'PONDICHERRY UNIVERSITY COMMUNITY COLLEGE DEPARTMENT OF VISUAL COMMUNICATION'. In the center, it says 'In collaboration with MINISTRY OF MICRO, SMALL AND MEDIUM ENTERPRISES Organises an Awareness Program on MEDIA ENTREPRENEURSHIP IN THE DIGITAL AGE'. The 'SPECIAL GUEST' is Mr. Amit Nain, Dy. General Manager of MSME Technology Centre, Puducherry. The program is 'PRESIDED BY' Prof. A. Pandu, Professor and Head of the Department of Commerce at Pondicherry University Community College. Under 'RESOURCE PERSONS', there are three names: Emmanuel Felix (Prop. Light @ 45 degree, Pondicherry), Mr. Arun Titan (CEO and Founder of Silail, Chennai), and Mr. Hariharan Manickam (Digital content marketing expert, Pondicherry). The event details are: Date: 25 March 2025, Venue: Seminar Hall, Pucc, Time: 10 AM onwards. The 'ORGANISING COMMITTEE' includes Dr. C. Suresh Kumar (Associate Professor & Head I/c, Department of Visual Communication, Pondicherry University Community College) and Dr. K. S. Krithika (Associate Professor, Department of Visual Communication, Pondicherry University Community College). Other faculty members listed are Dr. K. Thuyavarman (Guest Faculty, Dept. of Vis Comm, Pucc), Mr. E. S. Ilhandevan (Resource Person, Dept. of Vis Comm, Pucc), and Mr. R. Robert Arudco James (Resource Person, Dept. of Vis Comm, Pucc). On the left and right sides, there are illustrations: a person holding a lightbulb connected to a power cord, and a person holding a power cord connected to a large dollar sign. At the bottom right, there is a graphic that says 'YOU ARE INVITED' with a megaphone icon.

This is a one-day awareness programme on Media Entrepreneurship sponsored by the MSME

As the coordinator of the MSME-sponsored awareness programme on *Media Entrepreneurship in the Digital Era*, I invited Mr. Arun Titan, CEO and Founder of *Siilai* and a renowned photographer, who delivered a thought-provoking lecture on the role of hard work and persistence in building a business. Mr. Hariharan Manickam shared insights on digital content creation and promotion, while Mr. Felix, photographer, spoke on setting up a business, covering the journey from research to strategies. The programme not only motivated students to pursue entrepreneurship but also equipped them with practical knowledge of the digital media landscape. The activity is relevant to the **Sustainable Development Goals**, particularly **SDG 4: Quality Education** through skill-based learning, **SDG 8: Decent Work and Economic Growth** by encouraging entrepreneurship, and **SDG 9: Industry, Innovation, and Infrastructure** by promoting innovation in the media sector.

1. The programme motivated students to consider entrepreneurship in the digital media sector.
2. Participants were introduced to the importance of persistence and hard work in building a business.
3. They were taught methods to start and manage a business, from research to strategy development.
4. The sessions highlighted digital content creation and promotion as essential entrepreneurial skills.
5. The event strengthened awareness of entrepreneurship, aligning with **SDG 4, SDG 8, and SDG 9**.

National Workshop on Professional Video Production – PUCC, Lawspet on 23rd February.

- To give the participants a hands-on training in end-to-end video production process.
- To provide experience in handling professional video cameras and online and offline editing.
- To impart experience in ‘live’ editing in a multi-camera set up and use the mixers/switchers.
- To help in understanding the issues in live audio recording process.

As a coordinator the RGNIYD sponsored national workshop on **Professional Video Production**, I had **invited** industry experts from **Sun TV**, where students received hands-on training using industry-standard equipment such as professional cameras and control units. Over two days, the experts trained the participants in camera handling and production techniques, enabling them to gain practical exposure beyond classroom learning. The workshop directly supported the **Sustainable Development Goals** by promoting **Quality Education (SDG 4)** through skill-based training, contributing to **Decent Work and Economic Growth (SDG 8)** by enhancing employability and career readiness, and strengthening the link between academia and industry in line with **Industry, Innovation, and Infrastructure (SDG 9)**. By combining technical training with industry collaboration, the activity empowered students to build sustainable careers in the media sector.

- Students received hands-on training in professional video production using industry-standard cameras and control units.
- Experts from Sun TV provided practical insights into camera handling, production techniques, and industry practices.
- The workshop bridged academic learning with real-world exposure, enhancing student skills and confidence.
- Participants gained career-relevant knowledge that supports employability and entrepreneurship in the media sector.
- The event contributed to the Sustainable Development Goals by promoting quality education, industry-academia collaboration, and skill development.

Students Orientation Programme 2024

The main SDG specific target of this event is to introduce the students with their new academic environment and its potentials.

To help the students to familiar with departmental facilities, academic culture, and research opportunities of the university. Thus, encourage them for active involvement in academics and other activities from the beginning.

The Department organized an Orientation Programme for newly admitted students with the aim of welcoming them and providing a clear understanding of the university. The students were introduced with academic environment, available resources, departmental structure and discussed about the rules and regulations, and support services available to the students. The orientation helped to ease the transition of students into a new academic environment and enhance their motivation. The speakers also shared information regarding the scope and relevance in current scientific research, industry applications, and career opportunities in both public and private sectors. Along with that senior student shared their experiences, creating a welcoming and motivating environment.

1. Students gained a clear understanding of the departmental structure, academic facilities, and available support systems.
2. Active interaction between faculty, senior students, and new students promoted a sense of community and belonging.
3. Increased curiosity and awareness of the subject's scope and opportunities among students.

Student Film Festival on Sport, Gender and Society – Centre for Women’s Studies on 24th October 2025

Inauguration of Pondicherry University Nature Club in conjunction with Celebration of International Biodiversity Day on 24th May 2024

International Day for Biological Diversity - 22 May

In December 2000, the UN General Assembly adopted 22 May as IDB, to commemorate the adoption of the text of the Convention on 22 May 1992 by the Nairobi Final Act of the Conference for the Adoption of the Agreed Text of the Convention on Biological Diversity.

https://www.pondiuni.edu.in/university_news/inauguration-of-pondicherry-university-nature-club-celebration-of-international-biodiversity-day/

The poster is divided into three main sections. The top left section features the Pondicherry University logo and the text: "Inauguration of PONDICHERRY UNIVERSITY NATURE CLUB in conjunction with celebration of INTERNATIONAL BIODIVERSITY DAY". The top right section, on an orange background, lists the "Inaugural Speech by Prof. K. Tharanikkarasu, Hon. Vice-Chancellor" and the "Welcome Speech by Dr. Yedla Venkata Rao, Dean, Student Welfare". The bottom right section, on a dark green background, identifies the "GUEST SPEAKER" as "Prof. (Dr.) N. Parthasarathy, Professor, FNASc, Department of Ecology and Environmental Sciences, Pondicherry University". The bottom left section, on a light green background, provides "EVENT DETAILS" for "24 MAY 2024".

Screening and Awareness Campaign on Women's Health organized by Internal Quality Assurance Cell, Department of Food Science and Technology in association with the Rotary Club of Pondicherry-Divine City & Pondicherry Institute of Medical Sciences on 08 March 2024

While poverty is an important barrier to positive health outcomes for both men and women, poverty tends to yield a higher burden on women and girls' health due to, for example, feeding practices (malnutrition) and use of unsafe cooking fuels (COPD).

Lecture series on Innovations in food technology for healthy food systems organized by Department of Food Science and Technology on 12th January 2024.

This major move forward will allow us to fine-tune the exact nutrients in our food, make creative food designs, and use environmentally friendly ingredients like insect protein or algae.

3D printing food makes it easier and more creative for restaurants and space missions to do their jobs. This ability to produce meals with specific nutrients is a huge step forward in fighting world hunger.

https://www.pondiuni.edu.in/university_news/lecture-series-on-innovations-in-food-technology-for-healthy-food-systems-department-of-food-science-and-technology/

The poster is a vertical rectangular graphic with a dark blue background and yellow accents. At the top left, it reads 'PONDICHERRY UNIVERSITY' in yellow, followed by 'Department of Food Science and Technology' in white. To the right is the university's circular logo, which features a sun, a lotus, and the motto 'VERS LA LUMIERE'. Below this, the text 'Lecture Series' is written in white inside a yellow rounded rectangle. The main title, 'Innovations in Food Technology for Healthy Food Systems', is in bold black text on a yellow background. The date and time, '12 January 2024' and '03:00 - 04:00 pm', are listed in white, along with the location 'S8 Hall, DFST'. A circular inset on the right shows a woman, Dr. Kavya Dashora, wearing a pink and white patterned sari. At the bottom left, her name 'Dr. Kavya Dashora' is highlighted in a yellow box, followed by her title and affiliation: 'Associate Professor, Centre for Rural Development and Technology, Indian Institute of Technology, New Delhi'. The poster is decorated with small white dots at the top and bottom.

International Conference on Bioinformatics in Health and Food Security organized by Department of Bioinformatics from 14-16 March 2024

Food security is the ability of people to have access to enough safe and nutritious food to meet their dietary needs and lead an active, healthy life. Food insecurity is when people don't have regular access to enough food. Food insecurity can be a major public health concern and can negatively impact mental health.

