BPR&D Research Studies Programme (2026–27)

The Bureau of Police Research & Development (BPR&D), Ministry of Home Affairs, Government of India, invites research proposals from eligible Universities, Institutions, Organisations, Departments, Central Armed Police Forces (CAPFs) and Central Police Organisations (CPOs) for undertaking research studies under the BPR&D Research Studies Programme (2026–27).

Thematic Areas:

- New Age Policing, Artificial Intelligence and Cyber Security
- Internal Security, Crime and Investigation
- Capacity Building and Public Order
- Modus Openrandi
- Criminal Justice, Women and Children
- Correctional Administration
- Transport, Mobility and Road Safety
- Mental Health and Well-being

Eligibility:

Bonafide Universities, Institutions, CAPFs, CPOs, Organisations and Departments with well-established records of research expertise and necessary infrastructure will be eligible. The institutions are required to specify a Project Director for the project. Project Directors should have a proven track record of high-quality research or expertise in the concerned field. The Project Director as well as the Research Team should be Indian Nationals only.

Duration:

The duration of the research project shall ordinarily vary from 12 months to two years depending on the nature of the research project.

Last Date: November 27, 2026