National Seminar on Portrayal of Fisherman Society and Culture in the Literature and Cinema organized by Department of Hindi

The fishing community is a society with low income socio-economic conditions, poverty of fishing communities originating from weak human potential and lack of environmental support in utilizing the natural potential and available resources. With the specific cultural characteristics of fishing communities, it does not always support increasing the potential of its citizens, sometimes even hampering the progress of the community itself. Fishermen communities pay less attention to their settlement environment, fishermen's neighborhood conditions look bad, it requires structuring fishermen's neighborhoods, especially the existence of open spaces.

साहित्य और सिनेमा में मछुआरा समाज और संस्कृति का चित्रण

Portrayal of Fisherman Society and Culture in the Literature and Cinema

मछुआरा समाज का वजूद प्राचीन काल से ही भारतीय समाज में विद्यमान रहा है। यह समाज काफी शांति-पिय भी रहा है। भारतीय सामाजिक संरचना में सभी वर्गों का अपना महत्व और योगदान है। मछुआरा समुदाय भी भारतीय सामाजिक संरचना का अभिन्न अंग है। आधुनिकता और विकास के क्रम में कई समुदायों के समक्ष रोजी-रोटी के साधन छिन जाने का भय, रोजगार पर बड़ी पूंजीवादी ताकतों का हमला, प्राकृतिक और कृत्रिम विपर्यस्त के कारण विस्थापित होने का डर तथा बुढ़ापे में स्वास्थ्य सामाजिक असुरक्षा आदि की समस्याएं भी उपस्थित हो रही हैं। मछली व्यवसाय के क्षेत्र में श्रमिकों का हाल बेहाल है, यहाँ केवल रोजी-रोटी की नहीं बल्कि अस्मिता और सांस्कृतिक अस्तित्व का भी सवाल है। मछुआरों का भी संघर्ष-पूर्ण और व्यापक इतिहास रहा है, जिसके प्रमाण केवल इतिहास में नहीं पौराणिक कथाओं में भी मिलता है।

भारत के परिपेक्ष्य में मछुआरा समुदाय को कई नामों से जाना जाता है, जैसे मांझी, केवट, निषाद, मल्लाह, धीवर आदि। ये लोग विशेषकर अपने पारंपरिक पेशे से जुड़े हुए हैं। मछली पकड़ना, मछली पालन करना और उसे बेचना ही इनका प्रमुख कार्य रहा है। इस तरह हम देख सकते हैं, हमारे यहाँ समुद्री और अंतर्देशीय नदी, तालाब एवं झरना अर्थात् मोटा-मोटी तौर पर कहे तो खारे एवं मीठे पानी के यहाँ मुख्य रूप से मछली पकड़ने के ही प्रमुख स्रोत हैं, जिन पर मछुआरा समाज मछली पकड़ने के लिए सदा निर्भर है। समुद्र किनारे पर जो मछुआरे पाए जाते हैं, उनका मछली पकड़ना व्यापक व्यवसाय बन चुका है। लेकिन आज भूमंडलीकरण के दौर में उनका पारंपरिक पेशा छिनता चला जा रहा है, क्योंकि आज गड, पोखरों, नदी से लेकर समुद्री तटों तक पूंजीपतियों का कब्जा होने लगा है। इसी दृष्टि से हाशिए समाज में रहने वाले मछुआरों से संबंधित उपन्यास लेखन का कार्य एक सवालनवादी नजरिये से वंचित वर्ग के ही अधिकांश उपन्यासकारों ने किया है। मछुआरों की संवेदनापूर्ण समस्याओं पर विचार-विमर्श की बड़ी प्रासंगिकता है।

मछुआरा तथा नदी-समुद्र केंद्रित प्रमुख विश्व स्तर की रचनाओं में अर्नेस्ट हेमिंग्वे का अंग्रेजी में लिखित उपन्यास 'ऑन ओल्ड मैन एंड द सी', जार्ज एलियट के 'द मिल ऑन द फ्लोस' मिखाईल सालोकेव का रूसी भाषा में लिखित उपन्यास 'एंड क्याइट क्लोज द डोन' तथा हिंदी भाषा में लिखित कथाकार संजीव का उपन्यास 'रह गई दिशाएं इस पार', नागाजुन के 'चरण के बेटे', देवेद सत्यार्थी के द्वारा लिखित 'ब्रह्मपुत्र', उदय शंकर भट्ट का 'सागर लहरे और मनुष्य', ओडिया भाषा में लिखित प्रतिभा राय का उपन्यास 'मग्न माटी' भीम पृष्ठी के 'मुहाण', इषी केश पंडा का उपन्यास 'गर्व करिबा कथा' एवं बट कृष्ण त्रिपाठी का उपन्यास 'काईचर स्वप्न', बांग्ला भाषा में लिखित माणिक बंदोपाध्याय का उपन्यास 'पद्मा नदी मांझी', विभूति भूषण बंदोपाध्याय के 'इच्छामती', सरोज कुमार चौधरी के 'मसूराक्षी', गुणमय मन्ना के 'प्रवाहिनी गंगा', और सैय्यद यली के 'कांदो नदी कांदो', समरेश बसु का उपन्यास 'गंगा' अद्वैत मल्लवर्मेन का 'तितस एक नदी का नाम', मलयालम भाषा में लिखित शिव शंकर पिल्लै का उपन्यास 'चेम्मीन', नरेंद्रनाथ मित्र की कहानी 'यात्रापथ' आदि कृतियाँ उल्लेखनीय हैं। इसी भांति अन्य भाषाओं में भी मछुआरों पर केन्द्रित और कई रचनाएं हैं।

Two Days Workshop on Entrepreneurial Opportunities for Disabled organized by Centre for Study of Social Exclusion and Inclusive Policy & Department of Management Studies on 28th September, 2024

As per the report by the United States Census Bureau, roughly 15% of people with disabilities have started their businesses, and that number is increasing.

Many people with disabilities have launched successful businesses from home, franchises, and even niche startups. With such a wide range of business opportunities open to people with disabilities, it can sometimes be tough to decide which one is best.

World Food Day – 2024 Celebration – Invited Talk on “Nutrition for Health” organized by Department of Biochemistry, PUCC on 21st October, 2024

FAO Special Goodwill Ambassador for Nutrition, said that in an example of positive change, the African Union's Pan African Parliament, "has collaborated with FAO to develop a model law on food security and nutrition. This model law serves as a guiding framework, inspiring African Union member states to formulate their own legislation that upholds the right to adequate food as well as food security for all citizens. To facilitate the transition from this model law to concrete legislative action, parliamentary alliances have been established across

IAAP – 28th International and 59th National Conference on Applying Psychology for Professional Excellence organized by Department of Applied Psychology from 2-4 February, 2024

Excellence as a scientific concept has seldom been the subject of academic scrutiny. This article describes a framework for excellence that can be related to areas of applied psychology. Fifteen 'pillars of excellence' are outlined that may help guide professional psychologists in activities such as appraisal and continuing professional development.

https://www.pondiuni.edu.in/university_news/iaap-28th-international-and-59th-national-conference-on-applying-psychology-for-professional-excellence/

The poster for the IAAP 28th International and 59th National Conference features a vibrant orange background. At the top, it displays the logos of Pondicherry University, the Rajawadee Rajaratnam Foundation, and the Indian Psychological Association (IPA). The central text reads "IAAP 28th International and 59th National Conference" in a large, stylized font, followed by the theme "APPLYING PSYCHOLOGY FOR PROFESSIONAL EXCELLENCE" and the dates "2-4 February, 2024". Below this, there is an illustration of people assembling puzzle pieces, symbolizing the integration of psychology into professional excellence. The poster also includes contact information for the conference, a QR code, and a Google Maps link for the venue at Pondicherry University.

Two day International Workshop on “Scientific and Traditional Yoga for Personality Development of Youth” organized by Department of Physical Education and Sports on 18 & 19 January 2024

Personality is a very common term which is used in our day-to-day life. It tells us what type of person one is. We know that each person generally behaves consistently in most of the situations. The examples of this consistency can be seen in a person who remains friendly or a person who is generally kind or helpful in most situations. Such a consistent pattern of behaviour is termed as personality. It can be called as the sum total of behaviour that includes attitudes, emotions, thoughts, habits and traits. This pattern of behaviour is characteristic to an individual.

https://www.pondiuni.edu.in/university_news/international-workshop-on-scientific-and-traditional-yoga-for-personality-development-of-youth-pucc/

The poster features a yellow background with a dark red border. At the top, there are four small images: a crest, a person in a yoga pose, a glowing silhouette of a person, and a woman in a yoga pose. The main title is in large, bold, blue and red text. Below the title, there is a blue rounded rectangle containing the date and venue. To the left of the title is a circular portrait of a man. To the right is the name of the person presiding over the event. At the bottom, there are two organizers listed with their titles and affiliations. The Pondicherry University logo is in the top right corner.

3 Days Training Programme on Youth Wellbeing in Higher Education organized by Department of Management, PUCCL from 19th – 21st March, 2024

Student well-being (SWB) encompasses the physical, psychological, and social wellness of students, aspects increasingly at risk in the high-pressure environment of higher education. Marked by intense workloads, unmet expectations, and uncertainties around degree completion and employment, the higher education sector faces a growing challenge in maintaining and enhancing SWB. Current instruments for assessing SWB are limited in scope, failing to capture its multifaceted nature comprehensively.

https://www.pondiuni.edu.in/university_news/training-programme-on-youth-wellbeing-in-higher-education-pucc-lawspet/

The poster features logos at the top for Pondicherry University, Azadi Ka Amrit Mahotsav, and the Government of India's 'Developed India Mission' (300 Crores for SWB). The main text is in purple and pink, with a background of colorful silhouettes of people. A QR code is located in the bottom right corner.

Three-day National Workshop on First-Aid Management for Sports organized by Department of Physical Education and Yoga, PUCC from 20th - 22nd February, 2024

Many minor sports injuries can often be treated and healed quickly with immediate first aid care. So, understanding the basic first aid for sports injuries can greatly help prevent further damage to your body. That said, this article focuses on the types of sports injuries, their symptoms, what to do immediately after a sports injury, and what your sports first aid kit should have.

International Seminar on Health, Fitness & Wellness: Empowering A Resilient Future organized by Department of Physical Education and Sports from 29th February, 2024 to 1st March 2024

Achieving long-term wellness is a commitment to balancing physical, mental, and emotional health over the course of your life. “Empower Your Health: Strategies for Long-Term Wellness,” rooted in principles supported by the American Sports and Fitness Association (ASFA), provides a comprehensive guide to help you build and maintain sustainable health practices. This approach to wellness transcends short-term fixes, instead focusing on creating habits and strategies that foster lifelong well-being.

Three-day National Workshop on “Psychological Awareness among Youth” organized by Department of Biochemistry, PUCC from 28th February, 2024 to 1st March 2024

Spreading awareness on the state of mental health in youth is necessary to surface deep and honest conversations on the many ways adolescents are subjected to high levels of stress and trauma. It allows communities across all demographic groups to recognize the warning signs and prevent the dismissal of severe struggles as just another assumed kid or teenage habit.

https://www.pondiuni.edu.in/university_news/invitation-national-workshop-on-psychological-awareness-among-youth-pucc-lawspet/

The poster features a light blue background with a teal border. At the top, there are logos for Pondicherry University, Rajiv Gandhi National Institute of Youth Development, and various international organizations like WHO, UNICEF, and UN Women. The main text is centered and reads: 'PONDICHERRY UNIVERSITY COMMUNITY COLLEGE (A Constituent College of Pondicherry University) DEPARTMENT OF BIOCHEMISTRY in collaboration with RAJIV GANDHI NATIONAL INSTITUTE OF YOUTH DEVELOPMENT (Institution of National Importance by the Act of Parliament No.35/12 Ministry of Youth Affairs and Sports, Government of India, Sriperumbudur, Tamil Nadu) Organises A THREE-DAY NATIONAL WORKSHOP On "PSYCHOLOGICAL AWARENESS AMONG YOUTH" VENUE: SEMINAR HALL DATE: 28.02.24 - 01.03.24 TIME: 9:30 am - 5:00 pm'. Three-day National Workshop on ‘Mindfulness Practices for Youth’ organized by Department of Mathematics, PUCC from 11 – 13 March, 2024

Most youth experience states of mindfulness sometimes through a physical activity or being in nature. With continued practice, mindfulness can become a trait or disposition and an approach to life. MBIs such as the well-known Mindfulness-Based Stress Reduction (MBSR) are recognized as evidenced- based practices for stress reduction and other challenges such as anxiety. Many programs for youth have been adapted from MBSR.

5 days National Workshop on Athletics Beyond the Finish Line: Navigating Athletics on Rules and Regulations organized by Directorate of Sports from 4th March – 8th March 2024

As athletes transition out of competitive sports, identifying sustainable career paths and establishing robust support systems are paramount to their success. While the challenges are significant, there is a spectrum of opportunities that, if harnessed correctly, can lead to fulfilling second careers for these highly skilled individuals.

https://www.pondiuni.edu.in/university_news/national-workshop-on-athletics-beyond-the-finish-line-navigating-athletics-on-rules-and-regulations-directorate-of-physical-education-sports/

3 days Training Programme on Youth Wellbeing in Higher Education organized by Department of Management, PUCC from 19th – 21st March, 2024

The crisis of mental health among youth the world over came to the fore during the pandemic because of wide scale social isolation and a significant decline in well-being among the youth (Ford & Freund 2022). However, even after the pandemic has waned since 2022, the mental health challenges of youth have not receded (Hamilton 2023). Of course, the pandemic has only added to the existing stressors that young people face tremendous pressures to succeed, digital technology and social media, climate change, racial-caste-gender-religious inequalities, poverty, and violence (ibid.)

You are cordially invited....

RAJIV GANDHI NATIONAL INSTITUTE OF YOUTH DEVELOPEMNT
(Sriperumbudur, TN)

in Collaboration with
DEPARTMENT OF MANAGEMENT
PONDICHERRY UNIVERSITY COMMUNITY COLLEGE

Cordially invites you to the Inauguration of its 3 Days Training Programme on
"YOUTH WELLBEING IN HIGHER EDUCATION"

Venue: Seminar Hall, P.U.C.C Campus @9:45 AM on March 19, 2024

CHIEF GUEST
Thiru. Ashish Madhaorao More, I.A.S
Commissioner-cum-Secretary to Government (Education)
Government of Puducherry

has consented to inaugurate the event and deliver Chief Guest address

GUEST OF HONOR
Prof. Vasanthi Rajendran
Head, Centre for Training Orientation & Capacity Building
Rajiv Gandhi National Institute of Youth Development
Sriperumbudur, TN

Prof. Malabika Deo
Dean, School of Management, Pondicherry University

will deliver Guest of Honor Address

Prof. Lalitha Ramakrishnan
Principal (i/e), P.U.C.C.

will deliver Presidential address
Program Coordinator
Dr. A. Bharathy
Assistant Professor, Department of Management, P.U.C.C.

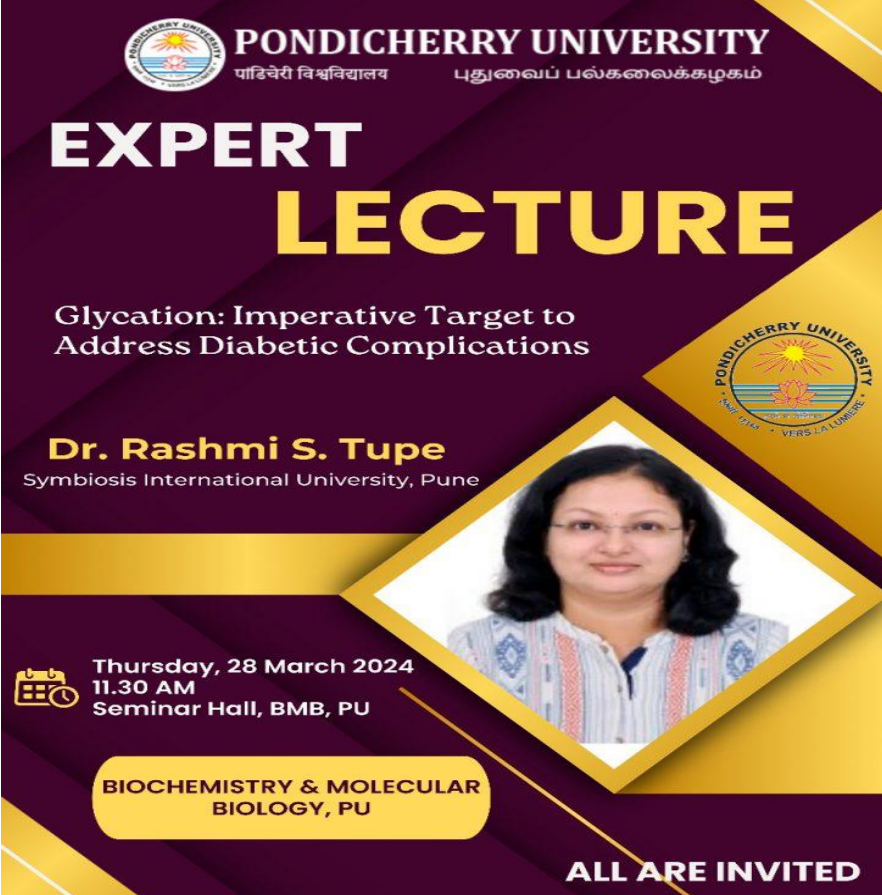

Welcome Address
Dr. C. Arjunan
Head (i/e) & Assistant Professor

Vote of Thanks
Dr. R. Sathiyamoorthy
Assistant professor

Expert Lecture on Glycation: Imperative Target to Address Diabetic Complications organized by Department of Biochemistry & Molecular Biology on 28th March, 2024

During long standing hyperglycaemic state in diabetes mellitus, glucose forms covalent adducts with the plasma proteins through a non-enzymatic process known as glycation. Protein glycation and formation of advanced glycation end products (AGEs) play an important role in the pathogenesis of diabetic complications like retinopathy, nephropathy, neuropathy, cardiomyopathy along with some other diseases such as rheumatoid arthritis, osteoporosis and aging. Glycation of proteins interferes with their normal functions by disrupting molecular conformation, altering enzymatic activity, and interfering with receptor functioning.

https://www.pondiuni.edu.in/university_news/expert-lecture-on-glycation-imperative-target-to-address-diabetic-complications-department-of-biochemistry-molecular-biology/

The poster is for an expert lecture at Pondicherry University. It features a purple and gold color scheme. At the top left is the university's logo and name in English and Tamil. The main title 'EXPERT LECTURE' is in large, bold letters. Below it, the topic 'Glycation: Imperative Target to Address Diabetic Complications' is written. The speaker's name, 'Dr. Rashmi S. Tupe', and her affiliation, 'Symbiosis International University, Pune', are listed. A portrait of Dr. Tupe is shown in a diamond-shaped frame. The date and time, 'Thursday, 28 March 2024, 11.30 AM', and the location, 'Seminar Hall, BMB, PU', are provided. A yellow box at the bottom contains the text 'BIOCHEMISTRY & MOLECULAR BIOLOGY, PU'. The phrase 'ALL ARE INVITED' is at the bottom right.

Awareness Program on Kidney Health for all “Advancing Equitable Access to Care and Optimal Medication Practice” organized by Department of Renal Dialysis Technology (PUCC) on 12th April, 2024

There is lack of awareness regarding kidney health among population as well as health care providers. There is poor utilization of eGFR (estimated glomerular filtration rate) and urinalysis (albuminuria or microscopic hematuria) testing by primary healthcare providers and physicians, even in high-risk individuals leading to missed diagnosis. There is lack of knowledge for kidney disease risk factors (comorbidities, environmental, low birth weight, pre-eclampsia, etc.). Furthermore, receiving incorrect advice from the quacks causes delayed primary contact with qualified healthcare provider

Systematic Voters' Education and Electoral Participation – Flash Mob on Voters' Awareness organized by Department of Physical Education and Yoga (PUCC) on 14th April, 2024

is the flagship program of the Election Commission of India for voter education, spreading voter awareness and promoting voter literacy in India. It is a multi-intervention programme that reaches out through different modes and media to educate citizens, electors, and voters about the electoral process in order to increase their awareness and promote their informed participation. SVEEP is designed according to the socio-economic, cultural, and demographic profile of the state as well as history of electoral participation in previous rounds of elections. The Commission produces several voter awareness materials and disseminates the same through various mediums/platforms of communication i.e Print Media, Electronic Media, Social Media etc.

https://www.pondiuni.edu.in/university_news/systematic-voters-education-and-electoral-participation-flash-mob-on-voters-awareness-pucc-lawspet/

The poster is for a 'Flash Mob on Voters' Awareness' event. It features a yellow and orange background. At the top, there are four logos: '3 GOOD HEALTH AND WELL-BEING', the Indian national flag, the Pondicherry University logo, and a logo in Tamil. Below the logos, the text reads: 'DEPARTMENT OF PHYSICAL EDUCATION & YOGA PONDICHERRY UNIVERSITY COMMUNITY COLLEGE LAWSPET, PUDUCHERRY'. This is followed by 'IN ASSOCIATION WITH OFFICE OF THE DISTRICT ELECTION OFFICER, PUDUCHERRY SYSTEMATIC VOTERS' EDUCATION AND ELECTORAL PARTICIPATION'. The main title 'FLASH MOB ON VOTERS' AWARENESS' is written in large, red, stylized letters. Below this, the date and time are 'ON 14TH APRIL, 2024 AT 6 PM @ROCK BEACH, PUDUCHERRY'. A section titled 'GUESTS' lists three individuals: 'PROF. LALITHA RAMAKRISHNAN, PRINCIPAL, PUC' and 'MR. YASHWANT MEENA. IAS, ASSISTANT COLLECTOR, PUDUCHERRY'. 'DR. S. JAGADESWARI, ACTIVITY COORDINATOR' is listed below them. At the bottom, it says 'ALL ARE WELCOME' and features a silhouette of a crowd with arms raised.

Awareness Program on Eye Care "Advancing Optometry's Commitment to Global Eye Care" organized by Department of Optometry Technology (PUCC) on 30th April, 2024

Good vision is an essential aspect of our lives. Approximately 2.2 billion people experience vision impairment or blindness, and 80% of these individuals experience preventable blindness.¹ The main cause of vision impairment is uncorrected refractive error, followed by cataracts. Other causes include glaucoma, diabetic retinopathy (DR), retinal detachment, and age-related macular degeneration. Many individuals ignore early signs of eye disease, or even worse, they do not notice the signs of such conditions and fail to seek treatment in a timely manner, leading to preventable vision loss.² Simply put, if people do not know what is broken, they will not know what to fix. This leads into the main point of this article—that education plays a significant role in raising awareness about the importance of eye health.

Inauguration of Emergency Care Training organized by PUCC, Lawspet on 29th May 2024

In the last fifteen years primary health care has focused on health of mothers, children and adolescents, communicable diseases, non-communicable diseases and other chronic communicable diseases like tuberculosis, leprosy and HIV infection. With the launch of Health and Wellness Centres under the Ayushman Bharat programme, a wide range of additional services are envisaged to be delivered under comprehensive primary health care. As a Community Health Officer, you are the pillar of the Sub Health Centre Health and Wellness Centres (SHC-HWC) and instrumental to the roll out of the expanded range of services at the SHC-HWC. Emergency and Trauma Care is one of the new services which is being introduced in the newer package of services to be made available at the AB-HWCs.

https://www.pondiuni.edu.in/university_news/inauguration-of-emergency-care-training-pucc-lawspet/

The poster is red with white and blue text and graphics. At the top, there are four logos: Pondicherry University, a circular logo with a wheel, a green plant logo, and a green box with '3 GOOD HEALTH AND WELL BEING' and a heart rate line. Below the logos, the text reads 'PONDICHERRY UNIVERSITY COMMUNITY COLLEGE' in white. A large blue plus sign is on the left. In the center, it says 'in association with ALERT . . . Saving Lives' in white. Below that, 'INAUGURATION OF EMERGENCY CARE TRAINING' is written in large white letters. A yellow box contains the name 'Mr. R. KARAL MARKS, DTED., MA., M.ED., ..' and 'Trainer'. Two columns of text provide dates and times: '29th May 2024 Time: 09:30 am For UG Students' and '29th May 2024 Time: 2:00 pm For B.Voc Students'. At the bottom, the venue is listed as 'Pondicherry University Community College, Lawspet, Puducherry - 605009'.

Celebration of 10th International Day of Yoga – Yoga for Self and Society organized by Directorate of Sports & Department of Physical Education and Sports on 21st June, 2024

Yogic thought discusses two parts of an individual: the smaller, conditioned self and the higher, true self. The smaller self is limited and conditioned, caught up in the mind's fluctuations and sensory desires. The higher Self is pure and unconditioned consciousness, the source of true identity. This concept of self is represented through layers called koshas, each reflecting different aspects of human existence, from the physical body to the deepest layers of consciousness.

The human being is made up of five sheaths or “koshas,” which are layers of existence that move from the outer body to the inner self.

https://www.pondiuni.edu.in/university_news/celebration-of-10th-international-day-of-yoga-yoga-for-self-and-society-on-21-06-2024/

10th International Day of Yoga –YOGA MAHOTSAV 2024 organized by PUC 7 Directorate of Ayush, Govt. of Puducherry on 21st June, 2024

Yoga Mahotsav 2024 was a celebration held on March 13, 2024 at Vigyan Bhawan in New Delhi. It was organized by the Morarji Desai National Institute of Yoga (MDNIY) and the Ministry of Ayush. The event marked the 100-day countdown to the 10th International Day of Yoga (IDY) on June 21, 2024.

https://www.pondiuni.edu.in/university_news/10th-international-day-of-yoga-yoga-mahotsav-2024/

The poster is a vibrant, multi-colored graphic with a geometric pattern in shades of purple, blue, and green. At the top, it features several logos: '3 GOOD HEALTH AND WELL-BEING' with a heart and pulse line, 'Yoga for Harmony & Peace' with a hand holding a flame, the Ashoka Lion Capital, 'NATIONAL HEALTH MISSION' with a family icon, and 'NATIONAL AYUSH MISSION' with a plant icon. Below these are the logos of PONDICHERRY UNIVERSITY and the Government of Puducherry. The main text reads: 'PONDICHERRY UNIVERSITY COMMUNITY COLLEGE (A Constituent College of Pondicherry University) Lawpet, Puducherry-605008. & DIRECTORATE OF AYUSH, GOVERNMENT OF PUDUCHERRY Jointly organise YOGA MAHOTSAV-2024'. Below this, it states '10th INTERNATIONAL DAY OF YOGA ON 21-06-2024' and 'COUNTDOWN YOGA PROGRAM COMMON YOGA PROTOCOL TRAINING CENTRE'. The phrase 'All are invited' is written in a large, blue, cursive font, flanked by two golden lotus flowers. At the bottom, it lists the co-ordinator 'Dr. R. Murugesan, Head (i/c) & Assistant Professor, Dept. of Physical Education & Yoga, PUC' and the principal 'Prof. Lalitha Ramakrishnan, Principal (i/c), PUC'. The venue and time are also specified: 'Near Mahatma Gandhi Statue, Rock Beach, White Town, Puducherry from 7.00 AM to 8.00 AM'. Two illustrations of people in yoga poses (a woman in a yellow sari and a man in a grey t-shirt) are positioned on either side of the central text.

Workshop on Genetic Counseling organized by Department of Biochemistry, PUC in collaboration with Satya Special School on 12th July, 2024

Genetic counseling refers to guidance relating to genetic disorders that a specialized healthcare professional (genetic counselor) provides to an individual or family. A genetic counselor might provide information about how a genetic condition could affect an individual or family and/or interpret genetic tests designed to help estimate the risk of a disease. The genetic counselor conveys information to address the concerns of the individual or family, helps them make an informed decision about their medical situation and provides psychological counseling to help them adapt to their condition or risk.

https://www.pondiuni.edu.in/university_news/revised-workshop-on-genetic-counseling-pucc-lawspet/

The poster features a background image of a hand holding a DNA double helix. At the top, the Pondicherry University logo is on the left and the college logo is on the right. The text is centered and uses various colors (blue, red, green) for emphasis. Logos for the Department of Biochemistry, Satya Special School, and Hans Foundation are included. Awareness Programme on Alcohol and Drug Abuse Prevention for Industrial Labourers in Puducherry organized by Department of Social Work and Directorate of Social Welfare, Govt. of Puducherry on 19th September 2024

Alcohol and drug abuse by young people is extremely dangerous to themselves, family and friends, and society as a whole. Drug and alcohol use among our youth is directly related to traffic fatalities, violence, suicide, academic failure, unsafe sex and other high risk behaviors. Early use may also lead to a lifetime of dependency.

Awareness Program on “Cardiac Care” organized by Department of Cardiac Lab Technology, PUCC on 27th September, 2024

The awareness on CR program in CHD patients in Nepal is not optimal, especially among 54 and above age group, illiterate people, those receiving treatment equal & more than 1 year duration and the CHD patients who didn't get chance to participate on awareness programs. Hence, it is strongly recommended that health professionals including nurses should organize and promote CR programs including counseling session to improve the awareness level and ultimately enhance quality of life of CHD patients.

Inter-Collegiate Taekwondo (Men & Women) Tournament 2024-25 organized by Department of Physical Education & Yoga, PUC on 15th October, 2024

The NOC containing at least two female or male taekwondo fighters through the ranking is deemed ineligible to participate in the respective Continental Qualification Tournament unless it relinquishes the places obtained. This pathway also applies to the host nation France with its reservation of two men's and women's spots (one in each weight category). Four further quota places will be entitled to the eligible NOCs interested to have their taekwondo practitioners compete in through the Tripartite Commission Invitation.

Interactive session on the occasion of Mental Health Day organized by Department of Applied Psychology on 18th October 2024

World Mental Health Day is celebrated every year on 10 October. The day is about coming together to talk about mental health and show everyone that mental health matters. Talking about our mental health can help us cope better with life's ups and downs.

https://www.pondiuni.edu.in/university_news/invitation-mental-health-day-department-of-applied-psychology/

The poster is a rectangular invitation with a light grey background and a thin red border. It features the Pondicherry University logo in the top left corner and a 'mind space' logo in the top right. The main title 'MENTAL HEALTH DAY' is centered in a large, blue, serif font, with the date '18 OCT 2024' below it in a smaller, red, serif font. The poster lists four activities: an interactive session at 10:00 AM, an activity at 11:30 AM, and a movie screening at 2:00 PM. The text is arranged in a clean, professional layout with decorative green and blue wavy borders on the left and right sides.

Good Will Hunting (1997)
A heartfelt film about Will, a young genius struggling with his past, who discovers healing through therapy and friendship.

We cordially invite everyone.
SEMINAR HALL I
SCHOOL OF HUMANITIES, SJ CAMPUS

World Mental Health Day – Guest Talk on “Addiction the Impending Tsunami” –organized by Department of Management, PUCC on 22nd October, 2024

We’ll cleanse an area on your arm and insert a new sterile needle for the blood draw. (This feels like a quick pinch and is over in seconds.)

A whole blood donation takes about 8-10 minutes, during which you’ll be seated comfortably or lying down while approximately a pint of whole blood is collected.

For a Power Red donation, a device will use a single-use kit to collect two units of packed red blood cells and return your plasma along with saline through the same sterile needle in approximately 45 minutes.

https://www.pondiuni.edu.in/university_news/world-mental-health-day-guest-talk-on-addiction-the-impending-tsunami-pucc-lawspet/

The poster is for a World Mental Health Day event. At the top, it features logos for FIT INDIA, 3 GOOD HEALTH AND WELL BEING, and DEVELOPED INDIA PASSION. Below these are the logos for PONDICHERRY UNIVERSITY COMMUNITY COLLEGE, Department of Management, and CII - Indian Women Network. The main title is 'ADDICTION THE IMPENDING TSUNAMI'. The speaker is Dr. K. Mathan, MD Psychiatry, Professor & HOD, Department of Psychiatry, Indira Gandhi Medical College & Research Institute, Puducherry. The event is in the presence of Prof. Lalitha Ramakrishnan, Principal (i/c). The date and time are Tuesday, 22 October 2024, 10:30 AM - 12:00 NOON. The organizer is Dr. A. Bharathy, Assistant Professor & Head(i/c). The co-organizers are Dr. C. Arjunan, Assistant Professor; Dr. R. Sathiyamoorthy, Assistant Professor; and Dr. R. Venkatajalapathy, Resource Person. The poster also includes a photo of Dr. K. Mathan and a note at the bottom: 'An Initiative for BBA students'.

International Seminar on Health, Fitness & Wellness: Empowering A Resilient Future organized by Department of Physical Education and Sports from 29.02.2024 to 01.03.2024

Achieving long-term wellness is a commitment to balancing physical, mental, and emotional health over the course of your life. “Empower Your Health: Strategies for Long-Term Wellness,” rooted in principles supported by the American Sports and Fitness Association (ASFA), provides a comprehensive guide to help you build and maintain sustainable health practices. This approach to wellness transcends short-term fixes, instead focusing on creating habits and strategies that foster lifelong well-being.

Weekly film screening and discussion open to all

**Meelon Dur
(Miles Away)**

2023 🌟 49 mins
Director: Megha Acharya
Language: Bundeli (English subtitles)

📅 5th January 2024 ⌚ 3:30 pm

Venue: Lecture hall III, 1st floor, Department of Electronic Media and Mass Communication

The film follows the journey of three women who work at a brick kiln on the outskirts of a city in North India, in the midst of extreme rains and a global pandemic. What unfolds is a story of mobility, debt and the everyday lives of the caste-oppressed women, whose labour is both crucial and too often invisible, in the story of a rapidly urbanizing global India. The documentary 'Meelon Dur' (Miles Away) stems from a research project that Khabar Lahariya worked on, in association with Dr. Michelle Buckley and Dr. Paula Chakravarty from the University of Toronto and the New York University, respectively.

The documentary has been made by a full-women crew, coming from different walks of life. The direction team consists of Megha Acharya and Geeta Devi. Megha Acharya is the film's director and an independent film practitioner. Geeta Devi is the film's Associate Director and a senior reporter at Khabar Lahariya, a popular digital media network run by women. She also led the research project in 2019. Kavita Bundelkhandi, Khabar Lahariya's editor-in-chief and Chambal Media's CEO worked on the film in the capacity of a subject expert.

Venue: Lecture hall III, 1st floor, Department of Electronic Media and Mass Communication

Jal, Jungle, Zameen

Women constitute over 42% of the agricultural labour force but own less than 2% of farmland. Khabar Lahariya talks to three women in rural Uttar Pradesh, who till the land, and take care of it, but can make no claim over its inheritance or ownership. The central idea of the film revolves around how the inclusion of women in farming leads to the feminization of agriculture, and how they're deprived of land rights and ownership. Even though the Hindu Succession Amendment Act of 2005 guarantees the legal right to ownership of land for women, it is still far from practical application. This is further proved in the film via the testimonials of three women who took farming as their livelihood and were deprived of land ownership.

Writing with Fire

In a male-dominated media landscape, the women journalists of India's all-female Khabar Lahariya ("News Wave") newspaper risk it all, including their own safety, to cover the country's political, social, and local news from a women-powered perspective. From underground network to independent media empire—now with 10 million views on their YouTube site—they defy the odds to redefine power. A double Sundance winner, Writing With Fire has been nominated for an Academy Award for Best Feature Documentary, making it the first Indian feature documentary to be nominated for an Oscar.

Venue: Lecture hall III, 1st floor, Department of Electronic Media and Mass Communication

NERO'S GUESTS
THE AGE OF INEQUALITY

Nearly 2,00,000 farmers have committed suicide in India over the last 10 years. But the mainstream media hardly reflects this. Nero's Guests is a hard-hitting story about India's agrarian crisis and the growing inequality seen through the work of the Rural Affairs Editor of Hindu newspaper, P Sainath. Through sustained coverage of the farm crisis, Sainath and his colleagues created the national agenda, compelling a government in denial to take notice and act. Through his writings and lectures, Sainath makes us confront the India we don't want to see, and provokes us to think about who 'Nero's Guests' are in today's world.

Invited Talk on “Science of Living” In the Light of Sri Aurobindo organized by Department of English, Pucc on 28.03.2024

The Science of Living is a book by Dr. Stuart Farrimond that explores the science behind daily routines and how to improve one's life. The book includes research from psychology, nutrition, biology, and physics to help readers live healthier, happier, and more productive lives.

https://www.pondiuni.edu.in/university_news/invited-talk-on-science-of-living-in-the-light-of-sri-aurobindo-pucc-lawspet/

The poster is set against a dark blue background with a subtle grid pattern and decorative floral motifs on the left and bottom right. At the top, four logos are displayed: the Pondicherry University logo, the Sri Aurobindo Centre logo, the PUCCL logo, and the PUCCL Law School logo. Below the logos, the text reads: 'Pondicherry University Community College Department of English'. It then states 'Cordially invites you to an Invited Talk on "Science of Living" In the Light of Sri Aurobindo'. The Resource Person is identified as 'Dr. Shruti Bidwalkar', with a small portrait photo of her. Her title is 'Assistant Director and Trustee, Sri Aurobindo Centre for Advanced Research, Puducherry'. The event details are: 'Date: 28.03.2024 Thursday Time: 10.30 AM' and 'Venue: Seminar Hall'. The 'Programme Agenda' section lists the following items: '10.30 AM: Thamizh Thaal Vaazhthu', 'Pondicherry University Anthem', '10.35: Lighting of Lamp', '10.40: Welcome Address: Dr. R. Indurathy', '10.45: Presidential Address: Prof. Lalitha Ramakrishnan, Principal (i/c), Pondicherry University Community College', '10.55: Felicitation Address: Dr. R. M. Manugayam', '11.05: A talk on "Science of Living" in the Light of Sri Aurobindo -Dr. Shruti Bidwalkar', and '12.15: Vote of Thanks: Mrs. V. Visantha Kokilani'. At the bottom, it says 'All are Welcome Faculty, Department of English'.

Entrepreneurship Awareness Programme organized by Department of Commerce, Karaikal Campus on 25th July, 2024

Entrepreneurship awareness programs (EAPs) are designed to help people learn about entrepreneurship and how to start a business:

Identify and motivate

EAPs help identify and motivate people who have the potential to become entrepreneurs.

Learn skills

EAPs help people learn entrepreneurial skills, such as business planning, and how to overcome barriers to entrepreneurship.

Understand government policies

EAPs help people learn about government policies, funding opportunities, and entrepreneurial risks and returns.

Awareness Talk on Digital Safety organized by Department of Management, PUCC on 27th September 2024

As more and more personal information is shared online, it's important to be aware of the risks and take precautions to stay safe. Hackers can gain access to personal accounts and steal sensitive data, so it's important to use strong passwords and be careful about what information you share online.

https://www.pondiuni.edu.in/university_news/awareness-talk-on-digital-safety-pucc-lawspet/

The poster is for an awareness talk on digital safety. It features the logos of Pondicherry University and the Department of Management at Pondicherry University Community College. The event is presented by CII - Indian Women Network and sponsored by the college. The main title is 'DIGITAL SAFETY' in large blue and green letters. Below it, the tagline reads 'Protecting yourself in a connected world'. The date is Friday, September 27, 2024, from 10:00 AM to 11:00 AM. The inaugural address will be given by Prof. Lalitha Ramakrishnan, Principal (C/C). The guest speaker is Mr. Keerthivasan, Inspector of Police at the Cyber Crime Police Station in Pondicherry. Faculty coordinators include Dr. A. Bharathy, Dr. C. Arjunan, Dr. R. Sathyamoorthy, and Dr. R. Venkatajalapathy. The event is organized for BBA I, II & III year students.

One day workshop by DEMMC PU alumnus
for UG students interested in
learning the basics of video production

The Future of Video: Learn to Create It

Dr. Thulasi Kumar Marella
Assistant Professor
School of Communication and Media Studies
St. Joseph's University, Bengaluru

Dr. Thulasi Kumar Marella was awarded Ph.D. in Mass Communication from the Dept. of Electronic Media and Mass Communication, Pondicherry University. Since his postgraduate days, he has a passion for capturing the essence of real-life experiences by drawing from personal experiences and marginalized perspectives. He has also collaborated with independent filmmakers, researchers, and scholars in producing notable films, which led to the screening of four works in national and international film festivals, garnering recognition for his work. In addition to this practical filmmaking experience, he has also been involved in academia, guiding students with their ideas and fostering a deeper understanding of the art of filmmaking.

Monday, 18 November 2024
10 a.m. to 5 p.m.

National Conference on Gender, Health and Sustainable Development: Global and National Perspectives organized by Department of Sociology & Indian Association for Social Sciences and Health on 31st January, 2024

Gender refers to the social relationships between males and females in terms of their roles, behaviours, activities, attributes and opportunities, and which are based on different levels of power. Gender interacts with, but is distinct from, the binary categories of biological sex. In this paper we consider how gender interacts with the 2030 agenda for sustainable development, including sustainable development goal (SDG) 3 and its targets for health and well-being, and the impact on health equity. We propose a conceptual framework for understanding the interactions between gender (SDG 5) and health (SDG 3) and 13 other SDGs, which influence health outcomes.

One-Week International online Training on Feminist Research Methodology organized by Centre for Women's Studies in academic collaboration with Asha Paras Foundation for Peace and Harmony from 12th – 18th February, 2024

There are various feminist research methods that exist today which are used for data gathering and analysis. Feminist researchers can undertake research using two fundamental approaches; firstly, by using the traditional research process referred to as "quantitative" methodology or by using the "qualitative" ethnographic method. Quantitative methods includes, "in depth research into the motivation, attitudes and behaviour of respondents or into a given situation" Joppe. Qualitative methods refers to "research procedures which produce descriptive data:

INVITED

State level two days Training Programme on “Gender Budgeting” organized by Department of Women and Child Development, Govt. of Puducherry and Centre for Women’s Studies on 26th & 27th February, 2024

Closing gender gaps is key to sustain stronger long-term economic growth. Increased participation of women in the workforce, for example, is particularly helpful in the context of the shrinking labour forces that many OECD countries are expected to face over the coming decades due to population ageing. Effective gender budgeting plays a crucial role in driving policy measures to address these gaps.

https://www.pondiuni.edu.in/university_news/training-programme-on-gender-budgeting-centre-for-womens-studies/

Industry-Institute Interface Programme (IIIP) organized by Department of Statistics on 1st March, 2024

To initiate close interaction of our faculty members with industry experts, i.e. through Faculty Development Programmes, Workshops, Seminars, etc., so that, our faculty members may gain a first-hand knowledge of the industry requirements and accordingly, our students may be groomed in a manner that they are 'Industry Ready' by the time they pass out.

To get support from Industry for knowledge enhancement and enrichment of the students through various co-curricular activities like seminars, workshops, guest lectures, etc.

Project Collaborations: To explore possibilities of project collaborations with Industry. To be transferred to the concerned Faculty after getting the same materialized.

International Women's Day Celebrations – Inauguration of Film Festival organized by Centre for Women's Studies on 7th March, 2024

Investing in women, a human rights issue: Time is running out. Gender equality is the greatest human rights challenge, benefiting everyone.

Ending poverty: Due to the COVID pandemic and conflicts, 75 million more people have fallen into severe poverty since 2020. Immediate action is crucial to prevent over 342 million women and girls living in poverty by 2030.

Implementing gender-responsive financing: Conflicts and rising prices may lead 75% of countries to cut public spending by 2025, negatively impacting women and their essential services.

Shifting to a green economy and care society: The current economic system disproportionately affects women. Advocates propose a shift to a green economy and care society to amplify women's voices.

Supporting feminist change-makers: Despite leading efforts, feminist organizations receive only 0.13% of official development assistance.

“Gender Champion” Training Programme for the Students organized by Centre for Women’s Studies on 30th August, 2024

Gender Champions are women and men who are dedicated to breaking gender barriers, challenging gender stereotypes and make gender equality through their work and communities. UNDP Country Office Indonesia facilitates women as well as men as gender champions to contribute for transformative changes across our programmes. We strengthen women’s initiatives in breaking gender barriers and stereotypes. It helps us to make a wide range gender perspective in our works and to help in making changes in realistic and achievable transformations for gender equality.

Special Talk on the UN theme: "Girls' Vision for the Future" on the occasion of International Girl Child Day-2024 organized by Department of Anthropology on 18th October, 2024

Today's generation of girls is disproportionately affected by global crises of climate, conflict, poverty and pushback on hard won gains for human rights and gender equality. Too many girls are still denied their rights, restricting their choices and limiting their futures.

Yet, recent analysis shows that girls are not only courageous in the face of crisis, but hopeful for the future. Every day, they are taking action to realize a vision of a world in which all girls are protected, respected and empowered.

But girls cannot realize this vision alone. They need allies who listen to and respond to their needs.

By

**PMJF Lion Christina Campbell,
Past District Governor – MD 2E-1 (2020-2021)
Lions Clubs International, Texas, USA**

Speaker's Profile:

PMJF Lion Christina Campbell, a radiologist by profession, served as Past Director Governor of Multiple District 2E-1 for the 2020-2021 term within Lions Clubs International, representing Texas, USA. Her professional background in radiology enriches her perspective on healthcare, furthering her commitment to Lions' humanitarian mission. As a Progressive Melvin Jones Fellow (PMJF), Christina has demonstrated exceptional dedication to service, championing healthcare, vision support, and youth programs throughout Texas. Her resilience and dedication were evident when she traveled to Pakistan during the COVID-19 pandemic to support humanitarian efforts and recently extended her journey to India to strengthen international Lions connections. Christina's legacy continues to inspire Lions members to pursue compassionate service across borders.

Rural Livelihood Workshop 2024 organized by Department of Management, PUCC on 9th August, 2024

In most rural areas of the world, approximately 90 % of the population is involved in farming as a way of earning a living. Small-scale farming, fishing, raising livestock and non-farm activities are some of the common livelihoods that these populations survive on. Rural livelihood poses a great challenge as these populations are often in a state of poverty where they lack the basic necessities for survival.

Webinar on Cyber Hygiene on 3rd April 2024

https://www.pondiuni.edu.in/university_news/webinar-on-cyber-hygiene/

PU/Regr./2024/

April 2, 2024

CIRCULAR

This is to inform that University Grants Commission (UGC) has directed all higher educational institutions (HEIs) to participate in a 1-hour live webinar on 'Cyber Hygiene' to be conducted by the Indian Cybercrime Coordination Centre, Ministry of Home Affairs. The event is scheduled to be held on April 3, 2024.

The webinar aims to educate higher education institutions regarding the essential practices for maintaining cyber hygiene and ensuring online safety. Fostering awareness and understanding of cyber threats and preventive measures is crucial in today's digital age.

In this connection, Pondicherry University has made arrangements to watch the live webinar on **3rd April 2024 from 2.00 p.m to 3.00 p.m. at SOM Auditorium**

All faculty members, Officers, staff and students are requested to watch the live webinar.

Participants can also watch the webinar through the link given below:

PONDICHERY UNIVERSITY
Pondicherry University is a Central University established by an Act of Parliament in October 1985. It is an affiliating University with jurisdiction spread over the Union Territory of Puducherry, Lakshadweep and Andaman and Nicobar Islands. In 82 years, Pondicherry University has achieved a rich legacy of growth and excellence. The University's vision is 'To be a leader in learning, leadership and life'. The University's expertise in research, teaching and skills, its commitment to offering world-class research facilities, its wide provisions for studies in French, and its progress across in Humanities and the Sciences, and its promise of multidisciplinary studies and research.

The main campus is located in Coimbatore, 22 km from the town of Pondicherry. It is a serene and beautiful campus in the Bay State east of India, among the scenic Bay of Bengal. The main campus has 18 schools, 12 departments and 22 centres offering over 200 undergraduate, postgraduate, PhD and professional research programs. Pondicherry University also has campuses at Karaikal, Chennai and a newly inaugurated campus in Lakshadweep Islands.

CONCEPT NOTE
In an era marked by individual-centric paradigms and societal fragility, the Department of Electronic Media and Mass Communication at Pondicherry University, India, is collaborating with esteemed partners from across the globe. The International Conference on - "Future Communications: Rethinking Societies, Cultures, and Governance," scheduled for 8-10 April 2024, stands as a testament to our collective commitment to address the pressing issues that permeate our contemporary world. Join us at Pondicherry University in person or online and be a part of this global conversation on Future Communications.

COLLABORATIVE ENDEAVOUR
This collaborative initiative brings together diverse institutions, including the University of Toulon (France), Oslo Metropolitan University (Norway), Multimedia University (Malaysia), International Centre for Strategy & Communication (Aurville), Integral World (Aurville), IIMACE (Aurville), and the Educational Multimedia Research Centre, Puducherry (India). The collaboration emphasizes the shared responsibility of institutions to engage in meaningful discourse and find innovative solutions to the multifaceted challenges we face today as global citizens. Since many years, the Department of Electronic Media and Mass Communication at Pondicherry University has collaborated with the EPF (Educational Multimedia Research Centre) department of Toulon University (France) involving faculty exchange and regular presentations of the works of our respective PhD students.

As a part of the Student Outreach activity, the School of Law organized a field trip to the Central Prison, Puducherry on April 30, 2024

<https://www.pondiuni.edu.in/wp-content/plugins/pdf-poster/pdfjs/web/viewer.html?file=https://www.pondiuni.edu.in/wp-content/uploads/2024/05/HappeningsPUPrisonVisitPic1>

CENTRAL PRISON VISIT PONDICHERRY
APRIL 30, 2024

As a part of the Student Outreach activity, the School of Law organized a field trip to the **Central Prison, Puducherry on April 30, 2024** for the students of LL.M. (Criminal Justice and Human Rights), PG Diploma (Criminology and Forensic Science), and MA SEAL (Integrated Five Year Program). The event was Coordinated by **Dr. Shyantanu Pal**, Assistant Professor, School of Law. The visit aimed to provide students with firsthand insight into the functioning of the criminal justice system.

Located 7.5 km away from the University in Kalapet, the Central Prison of Puducherry is renowned as a model correctional facility. During the visit, **Mr. Bhaskar**, the **Prison Superintendent**, guided the students through various aspects of prison life, including the inmates' backgrounds, rehabilitation programs, and operational challenges. They witnessed firsthand the agricultural initiatives, including the cultivation of fruits, vegetables, and medicinal plants, as well as poultry farming. Profits from these endeavors are channeled towards supporting the welfare and education of inmates' families. The prison boasts a medical facility staffed by a physician for two hours each day and a workshop area sponsored by NGOs like the Aurobindo Society, where inmates engage in productive activities such as spinning and weaving, aimed at their rehabilitation. Additionally, a jail bakery, supported by the Sri Aurobindo Society, has been operational for six months, providing snacks and juices to inmates.

Students were granted access to the various sections of the prison, including separate cells for convicted and undertrial prisoners, a library known as the Human Library, and

facilities such as a tailoring station, radio station, and gym. They also learned about the dedicated female ward as well

The visit provided students with a unique opportunity to gain practical insights into the functioning of a correctional facility and the challenges faced by both inmates and prison authorities. It was an enriching experience that deepened their understanding of the criminal justice system and its complexities.

Inauguration of various facilities for enhancing sustainability and promoting cleanliness at Pondicherry University Campus on 20th November 2024

Subject: Invitation to Participate in the Career Success Summit 2024 – Reg.

Pondicherry University students and scholars are cordially invited to participate in the Career Success Summit 2024, a transformative event designed to inspire and empower young minds for a bright and successful future.

The event is organized by Dr. Poorani, Founder of the Happiness and Success Academy and the Happiness and Success Empowerment Trust, which benefit the students and scholars of the University.

The summit will feature six eminent speakers, each a thought leader in their domain, addressing various aspects of career development, including:

- Career Synapse
- Communication Mastery
- Dream, Dare, Do
- 5 E's of Success
- Strengthen Your Self
- Entrepreneurship and Leadership

Event Details:

- > Date: December 8, 2024
- > Time: 10:00 AM to 1:00 PM IST
- > Mode: Zoom webinar+ YouTube Live
- > Fee: Free for all students

The summit is anticipated to provide students with valuable insights and strategies for career success and personal development. It will equip them with practical tools and enhance their career readiness.

Moreover, interested students/scholars may be register using the link below or the QR CODE in poster for this transformative event:

Capacity Building Programme on Cyber Security organized by IIT Madras under MMTTP

F.No. 5-1/2024(MMTTPGuideline)	12th December 2024/21 दिसम्बर, 1946	
आवरणीय महोदया/महोदय,		
<p>As you are aware, NEP 2020 highlights the importance of integrating technology in education, including Cyber-Security and Artificial Intelligence (AI). With the increasing reliance on digital infrastructure in education, Cyber Security (CS) has become a critical component to ensure the safety and integrity of educational systems.</p> <p>In this regard, the Ministry of Education has conceptualised a Capacity-Building Programme for the faculty members of Higher Education on Cyber Security by using the services of any of the IITs, under the aegis of the Malaviya Mission Teacher Training Programme (MMTTP).</p> <p>The Indian Institute of Technology Madras (IITM), Chennai, is starting the Capacity Building Programme in Cyber Security. The first program commences on 16th December 2024. The detailed concept note of the programme and programme details by IIT Madras are attached for reference.</p> <p>In view of the above, Higher Education Institutions are requested to disseminate the information among the faculty members under their purview to make full use of this opportunity to enhance their knowledge and expertise in Cyber Security.</p> <p>Your support in ensuring maximum participation will contribute significantly to building institutional capacity in this crucial domain.</p>

ORGANISING COORDINATORS
Prof. R. Arun Prasath, Coordinator, HoD, Dept. of Green Energy Technology, PU
Prof. K. Srinivasamoorthy, Co-Coordinator, HoD, Dept. of Earth Sciences, PU
Prof. R. Vishnu Vardhan, Co-Coordinator, Internal Quality Assurance Cell
Er. V. Mourougavelou, Co-Coordinator, Engineering & Electrical Wing, PU
Dr. M. Nandhivarman, Co-Coordinator, Office of Green Campus, PU

Join us for the Opening Ceremony of the Sustainable PU Spots at Pondicherry University, under SUSTAINABILITY@ PU initiative aimed to foster awareness and education on United Nations' 17 Sustainable Development Goals (SDGs).

This initiative is organized by the collaboration of SDG-7 Coordinator from Department of Green Energy Technology, SDG-6 Coordinator from Department of Earth Sciences, SDG-12/13 Coordinator from Office of Green Campus of Pondicherry University. The three structures have been generously funded by Indian Bank and Pondicherry University. This unique standees placed near 1. G20 Garden, Administrative Building, 2. Ananda Rangapillai Library Reading Hall and 3. Biotechnology Building, embodies our commitment to sustainability and aligns with global efforts to cultivate a more equitable and sustainable campus.

Program Agenda

- 02.00 PM - Welcome and About the UNSDGs Standee Spots by Prof. R. Arun Prasath, Coordinator
- 02.15 PM - Inaugural of SUSTAINABILITY@ PU and Release of Commemorative Booklet by the Vice Chancellor
- 02.25 PM - Felicitations to the Guest by Organizing committee
- 02.30 PM -Vote of thanks by Prof. K. Srinivasamoorthy, Co-Coordinator

All are invited for the Inauguration of UNSDGs standee To Make Pondicherry University a Sustainable Campus !!

साहित्य और सिनेमा में मछुआरा समाज और संस्कृति का चित्रण

Portrayal of Fisherman Society and Culture in the Literature and Cinema

मछुआरा समाज का वजूद प्राचीन काल से ही भारतीय समाज में विद्यमान रहा है। यह समाज कच्ची शांति-प्रिय भी रहा है। भारतीय सामाजिक संरचना में सभी वर्गों का अपना महत्व और योगदान है। मछुआरा समुदाय भी भारतीय सामाजिक संरचना का अभिन्न अंग है। आधुनिकता और विकास के क्रम में कई समुदायों के समाप्त होना-होती के साक्ष्य मिल जाते हैं। अंध, रोजगार पर बड़ी पूंजीवादी ताकतों का हमला, प्राकृतिक और कृत्रिम विपरीत के कारण विस्थापित होने का डर तथा बुद्धि में स्वास्थ्य सामाजिक अनुराग आदि की समस्याएं भी उपस्थित हो रही हैं। मछुआरी व्यवसाय के क्षेत्र में श्रमिकों का हाल बेहाल है, यहाँ केवल रोजी-रोटी की नटी बल्कि अस्मिता और सांस्कृतिक अस्तित्व का भी सवाल है। मछुआरों का भी संघर्ष-पूर्ण और व्यापक इतिहास रहा है, जिसके प्रमाण केवल इतिहास में नही पौराणिक कथाओं में भी मिलता है।

भारत के परिप्रेक्ष्य में मछुआरा समुदाय को कई भागों से जाना जाता है, जैसे मांझी, कैपट, तियाट, जलवाह, पीवर आदि। ये लोग विशेषकर अपने पारंपरिक पेशे से जुड़े हुए हैं। मछुआरी पकड़ना, मछली पालन करना और उसे बेचना ही इनका प्रमुख कार्य रहा है। इन तरह हम देख सकते हैं, हमारे यहाँ समुद्री और अंतर्देशीय नदी, तालाब एवं झरना अर्थात् मोटा-मोटी तौर पर कई तले बहने वाले जल स्रोतों के यहाँ मुख्य रूप से मछुआरी पकड़ने के ही प्रमुख स्रोत हैं, जिन पर मछुआरा समाज मछुआरी पकड़ने के लिए सदा निर्भर है। समुद्र किनारे पर जो मछुआरे पाए जाते हैं, उनका मछुआरी पकड़ना व्यापक व्यवसाय बन चुका है। लेकिन आज श्रमिकीकरण के दौर में उनका पारंपरिक पेशा छिन्नत चला जा रहा है, क्योंकि आज राइ, पोम्बरी, नदी से लेकर समुद्री तटी तक पूंजीपतियों का कब्जा होने लगा है। इसी दृष्टि से हमारे समाज में रहने वाले मछुआरों से संबंधित उपन्यास लेखन का कार्य एक सवालनवादी तनरिये से वंचित वर्ग के ही अधिकांश उपन्यासकारों ने किया है। मछुआरों की संवेदनापूर्ण समस्याओं पर विचार-विमर्श की बड़ी प्रासंगिकता है।

मछुआरा तथा नदी-समुद्र केंद्रित प्रमुख विषय स्तर की रचनाओं में अर्नेस्ट हेमिंग्वे का अंग्रेजी में लिखित उपन्यास 'ओन ओल्ड मैन ऐंड द सी', जार्ज एलियट के 'द मिल ऑन द फ्लोस' शिवाग्रुल सारोकेय का रूसी भाषा में लिखित उपन्यास 'एंड क्वाइट क्लोजे टु होम' तथा हिंदी भाषा में लिखित कथाकार संजीव का उपन्यास 'रह गईं दिशाएँ इस पार', नागार्जुन के 'बस के बेटे', देवेंद्र सत्याधी के द्वारा लिखित 'बहुपुत्र, उदय शंकर अट्ट का 'सागर लहरें और जलपुत्र', ओडिया भाषा में लिखित प्रतिभा राय का उपन्यास 'मन माटी भीम पूरी के 'मुद्राण', इवी केश पंडा का उपन्यास 'गवे करिबा कथा' एवं बट कृष्ण शिवादी का उपन्यास 'कहूँकर स्वप्न', बांग्ला भाषा में लिखित प्राणिक बंदोपाध्याय का उपन्यास 'पल्ल नदीर मांझी', विभूति भूषण बंदोपाध्याय के 'इच्छामती', सरोज कुमार चौधरी के 'मपूराशी', गुणजय मल्ला के 'प्रवाहिनी गंगा', और सैय्यद वली के 'कांदो नदी कांदो', समेश बसु का उपन्यास 'गंगा' अहेत मल्लवर्जन का 'तितस एक नदी का नाम', मलयालम भाषा में लिखित शिव शंकर पिल्ले का उपन्यास 'चेन्नैम', नरेंद्रनाथ मित्र की कन्नड़ी 'यात्रापर्य' आदि कृतियाँ उल्लेखनीय हैं। इसी भांति अन्य भाषाओं में भी मछुआरों पर केंद्रित और कई रचनाएँ हैं।

There are misconceptions that our ancient scriptures beside the role of women, yet, India has the first examples of women being scholars, rulers, writers, scientists and doctors. This International Conference titled "Women in Vedas" will delve into the roles, rights and responsibilities of Women as given in our scriptures. It will clear the fallacies and preconceived notions. Besides, this seminar will also cover how the roles and responsibilities are relevant in the modern way of life. This includes the rights of women in Education, Property, Penal laws, Constitution, Governance and her place in social perspective. The topic of this seminar is covered in Indian Knowledge System (IKS). IKS has been acknowledged as a critical component of the National Education Policy 2020.

Subject: AICTE – Online live course on “Elastic for Cyber Defense” to all the students – Free of Cost – Reg.

We are pleased to announce a comprehensive free online live course on Elastic for Cyber Defense for all the students. The Cybervidyapeeth Foundation and Dwarakadas J. Sanghvi College of Engineering, Mumbai, is offering a 50-hour free training program on "Elastic for Cyber Defense" to all the students across the country.

This job-oriented training program is designed to prepare students for the rapidly growing field of cybersecurity, with a specific focus on Elastic Search for Cyber Defense. The course aims to make participants job-ready for the numerous opportunities available in Security Operation Centres (SOC) across India and the Gulf region, with over 100,000 positions currently open for L1 resources.

As we all know, cybersecurity training is essential in today's digital landscape. The rising frequency and complexity of cyberattacks pose serious risks to organisations. As our reliance on technology increases, so does our vulnerability. A global shortage of skilled cybersecurity professionals leaves many exposed to breaches, data theft, and financial losses. Comprehensive cybersecurity training can equip IT professionals with the skills to protect our digital infrastructure, safeguard sensitive information, and effectively respond to threats. This not only enhances national security but also fosters a robust workforce capable of driving innovation in cybersecurity.

Online Course Highlights and Benefits for Students:

- Hands-on training on the ELK stack
- Real-world scenarios and use cases
- Introduction to AI and machine learning in security analytics
- Best practices for implementing and managing Elastic Security
- Acquire in-demand skills at no cost

- Potential employment opportunity with CMS IT Services Ltd
- Certification upon course completion (Conditional)
- Practical experience with cutting-edge security tools

Students and Scholars of the university are encouraged to register and take advantage of this opportunity to boost their career development.

CIRCULAR

This is to inform you that the Narcotics Control Bureau is a Nodal agency that comes under the Ministry of Home Affairs and makes people aware about the ill effects of drugs on society and the health of individuals. Since the agency makes people aware of it every year June 26 is observed as International Day against Drug Abuse. Educational institutions are one of the vulnerable places for drug abuse and students have to be made aware of the consequences of drug abuse. Narcotics Control Bureau urges that students and staff take the e-pledge during the week of June 20-26.

Hence, the letter cited is forwarded for circulation of the e-pledge QR Code to all concerned for taking e-pledge on 26.06.2024 with maximum participation. A consolidated data on the number of participants, as per the proforma shall be sent to dcreev@py.gov.in. Please use the below-highlighted link to take the e-pledge and download the e-certificate.
